# CLOSING IN TO BREAK THE COVENANT! URGENTLY!

In this article you will be faced with what the world is calling "urgent". If Abba's warnings in this article do change your life, not much will. I write prophetically, showing you the incredible seriousness of prophetic events that are unfolding all too rapidly.

The Covenant of Yahuweh to His people is given in **Genesis 12:1-2; 13:14-17; *15:4-21; 17:1-21**. The word "Covenant", in Hebrew, means: "**to cut the flesh and pass between the pieces**". **Genesis 15:9-21** marks the cutting of the Covenant between Yahuweh and His people, giving the land boundaries to Avraham and his descendants—forever. The Covenant is renewed with Yitzak and Ya'cob – **Genesis 26:2, 24; Genesis 28:12-19; 32:24-30**. In **Genesis 17:10-14** is given the eternal covenant of circumcision for all males. The renewed Covenant was sealed in the blood of Yahushua Messiah.
In **Daniel 11:30, 32** speaking of the "Beast" profaning of the Covenant, the word used means to cut flesh and pass through the pieces. Thus, it is talking about the profaning of the Covenant that Yahuweh made with Avraham, Yitzak, and Ya'cob. The attack of the world's elite right now, led by the world ruler soon to be empowered by his father Lucifer/Satan, is on the Covenant of Yahuweh, and against His people and His land! **Zechariah 12:2-3** is in play. Jerusalem is His City – the place He says is His rest forever. (**Psalm 132:12-13**) This is why in His rebuke of Satan in **Zechariah 3:2**, He emphasizes that Jerusalem is His city. The attack is centered on Jerusalem. [Refer to: "East Jerusalem" for understanding]

The gauntlet has been thrown before Yahuweh. The world's elite, and the united power nations, have gathered together and chosen a leader. They are giving their authority to this leader to force the dividing of Yahuweh's land and the expulsion of His people from the ancient dwelling places that He has restored to them, all in the name of "peace". This is the greatest blasphemy and rebellion of Lucifer (Satan, "the old Dragon", Devil) since he first rebelled millenniums ago, and took many of Yahuweh's angels with him. The "Dragon" himself is soon to be thrown out of his temporary dwelling place

among the stars and planets onto the earth, to empower his son with his authority over the earth's people. Apollyon is rising!
Lucifer (Helel) will go after the set-apart ones of Yahuweh first, to destroy them. But, a very tiny remnant will remain because they are blameless and sealed, prepared and trained, servants of Yahuweh.
The goal of Lucifer and his agents is to break the covenant that Yahuweh made with Avraham, Yitzak and Ya'cob and the descendants of Ya'cob, by forcing them off of the land that He gave them, in order to give His land and His ancient city of Zion to His enemies. These enemies are the puppets of Lucifer, whom he will destroy in the end. This is the great rebellion of Lucifer. Yahuweh will allow it for a short 3 ½ years, but then He will send His Son in His power and authority to reclaim the earth, His land, and His people. (**Revelation 11:15-18**)
Yes, this story reads like a fairy tale, but it is absolutely true, and it is unfolding at a rapid speed as I write. I have taught the end times for 45 years, but now I get chills as I read what is happening. I know the Word well--it is my passion, my life, my strength, and my way of understanding my Master's nature and ways. I am taught by Yahuweh's Spirit. Most of man's thinking is not only boring, but disgusting in many ways. I have no time for opinions of man-taught men. I want only to know His opinion. He is showing me things to come, as He said He would (**John 16:13**). But, you have that privilege if you'll get alone with Him and let Him do the teaching.
I have been in Israel for 2½ months, and then in England, Wales, and Scotland, and its outer islands, and on through Iceland. My assignment was to open portals for the entrance of Yahuweh into the earth so that He might fulfill His plans for His people – the great plan of restoration of a remnant of the House of Israel (Ephraim) with the House of Judah – making them one nation in His hand once again (**Ezekiel 37:15-28**). True intercession is to get His will from Him alone, and to proclaim it into the earth on site. This is truly "standing in the gap". I am called to proclaim His Name, to proclaim His victory, and to call for Ephraim to repent and return. In preparation for this, I had to do much repenting for the sins of Jeroboam and of the House of Israel, which caused our dispersion from the Land so long ago. Now, Ephraim's punishment is over (September 12, 2007), and a remnant can return if they repent and renounce the sins of their forefathers. However, as the Prophets say, the remnant will be tiny – "one from a city, two from a clan", "one here, one there".
I stay "on assignment". Refer to the article by that name, and "Forward March". Yahuweh's reality cuts against the illusions of the soft and weak western culture of Greece and Rome. Read the

Prophets! – For in them you come to understand the real nature and ways of Yahuweh, what is, and what is to come. Biblical prophecy is on two levels—prophecy during their day, and prophecy for now. The text gives the distinction. Almost all Biblical prophecy is about now and forward.

