# LAUNCHING THE CHAOS
## THAT WILL BRING THE ORDER

I sit here stunned. During my eight years of living in Aqaba, Jordan, on the Red Sea, with Egypt just across the narrow Gulf of Aqaba in view out my kitchen window, I have seen many celebrations of Muslims, like when the twin towers fell on 9/11/01. I know how they join as one unit throughout the Middle East, in the United States, in England, and worldwide to either celebrate victories or protest. But, this particular celebration is something I've known was coming for 45 years. In this article, I will show you that what has just happened today, February 11, 2011, has launched the chaos of the third part of the Mazzini/Pike plan, which will bring the order--the New World Order, and its world ruler to power. I will show you who is behind it, and how now the terrorist factions that will bring the chaos have been loosed to bring the world into WW III.

In living in the Middle East for the most part of the last 12 years, I know how the news media has lied, twisted, and changed truth to make the world believe what the Illuminati wants people to believe. In this case, what has numbed me the most, besides realizing that the fulfillment of end-time prophecy has just made a quantum forward, are the headlines and reporting of the news media. The east has no concept of democracy. It is a foreign thinking to them. This is why it has not worked in Iraq, nor in Afghanistan. They are used to being ruled by a king, dictator, potentate, or military ruler. "Democracy" was created by the Greeks, who finally said it was the poorest form of government every invented. Once the majority throws out stability, the deceiving minority of Lucifer's agents can take over and rule. Today's headlines say that "pro-democracy" protestors brought down Mubarak. Now the military is in control of Egypt, with the terrorist Muslim Brotherhood waiting to take over and rule.

The dominos are now falling … [In Appendix A I share two articles from today's headlines--after reading this article, note the Arab-controlled media lies]

Take special note of the letter written by an Egyptian Christian who was there in Cairo, who says that after a short time the protestors dwindled, but new people who were not Egyptians were leading the demonstrations. I know he is telling the truth. This was a staged manipulation of the Egyptian people, which will bring the whole region into the chaos needed to bring in the United Nations takeover of Jerusalem, and the rule of the anti-messiah. We're close to 2012, and everything is slotting exactly the way the Scriptures have laid it out.

It is time to pray with humility and fervor, for now the final plan has been set in motion that will bring Israel into Ezekiel 38-39 and the world into anarchy. On top of all of this, we are facing the beginning of the trumpet judgments in 2011. We are in a pole shift, and the earth itself is breaking up. Yahuweh and

Yahushua, our Savior, are the only refuge for His people! Proclaim the Psalms of victory! Our King is coming!

In January of 2006, I wrote the article "The Creation of Chaos". This coming Yom Teruah we will enter the 4th year of the final seven-year cycle before Messiah returns, and as of January 2011, the creation for the needed chaos to bring in "the order" has begin in earnest! Everything is on schedule! [Refer to: "The Shmittah Year Prophecy"/2007 and related articles to date]
Now we are seeing things compounding very fast to create the chaos needed to bring in the order--the New World Order-that will rule earth for 3 ½ years under the son of Lucifer/Apollyon. (**Revelation 9:11; 17:8; II Thessalonians 2:3**—"perdition" in Greek is "apoleia")
From an article from Stan Deyo's website (standeyo.com), "Preparations for the Inevitable": "We have a number of events that appear they are about to unfold. Everyone knows the financial collapse is imminent…Seismic disturbances are at an "all time high" (and THAT'S an understatement). Magnetic North is shifting. Ice shelves in the Antarctic are disappearing (and have been for years now). Reports of troop buildups continue. Supposedly Fort Bragg is in some sort of a "lock down" as of recent. World War III is a push of a button away. Obama is traveling to all kinds of near and Far East mystical locations for some type of indoctrination events (India as of recent, with allegations that will be an epicenter for "the arrival"). Reports of "dimensional portals" opening up all over the place**...**No one knows for sure when this will all break and things get bad. But what exactly does "bad" mean? The first verse of Revelation says: *`The Revelation of Yahushua Messiah, which Elohim gave Him to show His servants things which must **shortly** take place."* (NKJV**)** *Yedidah's name and title changes OK'd by Yahuweh*)

**What it actually means is that these `things' will happen in rapid fire succession**. **Seems to me everyone will have to be caught off guard.** And with the things that are clearly brewing on the horizon it certainly appears this will be precisely what will happen."

The word for "shortly", also in the KJV, is #5034 in Strong's Greek Dictionary, and means "a brief span of time, in haste, quickly, speedily". And so, as we turned the corner into 2011, from December 31st 2010, we began to see the span of time of end-time prophecy compacting, and things taking place all at once, speedily, in haste.

I've spent the last 24 years as a watchman--warning people of what was coming, giving the Word of Yahuweh. Now it is happening in one deluge of events after

nother. This drives me to prayer. Daily things are happening that should drive all of His set-apart ones prayer, and to study the Word more than ever-- especially to read the Prophets and Revelation, and to proclaim the Psalms of victory. His Word is our life, food for our spirit and soul! It is our strength.
What's happening is all in the Word--the most up-to-date news is there – and it tells who is behind it all, and what will happen. **John 16:13** tells us that the Spirit of Yahuweh is given to us to teach us all truth and to tell us things to come. Those that give Him the time He needs to speak to them every day are informed and prepared, they have a relationship with Him, they know His ways.
I've written so much about what happens when the mind shuts down--how to live out of the re-born spirit that contacts the eternal realm, located in the area of our "loins". The mind-altering pulse waves are increasing, and before long our natural mind won't do us much good. But, the eternal spirit, which has its own mind, can function normally, for that mind is in constant communication with Yahuweh. [Refer to: "The True New Birth"] I know how to live out of my eternal spirit when the mind shuts down. I was in the final stages of malaria, in 1997 in Tanzania, and could not remember my own name, but could communicate and even preach propped up with pillows so that I didn't fall over, because I heard Him give me what to say in my spirit. The mind functions through the brain and is relegated to this natural world through the five senses. But, the eternal, re-born spirit has access to the eternal world of Yahuweh, and can hear from Him in the are of their "middle" – the loins, reproductive area--where a woman carries her baby. Through the re-born spirit we become new creations in Him, and take on the nature and desires of Yahuweh. Hearing Him there is a lifestyle with me. I know Him--I know how He thinks, His ways and His nature. I can't imagine life without His Presence and His personal communication. What He teaches and says is absolute Truth without error of any type. I pass on to you what He has taught me. But, if you are a born-again child of the King, you should be hearing from Him for yourself! In fact, you MUST hear Him for yourself!
But, also, there is an increase in our being bombarded with electromagnetic pulse waves that can scramble the mind's ability to think. This was used on the Iraqis when America took Iraq in 2003. Then there is the constant bombardment of hypnotic-type mind programming that is taking over more and more, through the television's "sound of silence" waves, used in Iraq, and from the air.
We are less than a year away from 2012. Secular predictions of events after Yom Teruah this year are mind numbing. I recommend you read Tom Horn's Apollyon Rising 2012. The timing is accurate. [Refer to: "The Shmittah Year Prophecy", "Pole Shift", and "What Are the Elite Doing to Prepare Their Ark?"]
There was even an ark design on the Yahoo main page recently. We are in the days of Noah, and it appears that the children of darkness are more aware of it than the children of light.
Excerpts from **Genesis 6:7-14**: "And Yahuweh said, `I am going to wipe off

