# WORD FELLOWSHIP NEWS UPDATE

## "DRAWING FIRE!"

January through March, 2011, I wrote one update after another and one article after another explaining what was really happening "under the table", exposing the goals and plans of the world elite Illuminists for world takeover. I spelled out the three-part "Mazzini/Pike Plan" of 1871 in "Launching the Chaos" (February 2011). Two thirds of that plan has been carried out to a fine degree with Communism and Fascism--World War I and World War II. The last third is well into being implemented. [Refer to articles from "Unraveling", January 14, 2011 to "The Tumbling Snowball", February 18, 2011, and articles in between and progressively throughout 2011]

On December 31, 2010 thousands of blackbirds fell from the sky in Arkansas--"first-fruits" of a barrage of birds and fish dying all over the world in massive numbers. While empty explanations tried to explain what was happening, no one addressed the fact that only certain species in each country were targeted separately. I offered a reason why.

On December 31, 2011, while hardly anyone was paying attention, President Obama clarified, brought forward, and enacted a serious law that affects every American citizen.

From the Huffington Post, December 31, 2011: "Indefinite military detention of Americans became the law of the land Saturday, as President Barack Obama signed a defense bill that codified that authority… certain measures have not actually been tested all the way to the Supreme Court, including the possibility of detaining citizens in military custody without trial for as long as there is a war on terrorism…`President Obama's action today is a blight on his legacy because he will forever be known as the president who signed indefinite detention without charge or trial into law' said Anthony Romero, executive director of the American Civil Liberties Union..`The statue is particularly dangerous because it has no temporal or geographic limitations, and can be used by this and future Presidents to militarily detain people captured far from any battlefield'…`I have signed this bill despite having serious reservations with certain provisions that regulate the detention, interrogation and prosecution of suspected terrorists' Obama said in the signing statement…Presidents issue such statements when they feel a law conflicts with the executive's constitutional powers…the new law leaves the authority it grants open to interpretation…"

We are following the patterns of China, Russia, and other police states, and communist states, who arrest citizens or kill citizens who are "suspect" of being "against the state", a terrorist, or "cultist", even for things as small as

someone who disagrees with government policy yet is no threat to the government. Remember around 2008 or 2009 when the "polygamy cult" was uncovered in Texas and the people's children taken away from them by the state? I wrote about that in "The Compound and the Pope". The news kept focusing on how the women and girls were dressed--they were dressed simply, like a lot of Messianic ladies dress, and dress their girls – modestly! This law that Obama signed will be used on anyone who obeys the Word of Yahuweh, who uses His Name, stands for His truth, teaches their children the Word, disciplines their children righteously, dresses modestly, obeys Him, and worships Him. [Refer to: "Hated For My Name's Sake"]
His Name is outlawed by the Catholic Church, and the Bible is internationally noted as a "hate crime" book for its intolerance to groups like homosexuals. Truly, as Jan Markell of Olive Tree Ministries stated in her November-December 2011 newsletter Understanding the Times: "Remember, truth is the new hate speech".
We are in the time just before Messiah's return. In context of **Isaiah 59:14** it states: "Right ruling is driven back and righteousness stands afar off, for truth has fallen in the street and right is unable to enter."
**Amos 5:10** says of our day: "They hated the one who reproves in the gate. They despise the one who speaks the truth".

In early 2011, stable governments were purposely derailed, and countries torn apart, in a supposed democratic movement, which has left Egypt and other nations at the mercy of terrorist groups taking over – democratically (?). As I revealed, the demonstrators in Egypt were not, for the most part, citizens of Egypt. Most were people brought in from outside Egypt.
Just like Afghanistan, and most likely Iraq in the near future, these nations have been freed to have democratic elections in which they will vote for severe Islamic Sharia law and religious dictators, terrorist leaders. It has happened in Egypt already. The Muslim Brotherhood, father of Hamas, has been elected "democratically" (?).
As you will read in "Launching the Chaos" these nations are being taken down purposely so that chaos can be created throughout the Middle East – nations surrounding Israel. The final Part III of the Mazzini/Pike Plan is to start World War III by pitting Jews and Arabs together, to bring enough chaos to bring in the order – the new world order. The Illuminati's motto is: "Out of chaos, order".
So, the whole region was purposely destabilized, like the coup that replaced the Lebanese government with Hezbollah. The old dictators like Mubarak kept peace with Israel. They had no reason to attack Israel, same with Kaddafi.