Amidst all of the plans of the enemy, Yahuweh's plans are being carried out by a small remnant of "exploit people" – people who are strong in faith, who know their Elohim, and are acting on what He has said. (**Daniel 11:32**) At the same time, the eternal Covenant that Yahuweh made with Avraham, Yitzak, and Ya'cob is being attacked viciously, to try to destroy what Yahuweh has spoken.

Yahuweh is bringing the beginning of the great revival of Judah now, as His Spirit is moving over the hearts of Jewish people in Israel to bring them to a knowledge of their Messiah and Savior, Yahushua, Son of Yahuweh. No man can bring revival. It cannot be organized by man. Only the Spirit of Yahuweh can bring it as He wills. True revival comes in "seasons". People are still being born of the Spirit in the western world--one here, one there, but the time of revival that changes whole nations is over, except for the nation of Israel. We're at the end of the age and the era. We're fast moving towards the return of Yahushua. The dry bones are coming to life, and a small, but powerful little remnant of the whole House of Ya'cob will soon be united to stand against the enemy. The conclusion of this great revival will be when Messiah descends, and they "look on Him whom they have pierced" and mourn, and receive their Savior-Redeemer. (**Zechariah 12**) But, now a small remnant in many parts of Israel are beginning to receive Him because they are searching the Word for themselves, seeking Him with all their heart. He said, "And you shall seek Me, and find Me, when you search for me with all your heart". They're doing that now. (**Jeremiah 29:3**)

This time of great restoration is also the time of great apostasy. Many who have said they believed in the Son for salvation are now denying Messiah ben Yosef – the "suffering servant" of **Isaiah 53**. They are rejecting their blood covering and damning themselves for eternity. It is because they never knew Yahuweh, or Yahushua, for themselves. Just recently David Hathaway, a well-known evangelist from England, had meetings in Tel Aviv for Holocaust survivors and other Jews with them, and around 500 of them came weeping and repenting to receive Yeshua (salvation) by faith. He presented the Redeemer of Israel to them, and He saved them and gave them eternal life. There are reports of revival among Jewish youth in Nazareth and Poriyya (near Tiberias) who are seeking Him with fasting and prayer, and finding the

real Messiah. There are reports of Orthodox Jews in Jerusalem, even rabbis, who are seeking Him from the book of Daniel – the One that came 483 years after the signing of the decree for the Jews to return to their homeland from Babylon (**Daniel 9:24-27**), and finding Yahushua, Son of Yahuweh as their Savior. This is not Christianity being spread in Israel, but true seeking and finding of the real Jewish Messiah Savior. "…But, where sin did abound, grace did much more abound" (KJV/**Romans 5:20b**) Yahuweh never ceases to work in the hearts of those who are humble and contrite, and who submit themselves to His Word to obey it. (**Isaiah 66:1-2**)

Below I give recent shocking news that shows how the plans of the Illuminati elite are coming together, fulfilling so much prophecy so quickly, that anyone who continues to live life as usual is a blatant fool. Death is coming to near 99% of the earth's people, and few are doing anything to prepare themselves. Some are listening to man and doing silly things, without logic or reason. We are entering the time of the wrath of Satan using the wrath of man. But, it will conclude with the wrath of Yahuweh. We had better live in the "fear of Yahuweh" and fear displeasing Him, if we have any mental sense at all.

What is coming upon the earth will hit suddenly without warning – the total destruction of whole nations is at hand. The greatest judgment written of in the entire Word is the total annihilation of the post-1948 nation—"end-time Babylon"--America. Refer to that study, going through the Scriptures and letting the Spirit teach you.