man whom I have created from the face of the earth…But Noah found favor in the eyes of Yahuweh…And the earth was corrupt before Elohim, and the earth was filled with violence [khaw-mawce/*hamas*]. And Elohim looked upon the earth and saw that it was corrupt--for all flesh had corrupted their way on the earth. And Elohim said to Noah, `The end of all flesh has come before me, for the earth is filled with violence through them…**Make yourself an ark**…"
The word for "violence" is pronounced the same as Hamas, the "H" being the "chet" in Hebrew … a throat sound. It is #2555 in the Hebrew Strong's Concordance, and means: "cruel, false, injustice, opposition, unrighteousness, violent, violence, dealing wrong for unjust gain". Yes, the whole world is in a state of khaw-mawce! **And now, that Israel's main peace buffer in the Middle East has been kicked out, and Israel's second main peace buffer in Jordan being under attack, Hamas, headquartered in Gaza, spawned from the Muslim Brotherhood, will begin its dirty work to take down Israel from the inside, while the Muslim Brotherhood will work throughout the Middle East to draw evil down on Israel from without. The Muslim Brotherhood is the granddaddy of all the terrorist organizations, beginning in 1928 in Egypt.**
As of today, they will begin to take over Egypt, just as Hamas took over Gaza, Hezbollah has taken over Lebanon, and the Muslim Brotherhood is takingover other countries in the surrounding area.
**Yes, Yahuweh is in total control! – YES, YES, YES! HE IS EL ELYON—THE MOST HIGH!** But, He will soon let it all fly forward for the purposes of the final judgment and the ushering in of His Kingdom. **Judgment is designed to lay bare the hearts of men so that truth prevails, and games of pride die**. **We are now at the point where the whole pitcher of His wrath is tipped so far forward that its contents is spilling out without restraint, to the emptying of the pitcher!**
His Spirit said to me: "**Those that go on with life as usual will join the lost and the dying"—word to the wise**!
[For details not mentioned in this article, refer to my two recent updates: "Unraveling" and "Whole Lotta Shakin' Goin' On"]
I have quotes from chief newsmen saying that the news media was taken over by the powerful world elite as early as the early 1920s. The "powers that be" are trying their dead-level best to keep the matrix-programmed minds of the western world's people from panicking. What the news media is trying to hide from you is leaking out from those who are doing their research homework.
Unfortunately, the ones finding truth and pushing the panic button are usually labeled as "nuts" and "conspiracy theory" crazies. Some tie their ridiculous religious theories to their finding or reality, which makes them appear more crazy. Sorry Disney fans, the pre-tribulation rapture doctrine, created by the Catholic Jesuits in the 1600s and other unscrupulous men, has been cancelled!

If a person would just read the Word of Yahuweh, they'd find the truth for themselves, and what He says to do about it.
In the last "Glaciation" about 10,000 years ago, mammals and dinosaurs were found quick-frozen, with grass and other foods still fresh in their stomachs. Scientists are telling us we're heading for a mini-ice age. I have an article in which a man in the mid-US, February 9, 2011, speaking of the mega blizzard, said: "**it came on so suddenly we had no time to prepare"**. In December 2009, I wrote: "Suddenly! – My Final Plea to America". A possible sudden mini-ice age over part of the earth is no fantasy. In the first trumpet judgment (**Revelation 8:7**) fire (electrical/"ball lightening"?) and hail will fall to earth, causing the deaths of many humans and animals. One third of the world's trees and ALL grass will be destroyed. **Exodus 9:18--25** tells us that Yahuweh sent fire and hail as one of the judgments on Egypt. [Refer to the article: "The Plagues of Ancient Egypt, The Future Tribulation Plagues, and …"]
This judgment destroyed the barley and the flax crops of Egypt--it was the month of Aviv, just before the Exodus. But, note: The major food crops were destroyed by this judgment! Note: Animals and human were killed by this plague. Hail/Ice also burns!
The predictions of a mini-ice age is because the Gulf Stream stopped, and the Jet Stream has slowed down, and ocean currents are not able to carry warmth to where it's needed. Thus, we have snow blizzards, and ice storms, and below-zero temperatures in unusual place, like in Ireland, the UK and Europe, as well as what we're seeing in the US intensify. Again, the food growing areas are being targeted. This is weather warfare, scalar technology, but also some of it is because we are in magnetic pole shift. In Australia, cyclone Yasi hit North Queensland as a category 5, lasting four hours. The latest reports is that it packed 190 mph winds, which officially would make it a category 6 cyclone. But, it didn't stop with the coast. It proceeded inland, destroying food crop areas. These things are coming in groups. Notice patterns!!!
Yes, the BP oilrig explosion triggered the stopping of the Gulf Stream. But, go back to my article, "The Shields of the Earth", and read how man is destroying our protective shields that Yahuweh, the Creator, put in place to shield us from radiation and outside bombardment from space objects. With these things shattered, removed and destabilized, even to the rattling of the core of the earth, our shields are down.. Yahuweh is a shield for those that fear Him and obey Him, but few fear Him and obey Him, so most people have the shields of their life down, and are open to attack.
**What we're seeing all over the earth are Scriptural signs that are compounding quickly, and increasing, and suddenly all will come together in one great mass of world destruction**. Please, read the Prophets from Isaiah to Malachi and the Revelation! Let the Spirit show you what is to

come (**John 16:13**)! It is time to fear Yahuweh, and love Him with all our heart!