As I wrote in "NAFTA" relating **Daniel 7** to today: The Trilateral Commission, the three nations of the world that govern world economy, have to be brought down in order for the whole economic system to collapse. When the big three collapse, the world's economy will collapse. That was what the destruction in **Japan** was all about. Now **the EU** and its euro are collapsing and **the US** dollar – the Trilateral.

I have an article I took from the UK Daily Mail, December 17, 2011, by Tom Rawstorne, that shows people stocking up on food and water in England. Freeze dried food companies selling food to them are saying that it is mostly the upper class, the professionals, that are buying "food insurance".

But, I talked to people in Wales also, and they know that the EU and its euro are coming down, thus, so will the English pound. There is fear spreading across the UK and Europe because of all the destabilizing economically and politically.

Rising to the occasion is the Vatican, who in October 2011 issued a new encyclical calling for a world central bank, and a "global authority" to take control of the world politically. This is building on the encyclical that Pope Benedict gave to President Obama in the Vatican on July 10, 2009, outlining a one-world global government under one leader.

The office of the pope is the oldest monarchy in existence, second is the English monarchy. Rome never died, as historians know. The power of the emperor simply moved into the Roman Catholic Church, where the pope was worshipped as "God" on earth. Constantine, the creator of the Roman Catholic version of Greek Christianity was not only the Caesar – Emperor, but also dubbed himself the Pontifex Maximus – the supreme ruler of the church.

Now, the power of the Vatican is rising to new heights. It is the epitome of the "revived Roman empire", the 7$^{th}$ Beast of Revelation 17, and the fourth of Daniel 7. It has fooled a lot of people with its religious façade, but from its inception its purpose was to unite the Roman Empire under Emperor Constantine. It has the power to rule the world.

The Vatican can tell any and all world leaders what to do. It is a country. It has a seat in the United Nations' General Assembly. The proclamation of the "Sunday Laws" in 2000 shows its power to make laws for all nations.

The Jesuit Order (the Society of Jesus) was created as a "hit man" group for the pope. They have become the rulers of the Vatican. For centuries they have started wars, and ended wars. They have spilled the blood of more set-apart ones in the last 1700 years that all those who have died in all wars, including world wars.

"The whore rides the Beast". The Roman Catholic Church rides the economic

and political systems of the world for advantage, yet the whore who rides the Beast has the reigns, and directs the Beast as she wills. The woman of **Revelation 17 and Zechariah 5:5-11** is rising, and she is riding the political and economic world systems to power. Listen for her voice as it will rise higher and higher on the world scene.

Abba has me in research mode now. For about a month now, He has had me re-studying the Roman Church to the tip of its roots. Now, all of the most powerful world religious leaders have submitted to the Pope, including the leaders of evangelical and charismatic Christianity in the West. The classic book, The Two Babylons by Rev. Alexander Hyslop (around 1854) exposed this whore very, very well.

I began doing research into this subject around 2001. The whore, "Mystery Babylon" came from Nimrod's trinity – the sun god, the Queen of Heaven, and baby Tammuz, the son of god. Nimrod built Babylon. This religion moved to Pergamum, where the seat (altar) of Satan was (**Revelation 2:12-16**) until it was moved to Berlin, Germany, then to Rome, then to western Europe, then to America where the Vatican has ruled since its early inception as a nation. In 2002, I wrote a very documented study: "The Foundation of Deception" on my findings.

"She" is also tagged in **Zechariah 5:5-11**. She is returning to her base in Shinar (the region in which ancient Babylon stood).

The Vatican has come public with a ban on using Abba's Name. They are also leaders in searching for extraterrestrials, whom they say are Christians and friends of the pope. I do agree--those little green-gray guys are friends of the pope, and work through institutional Christianity! (**II Corinthians 11:13-15**) [Refer to: "The Vatican and Extraterrestrials" and "Hated For My Name's Sake") Abba spoke to me: "Christianity is the mask of Satan". I thought that a revolutionary statement, but it has been in the Word all along. It was the masked counterfeit that the Apostles fought in its early inception with the Greek Gnostic version.