The Jews in ancient Babylon were offered a chance to return to Jerusalem under the Persian King Koresh and afterwards, but most didn't want to--life was too cozy in Babylon. Never did Yahuweh say to flee from ancient Babylon. But, He says over and over to flee from end-time Babylon--a specific nation, political system, and religion. Today, you cannot move to Israel unless you have papers proving your Jewish heritage. Then you can enroll to make "aliyah". He says to "flee" to historically and specifically America, but does not say where to go. There is a definite place that the UN has set up for refugees, which the Scripture says is the only place that the evil one won't touch—Edom (the "Petra" area of Jordan). I lived there eight years and saw the detailed preparations of that region for refugees. It was declared (2002), to be the only world refugee area for disaster and famine relief.

But, the dulled human mind programmed in Illuminist thinking, makes excuses for not obeying Him. Most do not know Him enough to even believe what He says is for them, for one can only know Him by personally interacting with Him as Master outside of a comfort zone.

I write by Yahuweh's leading only. I primarily address "the multitudes" of His people. So many think they're full of faith until reality sets in and then almost all fall part. I can only speak openly to those who know Him well enough to have "forsaken all to be His disciple". (**Luke 14:25-33**) They are scattered throughout the world in small numbers. The **Acts 1:8-**pattern is for every one born of the Spirit. He speaks clearly to His faithful obedient servants that He can trust to do His will without excuse and balking. We are in the final days of reaching the lost with the Good News of salvation. What are you doing to be a part of what Yahuweh is doing in the earth?

He is leading His servants to what I call "half-way houses"--places outside America where one can get the mind programming out, and His thinking in. Just as the sons of Ya'cob had forty years in the wilderness between Egypt and His land, so there must be a wilderness in between leaving America and entering Israel to live the coming of Messiah. Some are waiting in America for Him to transport them to live in Israel. This is Walt Disney fantasyland. This cowardly thinking is against the Scriptures and the nature of Yahuweh.

Yes, you can go in and out of Israel every three months for a while now, until immigration tells you to stop it. But, war is coming soon to Israel, to purge His people there. Yet, He wants to get His people still in the Diaspora of the nations away from the mind programming of the evil one, so that He might re-program our minds in Truth.

Some think He speaks by circumstances, so because their house hasn't sold, they think He wants them to stay put. How ridiculous! Your pile of bricks, wood, and sheet rock will be destroyed along with everything and everyone very soon.

Yahuweh is a Person. He has a voice, and speaks in at least 40 ways that I've listed from the Word. He has no problem with speaking. But, most people have "selective hearing" – they only hear what they want to hear, thus if He says something that goes against their self-protecting mind-set, they make excuses for not obeying. These people will die along with all the rest. Few even read the Word, so they have no concept of even who He is, or how He thinks, or how He acts. They have a made-up image of "God" in their mind. You can only know Him by stepping out by faith (never in fear) to obey Him in all things.

Two examples: There is a Messianic congregation that is in process of moving to Central America. They did their homework--went there and found where Yahuweh wanted them to stay. The forerunners are already working with the poor, the widows, the orphans, spreading the Good News of salvation and teaching the Torah. They went on faith, not fear. Yahuweh is a forward moving Elohim – He never says to go

forward, then go back (**Exodus 14** is an example). That is not His nature. You'll avoid many pitfalls if you just know His nature.
Then there is a precious family of 6 who left all to backpack/camp across Europe, on a prophetic trip from North America to Israel. Three of them are deaf, but they hear better than almost all the hearing ones on earth. They hear in the Spirit, and they are mighty--doing exploits. Yes, they are encountering hardship, much of it. But, they are led every step by the Master and they will not fail. I am greatly encouraged by them. We joined forces during this last trip of intercession in the north regions of the UK. I feel humbled to be with them. I wish I were with them now. But, we will meet up in Israel.
In the Outer Hebrides, not far under Iceland, there was a great revival in the 1950s. The whole culture still reflects that revival--a sovereign act of the Spirit. The people are kind, gentle, caring, compassionate, loving, and very helpful. The family and I had a powerful time there together doing intercession to open His portals, and break the enemy's chains on His people.
He spoke to me recently: "**the exploit people are already doing exploits, for violence is being done against My Covenant**". (**Daniel 11:31-36**)
Events that I had put in the future, He is showing me are happening now. Things are moving a lot faster in this final 7-year cycle, Daniel's 70th week, than we thought. This Yom Teruah we enter 2012, and are within reach of the mid-point of the final 7 years. That is why so much is happening so fast now--preparing the takeover by the world ruler, who will then be empowered by his father, Lucifer--**Revelation 13**.
In my articles "Launching the Chaos" and "The Tumbling Snowball", and other articles after them (2011), I tell about why things are as they are in the Middle East. Now Yemen has fallen to the terrorist rebels. It is all to light the fire of Part III of the Mazzini/Pike Plan.
I have a stack of articles next to me now, but here, I can give you only some of the recent news of the plans of the evil ones.
From the magazine "Israel Today": January 2011: Former US National Security Advisor Jim Jones spoke at the Herzliya Conference in Israel. He said: "I'm of the belief that had God appeared in front of President Obama in 2009 and said if he could do none thing on the face of the planet, and one thing only, to make the world a better place and give people more hope and opportunity for the future, I would venture that it would have something to do with finding the two-state solution to the Middle East". Jones insisted that the Israel-Palestinian conflict is the "knot that is at the center of the mass of all regional and most