Here I begin with some background information to help you understand what has happened today in Egypt, and what it means for the whole earth: In 1871, Albert Pike, head of American's Scottish Rite Freemasons, wrote a plan to Geseppe Mazzini, head of the Bavarian Illuminati and founder of the Mafia, in which he outlined three stages of action that would lead to world takeover by the ruling elite. I quote here from www.threeworldwars.com/albert-pike2.htm: "In the nineteenth century established a framework for bringing about the New World Order. Based on a vision he received from his "spirit guide", Albert Pike wrote a blueprint of events that would play themselves out in the twentieth century…It is this blueprint, which we believe unseen leaders are following today…to engineer the planned Third and Final World War…A thirty-third degree Mason, he was one of the founding fathers and head of the Ancient and Accepted Scottish Rite of Freemasonry, being the Grand Commander of North American Free Masonry from 1859, and retained that position until his death in 1891. In 1869, he was a top leader in the Knights of the Klu Klux Klan. Pike was said to be a Satanist…and he apparently possessed a bracelet, which he used to summon Lucifer, with whom he was in constant communication. He was the Grand Master of a Luciferian Group, known as the Order of the Palladium, which he had founded in Paris in 1837. Palladium has been brought to Greece from Egypt…in the 5th century, and it was the cult of Satan that was introduced into the inner circle of the Masonic lodges…Pike worked closely with Giusseppe Mazzini of Italy…who was a 33rd degree Mason, who became the head of the Illuminati in 1834, and who founded the Mafia in 1860. Together with Mazzini, Lord Henry Palmerston of England…and Otto Von Bismarck of Germany…Pike intended to use the Palladium Rite to create a satanic umbrella group that would tie all Masonic groups together."
I was at the House of the Temple in Washington DC in March 2010, and was given the royal tour. In one of the two pillars on the second level is found the remains of Albert Pike. Pike wrote the "Bible" of the Masons "Morals and Dogma…", and in it he expressly says that the god of the Masons is Lucifer, and that he is the light counterpart of the dark Yahweh. It would be a Satanist who worships Lucifer that wrote the three-part plan for world government!
**Revelation 13** gives us a general overview of what life will be like under the rule of the son of Lucifer--Apollyon/Abaddon.
From Part I on the above site, under "The Illuminati and Albert Pike": "Adam Weishhaupt formed the Order of the Perfectibilists on May 1, 1776, which later became known as the Illuminati, a secret society whose name means "The Enlightened Ones". An Italian revolutionary leader, Guisseppe Mazzini…a third-third degree Mason, was selected by the Illuminati to head their worldwide operations in 1834. … During his leadership, Mazzini enticed Albert Pike into the

lluminati. Pike was fascinated with the idea of the one world government, and when asked by Mazzini, readily agreed to write a ritual tome that guided the transition from the average high-ranking Mason into a top-ranking Illuminati Mason…Between 1859 and 1871, Pike worked out a military blue print for three world wars and various revolutions throughout the world, which he considered would forward the conspiracy to its final stage in the 20th century.
Here, briefly, are the three stages that Pike wrote out and sent to Mazzini in 1971. It has been, and is being, fulfilled to the last detail. **We are watching the launching of the finalities of the last part of the Mazzini/Pike Plan!**

**The first part** was to create World War I, bring changes to Russia, create an atheistic Communistic regime, kill Jews and Christians, and create chaos that would lead to order--order ruled by the Luciferic Illuminati elite. There were many Arab Communists and still are that participated.
**The second part** was to bring chaos into Europe, by backing Adolph Hitler and the Nazis, and to bring in World War II, kill Jews and Christians, and give the Jews that survived a reason to return to their homeland. Some Jews had already returned, but life was too good in Germany and other parts of Europe, so few wanted to go back. But, the trap was sprung on the Jews of Germany, Poland and other parts of Europe, and before they knew it their good life was gone. [Refer to: "Chilling Parallels"]
When all the facts are on the table, which they are, the truth is that there would have never been a Holocaust if it had not been for America who led the Evian Conference in 1938, and those that America influenced! I recommend the autobiography of Golda Meier My Life, and Operation Exodus II (chapter 16 particularly) by Steve Lightle, for an understanding of this time-period. As planned, the survivors of this Holocaust wanted to find shelter in a Jewish state, and the aliayh began.
Yes, the idea of herding Jews into Palestine and allowing them to have their own state called "Israel" was planned by the Luciferic elite to set the stage for Part III of the Plan. Was the Elohim of Israel sleeping all this time? Did He notice that Yehudah was being set up for the slaughter, as well as many Christians? Yahuweh was well aware of the plan, just as He was well aware of Stalin's Plans against the Jews. But, He has allowed man to use his free will to choose His "God"/god, and his eternal destination. Now, He will allow man, led by his god Lucifer, to pursue his plans for evil, because Yahuweh has His own plans to bring His good out of it! He is gathering the enemy for the final defeat! He puts the hook into the nose of Gog (**Ezekiel 38-39**). Just like He pulled off our salvation right under the nose of Lucifer and his fallen angels, who were horrified to learn that their "success" in getting Yahushua killed really backfired on them. For in His death He purchased the salvation of "whosoever will". So, since then, through the Roman Catholic Church primarily, and Islam, and evil governments,

the enemy has tried to kill as many Messianic people, Christians, and Jews as possible.
**The three main groups that comprise the leadership of the Illuminati**, along with about 200 other organizations, are 1) the Roman Catholic Church led by the Jesuits, 2) the "Black Royalty"--the hidden elite--of Europe, and the insider 33rd degree Masons of the Scottish Rite.
**The third part of the Pike/Mazzini Plan has been launched primarily by using Egypt, home of the Muslim Brotherhood, to create chaos between Muslims and Jews to the point where they will try to kill each other, create chaos in Jerusalem (a UN protectorate), and bring so much chaos to the whole Middle East that they begin World War III. Out of this war will come order--the new world order—and the world ruler enthroned on the Temple Mount.**
**This is the motto of the Illuminati: "Out of chaos, order".** On the back of the dollar bill under the pyramid is written: "**Novus Ordo Seclorum**"--**the new order of the ages**. [Please refer to: "America's Secret Destiny"] Former President George Bush, Sr., spoke a lot about the New World Order in 1990. The "order" has been the concerted effort of the secret societies from the 1500s at least--to bring it all to a head in Israel, so that their world ruler can claim the throne of Yahuweh. **Yes, once again, it will backfire! It will result in the end of the plans of Lucifer and his elite forever. But, before that, hold on, the roller coaster has already begun to climb its first hill.**