I'm sure you are aware that the U.S. in the Persian Gulf is provoking war, under the guise of "helping". The U.S. is purposely "drawing fire" so that Israel will be attacked. This is the main reason why Abba has to destroy America to the ground with no remnant left. But, this plan of "drawing fire" is not limited to Israel. The plan extends to "drawing fire" to America. That is the plan: Set up America for attack, draw fire to America, and then allow it to be totally destroyed--like Nero, who played the violin while Rome burned with the fire that he started – then he blamed it on the Messianic believers who were horribly persecuted and killed.

The Muslims have been chanting this for a very long time: "Saturday first and then Sunday". As I have said many times, and as it has come out publicly, even on America's History Channel, America since its inception was set up with a "destiny" by the European secret societies to bring in a world government. Now the Beast is almost ready for his appearance.
It seems that most who have been warning-watchmen to America are now warning from another country. People like me have tried to wake up His people in America for a long time, to listen to what He says in His Word about fleeing out of it, preparing, hearing from Him, etc. But, most people are so scared, or so involved in "ladder climbing" for their own agendas and goals that they don't want to hear truth.
I understand the fear programming, the insecurity, the mind-set of my fellow-countrymen, the whiny pathetic mentality of a toddler. For most of my life I thought I was trapped in my prison house-situation, which I allowed for the sake of "security". Abba sent me help over and over, which I rejected out of fear and insecurity. So, I know, and I can tell you emphatically, NO ONE trapped, not really, only in their mind and emotions! Abba does not allow His true servants to be trapped! His true servants live out of their re-born spirit, not their earth-bound fleshly "soul" – mind, reasoning, emotions, feelings, that are dependent on the five senses.
Very few churches and Messianic congregations are teaching on the return of Messiah. Most people have not gotten a clue as to what is really going on, nor do most care. I've heard people say they don't want Messiah to come back yet—they haven't lived out their life the way they want to.
Most do not take the time to study the Word with the Spirit to teach them, so they go to some prophecy big-mouth who spouts his theology from their head, which is usually spurious, leaving them in fear with no answers, while he rakes in hundreds of thousands of dollars selling his deceptions.
The concepts of discipleship, of being a bond slave of a Master, of being in a covenant with Yahuweh, are so foreign that most live out of their head-reasoning and emotions all of their life, when they could be touching the eternal realm and learning from the Creator. It is a horrible tragedy!
In the days to come only those who now know how to depend on Him for everything will survive, because they know Him. Personal relationship with our loving Abba will be all that gets us through. The ones who have followed the Lamb for years are now doing exploits, but not in America. They are out doing His work in the world. A few truth-telling ministries are left in the US, and I appreciate them. And, most know the risks they are taking in staying.

**Truth demands change, but 95% of people don't want to change. Once truth is revealed, if rejected, it becomes the enemy of those that reject it, and it turns on them in judgment. We will be judged by**

**His Truth. It will either be our condemnation or our justifier.** Rejecting truth, or denying it, twisting it, or making excuses for not obeying it, is the cause that brings on the effect of **II Thessalonians 2:8-12**.

**Luke 17:26** "And as it came to be in the days of Noah, so also shall it be in the days of the Son of man." The only difference in Noah's day and our day is that in Noah's day Nephillim had taken over the earth totally with unparalleled violence, and all mankind's DNA had some taint of them in it, except Noah and his family. In our day, the manifestation of the return of the Nephillim is imminent. But, already violence is taking over the earth. Cloned bodies are being made for the returning Nephilim by the tens of thousands. DNA manipulation is being carried on by the Pentagon, and in great underground cities, and around the world in strategic places. They are creating "super soldiers" – a mix of white tiger or wolf DNA with human DNA. These super soldiers will be unleashed on the citizens of America, as well as foreign troops.
It is a hot study in major colleges – "Trans-humanism", or "Transgenics". The plan is for a post-human generation. [Refer to: "Eugenics: The Planned End of Mankind"] The goal, propagated by the world's top "think tanks" is to eliminate all of mankind except perhaps 500,000 to use as slaves, but then, intellectuals and chief scientists are now saying that it would be best to eliminate all of mankind and start over with a quantum leap in evolution to the state of the gods. The plan worldwide, from the elite to the Indians of Central and South America, is to call for the return of the "sky gods" – the fallen ones of Lucifer. [Refer to the article: "The Time of the Quickening". December 31, 2009]