global diplomatic problems today"…"This conflict", said Jones, "is one of the most important issues on the planet".
From "The Jerusalem Post" May 27, 2011: "Tony Blair, the representative of the Quartet--including the US, Russia, the European Union and the United Nations--said there was no alternative to reviving negotiations. `**If we don't stand up now and move this peace process forward, we are going to find, not within years, but possibly within months, that this situation becomes incapable of getting the traction for peace that <u>we</u> desire**'. Last week Obama embraced the goal long sought by the Palestinians that the state they want in the West Bank and Gaza should largely be drawn along lines that existed before the 1967 war." **Who is "we"**?
From the May 27th "Jerusalem Post": "At G-8, French president Sarkozy calls the Hamas-Fatah unity `a good thing for peace in the Middle East'…`For many years it was said that peace could not be concluded with the Palestinians because they were not a united people', Sarkozy said, adding that `now this is no longer the case' ".
Now unity has been achieved between two terrorist organizations that do not recognize Israel's right to exist, but pledge to annihilate Israel. I asked: Is this reflecting the insanity of the Luciferic elite, or revealing their diabolical plans?
From "The International Herald Tribune", April 13, 2011: "UN Praises Palestinian Efforts for Statehood" by Isabel Kreshner: `I believe Israel needs to roll back measures of occupation to match the PA's achievement', Robert H. Surry, the UN special coordinator for the Missle East peace process, said in a statement. `I also stress the **urgent need** for Israeli-Palestinian negotiations on a two-state solution to resume, if the state building and political tracks are to come together by September' ". A list of the "achievements" of the Palestinians are listed, but they are all totally spurious.
As most of you know, the PA is in now joined in pact with Hamas--both extreme terrorist organizations linked to the Muslim Brotherhood. They are planning to ask the UN in September to declare a Palestinian State, with East Jerusalem as their capitol. The UN is in favor of it, of course. Jerusalem is their own "international territory", and legally they can do with it as they like.
Secretary General Ban Ki-moon praises Obama's May 19th speech, to return Israel to its 1967 borders, leaving Israel defenseless against vicious enemies in pact to destroy them.
May 20, 2011 Yahoo News: The UN expressed their support for "the **urgent need** to resolve the conflict between Israel and the Palestinians, **voicing their backing of the vision outlined by**

**United States President Barack Obama yesterday**…Mr. Ban said he believes the people of the region had the responsibility to lead the way and pledged the full support of the United Nations". The United Nations is dedicated to supporting and fulfilling Part III of the Mazzini/Pike Plan for the final war to bring "order out of chaos"—the new world order--the Illuminati plan of Satan.
March 30, 2011: "While in Uruguay, the Secretary General **Ban Ki-Moon bashed Israel as the hold up to Middle East Peace"** – from the Uruguay press: "UN Secretary General Ban Ki-moon has called for **intensified efforts to beak the impasse** in Israel-Palestinian peace talks, saying resolution of the conflict is long overdue. `**We must intensify efforts to break the deadlock'**…. `The status quo is untenable, particularly at a time when so many throughout the region are pursuing freedom and dignity through non-violence--a reawakening also being felt among Palestinians'. **Ban said settlement construction was illegal and must be stopped**. **Israel's occupation, which began in 1967, was `morally and politically unsustainable and must end', he said, adding `Time is of the essence' ".** The UN has always been an enemy to Israel!
Arutz Sheva news May 26, 2011, by Tzvi Gedalyahu: "U.S. President Barack Obama's Palestinian-Israel peace plan is a `formula for war', writes Bret Stephenus, foreign affairs editor and deputy editorial page editor of the Wall St. Journal. `No US president has explicitly endorsed the '67 lines as the basis for negotiating a final border'…`Mr. Obama would also know that in 2009 Hillary Clinton had described this formula as `the Palestinian goal' ".
From the Associated Press, Phillip Elliot, May 19, 2011: "Former Massachusetts Gov. Mitt Rommy said **Obama `threw Israel under the bus'**, and handed the Palestinians a victory even before negotiations between the parties could resume. **Former House Speaker Newt Gingrich called it `the most dangerous speech ever made by an American President for the survival of Israel**'…`It is disrespectful of Israel for America to dictate negotiating terms to our ally', Rommy said…**Gingrich said Israel simply cannot go back to the 1967 borders and expect to remain secure**…'
`The city of Jerusalem must never be re-divided, Pawlenty said, `Rep. Michele Bauchmann of Minnesota…called the border suggestions `a shocking display of betrayal' to Israel…Sarah Palin, former Alaska Governor, said, 'Dear Mr. President, please allow our ally, PM Netanyahu, to respectfully arrive through the front door this time. Thanks…' ". Well said, Sarah!
Obama's devastating pro-Palestinian speech was given to the nation