Let's look at the main player in launching the "order", working with the Illuminati and their god Lucifer. Since November of 2008, I've written about fifteen articles and updates on this "chosen one" who adores to be worshipped as god and messiah. [Refer to: "It's All About Worship"] I've noticed some of these articles are still on the web, though I've had my friend who posts for me taken all of them off. While in Tiberias, Israel, November of 2008, Abba kept repeating one phrase all night long: "January 20th – The Beginning of the Slaughter of the Sheep". I wrote an article with this title. This was the day in 2009 that America's illegal President officially took office.
Things are now surfacing. Everything that I have reported on since I began reporting in 2001, has either happened, or is in the process of happening. I do not write my opinions, nor do I base my thinking on what man has said. I only want to be taught by the Spirit of Yahuweh as I read His Word. He is our Teacher! All who are taught by Yahuweh know the same things, believe the same things, and teach the same things. This is why His servants the Prophets all hear the same things from Him, and He does nothing without informing them. (**Amos 3:7**) But, everyone who is born of the Spirit, and is led by the Spirit, filled with the Spirit, and manifests the attributes of the Spirit, has the privilege of being taught by the Spirit. Sometimes I reported on things so early that

people mocked and scoffed, saying it would never happen. Sometimes things were happening that were not reported to the news media, so it appeared they were not happening. Yet, everything is now happening at the same time. The world news media has silenced some of the things that the mind-programmers brought to light previously in order to register the responses of the American people. Then they stopped reporting on them, so people thought the famine or disease went away. But, now it is all surfacing at once--famine, pestilence, war, upheaval in nations, and disaster after disaster.

**That is the way the Illuminati does things: 1) Creates a serious life-threatening problem 2) Registers public reaction and 3) Provides a solution that they use to position their plan even more into place.** The good watchmen, often without wisdom, learned the truth, then went on the Internet to report the truth. Then the thing died back and was placed under the table, and the watchmen look foolish. That's the pattern! They record who reacts to their "problem" and how they respond. Thus they rule by fear tactics [Refer to the articles that explain this pattern: "False Flags" and "Fear Tactics"]

When chaos breaks out in Jerusalem, we will have **Luke 21:20**. [Refer to: "East Jerusalem" and "The Rocks That Nearly Hit Me" to find out where the core of all that Abba has done, is doing, and will do, is centered]. Why does the enemy want East Jerusalem so badly? – Because within the boundaries of East Jerusalem are the three main portals of Yahuweh's entrance into the earth! He has declared it to be His dwelling place forever! **Psalm 132:12-14** and **Psalm 2** are His declaration. **Isaiah 2:2-4** will happen! – For Yahuweh rules in the kingdom of men!

First we hear of the demonstrations and political chaos in Tunisia, which threw their leader into exile in Saudi Arabia on January 14th. We've heard of demonstrations in Yemen against their leader. We've heard of the King of Jordan disposing of his present cabinet, and of the unrest in that country. We've heard of Hezbollah taking over Lebanon, making it a vassal state of Iran. Hamas has made Gaza a vassal state of Iran, and is moving to overtake Fatah in Samaria (miscalled the "West Bank"). There has been "a day of rage" in Damascus, Syria. And Iraq is very unstable. **The whole Muslim world is being manipulated into unrest, turmoil, and violence!**

**Israel is surrounded!** Do we have **Psalm 83** here? Possible! It is also possibly this is a precursor to **Ezekiel 38-39**, since Libya is cheering on the protests. [Refer to: "Ezekiel 38-39 – Building Towards Reality" for the lineup of modern countries]

**Let us look at how the Illuminati "king-pin" is pulling off Part III of the Mazzini/Pike Plan.** This will confirm a lot to those of you who are smart enough to know who he really is, and what he's doing, and where he's heading with what he's doing. He has been pressuring Israel to give away the Golan, the

"West Bank", and more than ever, East Jerusalem. He has to help the U.N. clear East Jerusalem for the world ruler to set up his throne, over where the Ark of the Covenant once sat and the esteem of Yahuweh's Spirit overshadowed. The rulers of darkness are amassing on our earth and creating all types of chaos to put the son of Lucifer enthroned on the Temple Mount.
In an article by J. R. Church--"President Apologizes to the Muslim World":
"…on **January 26th, 2009**, the President gave his first official media interview. Quite significant, the President's first televised interview was given to Hisham Melhem, a highly ranked correspondent with Al Arabiya, based in Dubai, in the United Arab Emirates. In the interview, besides talking about American policy in Israel, to make the two-state solution, **Obama also apologized for America's mistreatment of the Muslim/Arab world**."
I listened to an interview with Obama by George Stephanopoulos before Obama was elected, in which Obama mistakenly said that John McCain had not yet referred to "my Muslim faith". He stumbled quickly to correct it: "I mean, my Christian faith". Since his election, he has done many things under the table to bring Muslim terrorists in the US, and put "dedicated Muslims" into high positions in the government. This is just fact.
From "The Last Trumpet Newsletter", January 2009, written by the late, and very missed brother, David Myers: "**On November 27th, 2008, Barack Obama was asked the question regarding the vision for change and where the change would be. Obama quickly stated, `I am the change, the change comes from me.' We are made to wonder who this strange one is, and what is his real agenda? According to Islamic tradition, there was an Islamic Imam who was the Prophet Mohammed's cousin and son-in-law. His name was Ali Ibn Abi-Talib. This man gave the following prophecy: `At the end of times, and just before the return of the Mahdi, a tall black man will assume the reins of government in the West; commanding the strongest army on earth. The new ruler in the West will carry a clear sign from the third Imam, whose name was Hussein Ibn Ali.' Strangely enough, the name Obama in the Persian language means `He is with us.' "**
Quoting from "B. Hussein Obama and the Muslim Brotherhood Project", January 2011: "Here I will offer evidence that B. Hussein Obama was accepted into and financed through Harvard and into the White House with the help of the Muslim Brotherhood. Using false claims of Racism etc. the Democratic leadership, the Obama Mania Media and the fast growing cult of Obamites have sought and largely succeeded in covering this information up and ridiculing those who look into it. **The United States of America has now fulfilled a key goal of Sheik Al Bani, founder of al Ikhwan (the Muslim Brotherhood) by electing a member of the Project as president of these United States!** As Caliph of the United States Obama's first TV interview was