In October I wrote about Qom, Iran, and other Iran topics that filled The Jerusalem Post for weeks. It is still the major topic.
The rhetoric between Israel and Syria is leading to **Isaiah 17:1**, and the ensuing repercussions of it.
But, when Israel is in its greatest need of support, America and all of the western allies will back off and leave Israel to face the **Ezekiel 38** line up alone, so their only help becomes Yahuweh. Read slowly: **Ezekiel 38-39**. [Refer to the study: "Ezekiel 38 and 39"] This attack is being set up now. What those who sit smugly in their cushy houses now do not realize is that the backlash of it will be the destruction of America – leaving "no remnant". From Prophecy in the News, November 2011, Gary Spearman: "Currently, Syria's despotic President, Bashar Assad, has adopted a siege mentality and threatens to hurl rockets in every direction. But, he has specifically named Tel Aviv as his prime target. Today the Middle East has left the field of peace

talk. War talk has broken forth!...Both NATO forces and Turkey, on Syria's northern border, have threatened to force his hand..in particular. Turkey has become increasingly warlike since its parliament fell to radical Islamic factions...According to Western intelligence sources, Syria, Iran, and Hezbollah, have charted a coordinated military operation for flattening metropolitan Tel Aviv…Israel reacted with a warning of its own: `If a single Syrian missile explodes in Tel Aviv, Damascus will be the first to pay the price'…Increasing radicalization is seen in Iran, Iraq, Turkey, Lebanon and Syria. Hizbollah in Lebanon boasts a rocket inventory exceeding 40 to 50 thousand individual missiles of different designs. Some of them can, indeed, reach Tel Aviv with explosives, as well as chemical and biological devices. But, the war talk has reached a peak in the words of Turkey's Prime Minister, Recep Tayyip Erdogan. Rising to power in conjunction with Turkey's radicalized parliament, Erdogan has committed what Jewish writer Shmuley Boteach calls `Erdogan's blood libel against the Jewish state' ".
Most Israelis understand that they are being targeted. They understand the implications of a nuclear Iran. Israel is not hiding it from their citizens—the civilian death toll in the next war will be great. They are also not hiding it from Israelis that only about 50% of the citizens will have gas masks.
But, the American people are like "sitting ducks". They are not being told anything, unless they research on their own. Do honest research! Research for Truth. Don't try to find some article from someone who backs your reasoning. Learn from the Spirit; be led by the Spirit of Yahuweh!

**Jeremiah 51:6**: "Flee from the midst of Babel and let each one save his life! Do not be cut off in her crookedness, for this is the time of the vengeance of Yahuweh, the recompense He is repaying her". Yahuweh never told His people to flee out of ancient Babylon. They prospered there, and also under the Medes and Persians who captured Babylon without anyone being killed except King Belshatstsar. (**Daniel 5:23-31**)
But, in prophecies for end-time Babylon, (**Jeremiah 51:11; Isaiah 13:17-22**) Yahuweh stirs up the "spirit of the Medes". Today, the spirit of the Medes is being stirred. Look at a map of the land area of the ancient Medes. **Jeremiah 50-51; Isaiah 10, 13, 24, 47**, with **Revelation 18**, and **Ezekiel 27-28**, and other Scriptures – all point to a nation of our day that is the world's super power—"the world's policeman". Look at the wording closely. [For more information go through the study: "End Time Babylon"]
So, what are you going to do about it in your own life? Truth demands change, and if truth is not acted on it becomes our enemy, and it turns on

us in judgment!
**Jeremiah 51:7**: "Babel was a golden cup in the hand of Yahuweh, making drunk all the earth. The nations drank her wine. That is why the nations went mad!"
**Revelation 17:4-5**: "And the woman was dressed in purple and scarlet, and adorned with gold and precious stones and pearls, holding in her hand a golden cup filled with abominations and the filthiness of her whoring, and upon her forehead a name written, a mystery: `BABEL. THE GREAT, THE MOTHER OF THE WHORES AND OF THE ABOMINATONS OF THE EARTH'. And I saw the woman drunk with the blood of the set-apart ones and with the blood of the witnesses of Yahushua…"
The statue of the goddess who stands for the Roman Catholic Church and its "faith" is called Fides. She holds the golden cup in her hand. The woman of the Masonic Statue of Liberty, in its original form, held a Roman goblet – but it was made to look like a torch later on. Still what she holds is the form of a Roman goblet. She is the symbol of the golden cup held by America.
Like I said, after all the years of researching this "whore" and seeing her everywhere in every church and in every Messianic assembly, He is immersing me into more study about her, for she is rising over the earth to control the entire earth. Rome, "the second Babylon", as "St" Augustine stated, and other historians, and America, the final Babylon, join together to make the eighth Beast of Revelation 17.
I wrote an article entitled "Nebuchadnezzar", which included a study of Revelation 17. As I wrote it, I came to verse 11 and stopped. I had kept up with the wording up until then, but verse 11 threw me. So, I closed my Bible and told Abba that I would not send out the article until He told me who the eighth beast was. I went to sleep. The next morning, I sat straight up in bed, grabbed my Bible, turned to Revelation 17, looked at that verse again, and He gave me the interpretation. I closed the Bible, and He said: "Now you can send it". The joining of end-time Babylon with the whore of Rome is the eight Beast!
I have written about the ten horns since 2005 in several articles--the ten toes, or the ten kings. These ten are the ten economic regions of the earth. They will be ruled over by ten rulers/kings. The United Nations has called these ten regions "the ten kingdoms". Each "king" will be a mixture of fallen angel and human – in other words, Nephilim. They work with humans in their rule. Thus we have the "they" of **Daniel 2:42-43**. This is why their kingdoms are partly iron (Nephillim) and partly clay (human).
Finally they get tired of the whore riding them, and finally they destroy her. **Revelation 17:14** says that they go out to fight the Lamb, and the Lamb

overcomes them. **Revelation 17:16** says they burn the great whore with fire. The Vatican Luciferic leadership under the Jesuits (The Society of Jesus) knows that the Vatican will be burned to the ground.

Let us never forget the **victory proclamation** of **Daniel 2:44**: "**And in the days of these kings the Elah of the heavens shall set up a reign which shall never be destroyed, nor the reign pass on to other people--it crushes and puts to an end all other reigns, and it shall stand forever**!"

I guess you know by now that Comet Elenin was a hoax. Be sure to re-read the article "False Flags". There will be many false flags to confuse people, to discourage people, to make people give up. The hierarchy of Lucifer on earth have been testing human beings, and will continue to test the world's people to see their fear level. This comet hoax caused a huge fear level worldwide. I wrote in my update "Planet X" to be skeptical of these fear tactics. [Also refer to: "Fear Tactics" and "Quiet Wars and Silent Weapons"] Learn how you're mind is being messed with, besides with "chem. trails", HAARP, water, food, air, DNA altering clothing, pulse waves, and "sound of silence" waves, coming off the T.V., and the plans of Project Blue Beam.
This is no time to fear or be a coward. It is no time to hunker down and do nothing. This is the time when the remnant of His true set-apart ones are doing exploits, acting on His Word, fearlessly going forth with His Good News to the lost, and warning people of what is to come. This remnant has prepared! They are disciplined and submitted to His Word, His nature, His ways, and His thinking, as good servants. People are not hearing Him clearly because they are not servants – they put other things above submission to His will. Most toddler-minds want to be entertained, not disciplined!

January 6, 2009, Henry Kissinger was interviewed by reporters. WND's Drew Zahn wrote: "Kissinger says Obama to usher in `New World Order' ", quoting the Jamestown Forum: "Conflicts across the globe and an international respect for Barack Obama have created the perfect setting for establishment of a new world order…The President elect is coming into office at a moment when there is upheaval in many parts of the world simultaneously…But, he can give new impetus to American foreign policy partly because the reception of him is so extraordinary around the world. His task will be to develop an overall strategy for America in this period when, really, a new world order can be created. It's a great opportunity, it isn't just a crisis."