with al Arabiya TV, and his first acts included sending envoys to oversee the eventual destruction of Israel…" Moammar Kadafi regarding Obama's trickery towards Israel: " `...we hope this is a clearance sale as they say in Egypt.' Egypt is the home of al Ikhwan, the movement that is guiding Islamofascism around the globe. Kadafi is saying that IF Obama has to say something we Muslims don't like, don't worry, its just Taqiyya, a permissible lie to deceive the infidels. Obama is a master of Taqiyya! … **Moammar Kadafi Confirms Obama is Muslim and that he is lying to the American people. Al Ikhwan members and supporters know Obama is an al Ikhwan operative and that he was born in Kenya and that he is one of them in Islam! What they do not know is that his true loyalty resides with the Novus Ordo Seclorum and that he is playing them!**"
In the Koran it clearly states that lying, deceiving, and even killing to promote the "will of Allah" is good and right. This is also Lucifer's thinking—"the end justifies the means"--the end being getting what you want, no matter how you get it. This is the one law of Satan, taught through the Harry Potter series: "Do as thou wilt".

From an article by Steve Emerson, February 8, 2011, "America and the Brotherhood": "Khalid Al-Mansour, a Black Muslim and Black Nationalist with direct ties to the Saudi Royal family and the Egyptian base of the Muslim Brotherhood used his influence, his money and his clout to get Obama in and through Harvard. You don't think they expect to be repaid handsomely for their services to his career! **...** The Brotherhood in Egypt makes no effort to disguise its position that America is its enemy (in addition to despotic rulers in Arab lands and Israel) or that it seeks the destruction of America as it is," Siegel writes. "In any other context, our leadership would have no difficulty in identifying the Brotherhood as our enemy… That won't be easy for an administration that has advocated outreach to Islamists as a centerpiece of its foreign policy."

From "Collapse of the Middle East" by James Simpson of The American Thinker, February 4, 2011: "We Are Witnessing the Collapse of the Middle East
**If Egypt should fall, it will mark the beginning of the end for what little remaining stability there is in the Middle East. Jordan is facing similar unrest, as are Algeria and Yemen. Lebanon and Tunisia fell in January. It is highly unlikely that these events are unrelated. A combination of leftist and Islamist forces provoked the protests, and we are likely looking at a ring of radical Islamic states rising up to surround Israel. Once their power is solidified, perhaps in a year or two, they will**

**combine forces to attack Israel…So whom does Obama support, Mubarak or his enemies? Obama wasted no time in telling us**. **He supports Mubarak's opponents, and he probably has been all along. The Los Angeles Times reported on Sunday that the Obama administration favors a role for the Muslim Brotherhood in a new Egyptian government. The Muslim Brotherhood, the oldest extremist Muslim organization, is behind practically every Muslim terrorist organization ever formed**. And while they may have publicly renounced violence as the LA Times article claims, internal documents tell a completely different story. And if that weren't bad enough, Obama's latest comment to Egypt's leader is that "an orderly transition ... must begin now." Must begin…*Now!*

Juxtapose Obama's statements toward our allies with his reaction to the genuine uprising that occurred last year in Iran. Tunisia: "Reform or be overthrown." Egypt: "an orderly transition ... must begin now." Iran: "It is not productive ... to be seen as meddling." Meanwhile, candidate Obama claimed that the terrorist groups Hamas and Hezb'allah have "legitimate claims," and we all remember his mindless counterterrorism czar, John Brennan, reaching out to "moderate" Hezb'allah members last spring. Hezb'allah moderates? The seeming inconsistency is astonishing. **Unfortunately, there is a consistency**. **Obama uniformly sides with our enemies but rarely, if ever, with our friends and allies. His administration is packed with far-left radicals and vicious anti-Semites**. And therein lies the rub, because what we are witnessing in reality is this president's un-American, anti-American, treasonous ideology in full play."

Today, Obama must be rejoicing with the Muslim Brotherhood worldwide! I ask: Who made Obama the dictator of the world? What right does he have to "order" Mubarak to leave office? **And yes, he ORDERED Mubarak to leave office**. What right does he have to tell Israel what to do? America pours billions of dollars into Israel, into Egypt, into Yemen, into other Arab nations, and then we call in the pay-back! We've poured millions into the Egyptian military. Isn't this the original Rothschild plan—loan or give money, then call in the favors?

**Who is orchestrating this and why?-- The one world government elite, manipulating the Arabs to riot against their leaders, and out of the chaos attack Israel and out of this bring World War III and takeover of all the world's people. That's it folks--the world elite are backing the chaos that will eventually turn the whole Arab world against Israel**.

In fact, all who have been at peace with Israel are being troubled. Egypt and Jordan had made peace treaties with Israel, and were maintaining peace. I lived with Arabs/Palestinians for eight years in Aqaba, Jordan. They're just people who want peace like all normal human beings. But, once stirred up with lies and deceit, many are manipulated to their own destruction. On the street, the Arabs know the truth--they know of the corruption of the terrorist leaders. I knew several Egyptians. I like them. They are a peace-loving people, as are the Palestinians, the Bedouin, and Arabs in general. But, like most easterners, they are a passionate people and easily manipulated to think wrong, and thus act wrong. My heart goes out to them. I cry for what is being done to them. Mostly, Arabs and Jews have always lived to themselves, or together, but peacefully, as with Ishmael and Isaac. The turmoil has to be started from the outside, from someone who wants to cause turmoil. This letter from a Christian Egyptian proves that!
Yes, Mubarak, like all Muslim dictators and kings, did all he could over the last 30 years to assure his own power and wealth. Arab leaders care little, if any, for the people. There is corruption from the government down. Most are in the pocket of the western governmental elite who send millions/billions of dollars into their countries for the people, yet they skim it off for themselves. All of America's billions poured into the PA, all the weapons too--as the Muslims in Aqaba related to us about the PA and Hamas, none of the money goes to the truly poor Palestinians. It goes into the bank accounts of the leaders of Hamas and Fatah. They all know that their leaders are corrupt, but as long as the peace continues, they put up with it. "Democracy" is a foreign concept to them.