I would not be a thorough reporter if I did not include the Occupy Wall Street phenomenon in this update. Quoting Gary Spearman of Prophecy in the News, November 2011 edition, "A wise man once said `Socialism is nothing in the world but institutionalized envy' " … quoting Olof Palme, former Prime Minister of Sweden who witnessed his country become entrenched in socialism at every level. Gary pointed out **Mark 15:10**: "For He knew that the chief priests had delivered Him for envy".

Why, everywhere the Jewish people settle are they eventually trust out, or killed? It is because wherever they go they succeed. They succeed so much that they are a threat to the evil powers that want to conquer and control the people of those nations. They did so well in Spain that the Vatican had to instigate the Inquisition to kill them off, or drive them out.

The Occupy Wall Street movement, which appeared out of no-where, is blatantly anti-Semitic. Gary goes on to say: "It was only a matter of time before activists involved in the `Occupy Wall Street' economic demonstrations began to blame `the Jews' for America's financial woes…one such activist holding up a sign that read `Hitler's Bankers – Wall Street' shouted 'The Jews control Wall Street' ".

Jan Markell says in her November-December 2011 Understanding the Times newsletter: "Occupy Wall Street is nothing to ignore…Don't dismiss it as a silly circus of unwashed graduate students or fossilized 1960s nostalgists…If they could govern for a month, we would have the ideal leftist agenda of Marxism, blatant Socialism, and one-worldism…Occupy Wall Street protesters are literally boasting of their Nazi, Socialist, and Marxist credentials…The demonstrations are raging in two-dozen cities around the world and spreading. It is recklessness and lawlessness personified. Its ultimate goal is to overwhelm the system, as Cloward and Piven wrote in the 1960s, and to collapse the capitalist style of America. They are dreaming of a new world order based on globalism and share-the-wealth principles".

In other words the lazy poor, the leeches of society, want to take for themselves what others have worked for all their lives. It is no more than legalized theft.

The Drudge Report showed that many of the demonstrators were Obama supporters, hoping to help him with his upcoming election. I'm sure Obama will use it to his advantage. Clearly Obama is the instigator of the chaos in the Middle East that will lead to the "new world order", most likely hoping he will be the ruler of it all when the smoke clears. He's sure got a good start! He rules the world now.

Jan goes on to say: "Russia once again under the absolute control of

Vladimir Putin, a Mexico free-falling civil war with narcotic traffickers and their Hezbollah allies on our southern border, and you get a world that is fraught with peril…"
As I've been saying over and over, it is a fact that Russia and China have been doing military maneuvers on the Texas border for many years. The US is about ready to open that borders, and then what will come in? For a very long time, there has been a UN buffer zone 30 miles on either side of the border from California through Texas. I know, I was stopped in that zone by a foreign sounding UN soldier while I was going from El Paso towards Fort Worth, who asked me if I was a US citizen and where I was going.
More and more wilderness land in the US is being given to the United Nations. Our national parks are now "international biospheres". Federal policing of certain states is now in force. More and more states' land is being taken over for government purposes.

The US is being purposely flooded with Muslim's with a heinous agenda, being brought in from Gaza and other places. The "spirit of the Medes" is on our soil NOW.
So, very soon, your lifestyle you've created and are terrified of letting go of, will be incinerated. Famine worldwide is being methodically prepared. Martial laws are on the books in America and at any time, without warning, the America people can be arrested, detained, tortured, shot and killed, and the scenario of **Jeremiah 50-51** carried out. America has set Israel up for destruction.
Abba says He will only fight for one Land, and one City on earth – His Land and His City, Jerusalem. He has a holding tank in the nation of Jordan, which will also be used by the world's elite at some point. (**Revelation 6:12-17**) as well as for His people [Refer to: Edom, Petra, and the Re-gathering…"/January 2008 edited] Go through the Scripture lists: "All Flesh" and "No Flesh Saved But A Remnant". Look at what the Word says about nuclear war in our day.
Are you ready to face the Master in victory? Make radical lifestyle changes! Faith and fear will not mix – they are opposites. "Choose this day whom you will serve!" Choose this day whom you will fear! "The fear of Yahuweh is the beginning of wisdom!" I pray that you are wise!
Shalom,
Yedidah