The real story lies in the testimony of Rafik, written around February 1st [David Silver's website is carrying this letter]: "Dear friends: I am writing this to you as a witness of what is going on from the streets of Cairo over the last few days…What is happening now has nothing to do with the original protest! What is happening right now is **a conspiracy to topple Mubarak from <u>outside</u> the country!**…The news media is reporting this as `the people of Egypt' wanting Mubarak to leave immediately. Did they ask the `people of Egypt'? For one, they did not ask me! Where are those who, like myself, want change and reform, but accept the changes that Mubarak is proposing, and want a peaceful transition through elections in September? … We decided to take to the streets to voice our opinion…The small group had swelled to TENS OF THOUSANDS OF PEOPLE standing together with banners saying things like: `Yes to stability'; `Yes to Mubarak'; `Give change a chance'; `We are sorry, Mr. President'; `We accept dialogue'; `No to ElBaradei'; `No to the Muslim Brotherhood…'
By 2:00 PM, the crowd had grown to SEVERAL HUNDREDS OF THOUSANDS OF PEOPLE…We had a sense of unity and victory. We met with people who were in the original protest in Tahrir Square who decided to join us, saying `we got what

we asked for, and now we accept Mubarak's changes and proposals'…We learned that similar demonstrations were taking place ALL OVER THE COUNTRY…THIS IS THE CRY OF THE PEOPLE OF EGYPT THAT IS BEING TOTALLY IGNORED BY THE INTERNATIONAL NEWS MEDIA. Is this on purpose? I am perplexed! I am wondering: How come CNN, the BBC, and others are reporting only the anti-protests…? … **Only a few people (hundreds) are still there from the original protesters. They have been slowly replaced by other HIGHLY ORGANIZED GROUPS. They all have the same model of cell phones**. **They all have the same blankets (eye witnesses). THESE ARE NOT THE PEOPLE OF EGYPT**. Some witnesses say they don't look like Egyptian, and don't sound like Egyptians (different accent, different dialect). **THIS IS A BIG ORGANIZED COUP TO TRY TO CONVINCE THE WORLD THROUGH THE MEDIA THAT EGYPT WANTS MUBARAK TO GO, AND THE MEDIA IS PART OF THE DECEPTION**…If Egypt falls, then neighboring countries are gong to fall one after the other. **WE NEED PRAYER**. WE ASK FOR TRUTH. WE ASK FOR JUSTICE. And above all, Lord, in wrath REMEMBER MERCY…In Him, standing for God's purposes in Egypt. Rafik"
Will you pray for Rafik and those like him?

Pray for the precious Arab people, the Egyptians especially at this time--they are being used and abused. Israel raised the living standards of the Arab people in Gaza by 70%. They gave the Arabs good jobs in the greenhouses, etc.
When Hamas took over, these people went into deep poverty and the living standard went to rock bottom. This didn't make CNN either.
This unrest through all the nations that surround Israel is, of course, a manipulated happening clear and simple, controlled by the "powers that be" of the Luciferic Illuminati in order to bring about Part III of the Mazzini/Pike Plan—the goal being to cause so much chaos that the world will cry for a world ruler to take over. The anti-messiah waits in the wings…
Since his inauguration, Obama has put dedicated Muslims in key government positions, set up 20 "czars" who only report to him, and been very interactive with the Muslim world, even bowing to the King of Saudi Arabia, head of Wahabi Islam of which Obama was trained in his youth. He was in the office of then Prime Minister Ehud Olmert of Israel, before he was even nominated for President, demanding that he give away the Golan Heights to Syria. Now, it has come to light that he has very close connections to the oldest of the united Muslim terrorists groups--**The Muslim Brotherhood, home based in Egypt--the granddaddy of all terrorist groups!** But, looking at Daniel 11:39 in context, we see that he who is successful in pushing the dividing of the Land of Israel to Israel's enemies for his own gain is the coming "beast", anti-messiah, son of Lucifer, world ruler. What carefully!

From: "Obama Knows He Has Released Chaos in the Middle East", from The American Thinker site, by Victor Sharpe (a pro-Israel journalist)**.**
"Not content with creating havoc in the U.S. economy, setting Americans against each other, and forcing through a health reform act, which has nothing to do with health but everything to do with the redistribution of wealth and an immense increase in governmental interference, **our president has now opened a Pandora's Box in the Middle East. <u>It may well usher in a catastrophe not seen since World War 2.</u>**
**From his notorious Cairo speech to the present, President Obama speaks, and disaster follows**. **My fear is that Obama is not naïve at all, but he instead knows only too well what he is doing, for he is eagerly promoting Islamic power in the world while diminishing the West and Israel, however much innocent blood will flow as a result**.
**Inevitably, sooner or later, the Muslim Brotherhood will take power, usher in a barbaric Islamist power in Egypt that will control the Suez Canal**, and show no mercy to its own people or its perceived foes… **The Suez Canal is a major lifeline for the economies of Europe and the United States. It has been the source of political disruption in the past, as it may well be in the near future. And the Muslim Brotherhood may soon control it**…Israel was hard put to survive initially, but she gradually beat back the Arab threat. Sadat eventually decided that war was not an option for the time being and chose to make peace with Israel.
Israel vacated the entire Sinai desert (95% of the territories Israel conquered) and gave up the oil-producing facilities it had developed at Abu Rodeis -- all <u>in return</u> for a signed peace agreement with Egypt. Jordan eventually followed Egypt's decision, but both Arab nations maintained a frigid peace with the Jewish state.
Anwar Sadat was subsequently assassinated by members of the Muslim Brotherhood. His successor was Hosni Mubarak, who, for the last thirty years, has kept control over the seething Egyptian masses and the volatile Arab street. **Now his thirty-year rule has been fatally undermined by U.S. President, Barack Hussein Obama, in a betrayal that is as astonishing as it is deplorable**.
**It is clear to any child that a new Egyptian regime will, if not immediately, be hijacked by the Muslim Brotherhood, which is now calling for Egypt to prepare itself again for war with Israel and for the blockading of the Suez Canal to American, Western, and Israeli shipping**. **Obama is no fool; he engineered this**. So, thanks to President Obama, we are back to square one with an Islamic Egyptian regime poised to send Egypt's massively armed army back into Sinai and towards the Israeli border with the aim of exterminating the Jewish state. So much for "land for peace… **At the same time, the Muslim Brotherhood, now governing over**

**80 million Egyptians** and possessing a huge army would join a radicalized Yemen in blockading the Bab Al Mandeb straights at the foot of the Red Sea…and we may see the closure of the Gulf of Oman, with additional disruptions of oil shipments to the West. Under Obama's watch, the true democratic revolution against the mullahs in Iran was snuffed out because the American president refused to support the demonstrators in the streets of Tehran. In contrast, the same **Obama ordered Hosni Mubarak to leave office** and let the rioters in Cairo have "free" elections... The grotesque policies of Obama have caused Lebanon to fall under Islamic occupation, with the Iranian puppet, Hezb'allah, now controlling the Lebanese government. Jordan's kinglet, Abdullah, sits on a powder keg whereby his throne is under increasing pressure from violent members of the same Muslim Brotherhood… Let me close with the words of Michael D. Evans, New York Times best selling author of *Jimmy Carter: The Liberal Left and World Chaos*:

> It's no coincidence that Al Baradei showed up in Cairo only two days after the uprising began and was immediately named a negotiator by the Muslim Brotherhood. In fact, he had been waiting in the wings for quite a while…

Who is ElBaradei? From the article: "The Global Elites, The Muslim Brotherhood, Mohamed El Baradei, and Escalating the War on Terror": "Mohammed ElBaradei, the UN nuclear connection who was Director General of the International Atomic Energy Agency (IAEA), an inter-governmental organization under the auspices of the United Nations, from December 1997 to November 2009. [*He quit his position to return to Egypt for these demonstrations in Cairo*]. **The global elites are uniting the Islamic World under the rule of the Muslim Brotherhood, controlled by globalists. Nuclear expert Mohammed ElBaradei is one of the CFR global elites and is closely tied to the CFR controlled intelligence community. The CFR & Chatham House (RIIA) have been in contact with the Muslim Brotherhood for years.** Have CFR& Chatham House run CIA & MI5 operatives infiltrated and taken control the group? Will the uprising in Egypt shift power to an Islamist government much like the one in Iran, where ayatollah-led factions elbowed aside other groups to seize control of the country in 1979? On February 1st a leading member of the Muslim Brotherhood in Egypt told the Arabic-language Iranian news network Al-Alam that he would like to see the Egyptian people prepare for war against Israel. Does that sound like moderation to you?"

http://en.wikipedia.org/wiki/Mohamed_ElBaradei).

Watch ElBaradei – quite an impressive history in the US, belonging to Illuminati groups, leaving an impressive post with a subversive group to go to Egypt in January 2011. It is very possible that this "democracy" will elect him as their new President. The Muslim Brotherhood will enact shira law, as they did in Afghanistan and wish to in Iraq, and possibly close the Suez Canal and the straits at the bottom of the Red Sea, closing off commerce to Israel and the US. This thing will devastate the US economy! It will devastate world economy!

I closely followed Obama's trip to Egypt, and have the transcript of his speech. I saw the Egyptian reaction to it. Obama personally invited the Muslim Brotherhood to attend the speech. The Egyptians were so thrilled when he said his full name, "Barack Hussein Mohammed Obama" that they called him the new world Pharaoh. According to documented articles, this Kenyan born Muslim, is the insider caliph for the Muslim Brotherhood. But, as one writer said, it's all a ruse. He will smirk when the Nazi and Muslim worlds are wiped out, along with the Christian world. **He, like his fellow Luciferics, are manipulating the Arab people to bring about chaos, the destruction of Israel, and the new world order**. Don't walk away from this, learn all you can! **This, along with all the natural disasters to come, will bring us square into the 3½ years of tribulation just ahead!** America has sent two battle ships off the shore of Egypt, the Kearsarge and the Ponce. Watch as the dominos fall!

**"Elohim is our refuge and strength, a help in distress soon found. THEREFORE, WE DO NOT FEAR THOUGH THE EARTH REELS AND THE MOUNTAINS TOPPLE INTO THE MIDST OF THE SEAS. Let the waters rage and foam. Let mountains shake with its swelling. A river whose streams make glad the city of Elohim, the set-apart dwelling of the Most High—Elohim is in her midst, and she dos not topple. Elohim does help her when morning turns. THE GENTILES SHALL RAGE. REIGNS SHALL TOPPLE. He shall give forth His voice. The earth melts. Yahuweh of hosts is with us! The Elohim of Y'acob is our refuge! Come see the works of Yahuweh—the ruins He has wrought on the earth, causing all fighting to cease; unto the end of the earth He breaks the bow and shatters the spear. He burns the chariots with fire. BE STILL AND KNOW THAT I AM YAHUWEH. I AM EXALTED AMONG THE NATIONS! I AM EXALTED IN THE EARTH! YAHUWEH OF HOSTS IS WITH US! THE ELOHIM OF YA'COB IS OUR REFUGE!" (Psalm 46)**

**Democracy protests bring down Egypt's Mubarak**

*By PAUL SCHEMM and MAGGIE MICHAEL, Associated Press*

CAIRO – Fireworks burst over Tahrir Square and Egypt exploded with joy and tears of relief after **pro-democracy protesters brought down President Hosni Mubarak** with a momentous march on his palaces and state TV. Mubarak, who until the end seemed unable to grasp the depth of resentment over his three decades of authoritarian rule, finally resigned Friday and handed power to the military.

"The people ousted the regime," rang out chants from crowds of hundreds of thousands massed in Cairo's central Tahrir Square and outside Mubarak's main palace several miles away in a northern district of the capital. The crowds in Cairo, the Mediterranean city of Alexandria and other cities around the country erupted into a pandemonium of cheers and waving flags. They danced, hugged and raised their hands in prayer after Vice President Omar Suleiman made the announcement on national TV just after nightfall. Some fell to kiss the ground, and others chanted, "Goodbye, goodbye." "Finally we are free," said Safwan Abou Stat, a 60-year-old protester. "From now on anyone who is going to rule will know that these people are great."

Thousands from around the capital converged on the celebrating crowd in Tahrir, or Liberation, Square, the epicenter of the stunning protest movement that was started by a small core of secular, liberal youth activists on the Internet and **turned into the biggest popular uprising in the Arab world.**

**The United States at times seemed overwhelmed trying to keep up with the rapidly changing crisis, fumbling to juggle its advocacy of democracy and the right to protest, its loyalty to longtime ally Mubarak and its fears of Muslim fundamentalists gaining a foothold. Neighboring Israel watched with growing unease, worried that their 1979 peace treaty could be in danger. It quickly demanded on Friday that post-Mubarak Egypt continue to adhere to it.**

Mubarak, a former air force commander came to power after the 1981 assassination of his predecessor Anwar Sadat by Islamic radicals.

Throughout his rule, he showed a near obsession with stability, using rigged elections and a hated police force accused of widespread torture to ensure his control. He resisted calls for reform even as public bitterness grew over corruption, deteriorating infrastructure and rampant poverty in a country where 40 percent live below or near the poverty line.

Up to the last hours, Mubarak sought to cling to power, handing some of his authorities to Suleiman while keeping his title. But an explosion of protests Friday rejecting the move appeared to have pushed the military into forcing him out completely. Hundreds of thousands marched throughout the day in cities across the country as soldiers stood by, besieging his palaces in Cairo and Alexandria and the state TV building. A governor of a southern province was forced to flee to safety in the face of protests there.

Mubarak himself flew to his isolated palace in the Red Sea resort of Sharm el-Sheikh, 250 miles from the turmoil in Cairo.

**His fall came 32 years to the day after the collapse of the shah's government in Iran.**

**Vice President Suleiman — who appears to have lost his post as well in the military takeover** — appeared grim as he delivered the short announcement. "In these grave circumstances that the country is passing through, President Hosni Mubarak has decided to leave his position as president of the republic," he said." **He has mandated the Armed Forces Supreme Council to run the state**. God is our protector and succor.".

**Nobel Peace laureate Mohammed ElBaradei, whose young supporters were among the organizers of the protest movement, told The Associated Press, "This is the greatest day of my life." "The country has been liberated after decades of repression," he said adding that he expects a "beautiful" transition of power.**

**The country is now ruled by the Armed Forces Supreme Council, the military's top body consisting of its highest ranking generals and headed by Defense Minister Field Marshal Hussein Tanwawi**. Sally Toma, another of the organizers, said she did not expect the military would try to clear the square. "We still have to sit and talk. We have to hear the army first," she said.

Earlier in the day, the council vowed to guide the country to greater democracy. It said was committed "to shepherding the legitimate demands of the people and endeavoring to their implementation within a defined timetable until a peaceful transition to a democratic society aspired to by the people." [you believe that don't you? – haha]

**Mubarak exit sets off celebrations across Mideast**

Associated Press *By ZEINA KARAM February 11, 2011*

BEIRUT, Lebanon – **Revelers swept joyously into the streets across the Middle East on Friday** after Hosni Mubarak stepped down as Egypt's president. **From Beirut to Gaza**, tens of thousands handed out candy, set off fireworks and unleashed celebratory gunfire into the air.

Even in Israel, which had watched Egypt's 18-day uprising against Mubarak with some trepidation, a former Cabinet minister said Mubarak did the right thing. "The street won. There was nothing that could be done. It's good that he did what he did," former Defense Minister Binyamin Ben-Eliezer, who knew Mubarak well and spoke to him just a day earlier, told Israel TV's Channel 10.

**Despite the boisterous street scenes, governments in the region — from Israel to Tunisia, Jordan and Iraq — withheld comment hours after the dramatic announcement by Egyptian Vice President Omar Suleiman that Mubarak had stepped down.**

An Israeli official, speaking on condition of anonymity because of the sensitive nature of the issue, said that "we just hope that the transition will go as smoothly as possible." **The success of Egypt's protesters in ousting a longtime ruler came less than a month after a pro-democracy movement in Tunisia pushed dictator Zine El Abidine Ben Ali into exile in Saudi Arabia on Jan. 14.**

**The breakneck speed of developments, after decades of authoritarian rule in many Arab countries, left some of those celebrating Friday wondering where regime change might come next.**

"**We are very happy today that we were able to overcome the dictator Hosni Mubarak. Tomorrow will be the turn of the dictators in the entire Arab world," said Issam Allawi, an**

**Egyptian celebrating with dozens outside the Egyptian Embassy in Beirut**.

Two of Egypt's neighbors — Israel and the Palestinians — followed the historic moment particularly closely. **Israel's greatest concern in the past two weeks has been that its 1979 peace treaty with Egypt might not survive under a new government, particularly if Egypt's Muslim Brotherhood — the largest and most organized opposition group — gains influence. The Palestinian offshoot of the Brotherhood, the Islamic militant Hamas, seized control of the Gaza Strip, on Israel's doorstep, in 2007.**

**"If the radicals prevail (in Egypt) then we will have Hamas in Gaza, the Hezbollah in Lebanon and the Muslim Brotherhood in Egypt, which would be devastating not just for Israel but for the stability of the whole region," Israel's former U.N. representative, Dan Gillerman, told Fox News.**

**In Gaza, hopes were rising that a nearly four-year-old blockade of the Hamas-ruled territory might be coming to an end. Egypt had helped Israel enforce the blockade, which has kept some 1.5 million people confined to the tiny territory**.

Across Gaza, many thousands rushed into the streets late Friday. Gunmen fired in the air and women distributed candy. "God bless Egypt, it's a day of joy and God willing all corrupt leaders in the world will fall," said Radwa Abu Ali, 55, one of those handing out sweets.

**Hamas leaders called on the new Egypt to open the borders with Gaza. "Egypt wrote today a new chapter in the history of the Arab nations and I can see the blockade on Gaza shaking right now**," Gaza's Hamas prime minister, Ismail Haniyeh, told reporters. **Hamas security sent reinforcements to the Gaza-Egypt border to prevent any possible chaos there, including attempts to break through the blockade**.

**Many thousands also celebrated Friday in Jordan, Tunisia and Lebanon where fireworks lit up the skies.**

**In Tunisia, cries of joy and the thundering honking of horns greeted the announcement**. "God delivered our Egyptian brothers from this dictator," said Yacoub Youssef, one of those celebrating in the capital of Tunis.

**On Lebanon's Al-Manar TV, the station run by the Shiite Muslim Hezbollah faction, Egyptian anchor Amr Nassef, who was once imprisoned in Egypt for alleged ties to Islamists, cried on the air. "Allahu Akbar (God is great), the Pharaoh is dead**.

**In Jordan's capital of Amman, thousands gathered outside the Egyptian Embassy shouted "mabrouk, mabrouk," Arabic for "congratulations," as fireworks burst into the sky. The crowd included members of the 500,000-strong Egyptian expatriate community in Jordan. Some burned a portrait of Mubarak**.

**In Baghdad, lawmakers from all of Iraq's major political parties cheered Mubarak's resignation as a win for democracy — a system still in its infancy in that nation**.

"The resignation of Mubarak represents one of the marvelous days in history," said Sunni lawmaker Jamal al-Battekh, a member of the Iraqiya political alliance. "**No one can stand against the will of the nation or especially the will of the youth**, who have the ability to say no to the dictator of Egypt."