on May 19, 2011, and on May 20th, a very angry Netanyahu flew to the US for talks with Obama. His speech to Obama, before the nation, was something to cheer. He did not back down. He made it clear that Israel will not return to its 1967 borders, nor allow Jerusalem to be divided. Sad to say, though, that Netanyahu said he was willing to give up "ancestral land" to make peace--meaning Samaria--"the west bank". Pray for the thousands of settlers there, who are there because they believe Messiah is coming. Pray for Netanyahu to stand strong. Netanyahu spoke to a joint session of the Congress the following Tuesday, and got much applause. I really believe that some of the US leadership in the Congress and on state level is still genuinely pro-Israel, and good-hearted, wanting to do the right thing. I believe that many are seeing that the president is genuinely a Muslim "plant", and they are watching the unfolding of what is happening with some fear. Obama is overriding the Congress to implement many things of his own, for he has world support now to go in and force the "peace". Obama has at least 20 czars – men who do work for him, and only report to him. Obama received the Nobel Peace Prize for "what he will do" in the future--as if the Nobel Peace Prize decision makers knew what he would do.

Now Obama is a hero! Many are saying he is unstoppable, undefeatable, and are looking to him to take charge and bring peace to the world, beginning in the Middle East. Didn't he give the order to kill Bin Lauden? Of course, that's not easy when the guy's been dead for over 10 years. But, the mind-controlled American populace was dancing in the street. Many are saying Obama can do anything he wants to do. Isn't that close to **Daniel 8:22-25**, speaking of the last days of the rule of the Quartet and one who would come afterwards? We have a world ruler! The world's elite leaders are looking to him, as some EU spokesmen have said, to take charge and force the peace in the Middle East. **Daniel 11:31-45** is coming alive. It is all coming to a head. We've known from Scripture that the final world war would come from attacks on Israel by their enemies.

Now for some recent articles that are explosive--From "Ha'aretz", **June 18, 2011**: "In a letter to US Secretary of State Hillary Clinton, UN Secretary-General Ban Ki-moon and Russian Foreign Minister Sergel Lavrov, the EU's foreign police chief, Catherine Ashton, called for the urgent convening of the Middle East Quartet. **The Quartet…would gather as a precursor for support for peace plan based on the Middle East policy speech delivered by President Barack Obama at the State Department last month**. Ashton's letter was coordinated with the governments of France,

Britain, Germany, Italy and Spain… **EU countries had decided that the US needed to be pushed to a peace plan**… This situation makes it **even more urgent to find a lasting solution** to the Israeli-Palestinian conflict.
The EU has advocated that Jerusalem be the capital of both Israel and a Palestinian state…the Americans are losing precious time in which to attempt to stop the Palestinians' UN plans for September".
"Ha'aretz" June 19, 2011: "**Washington is pressuring** Prime Minister Benjamin Netanyahu to accede to the proposal to resume Israel-Palestinian peace talks on the basis of the US President Barack Obama's May 19 speech…Specifically Obama's plan calls for the negotiating over borders and security first, while deferring issues such as Jerusalem and the refugees later. It also calls for the borders to be based on the 1967 lines `with mutually agreed land swaps'…The Americans are now speaking harshly of Netanyahu…To date, from the America and European prospective, Israel hasn't given anything' ". A European diplomat said: "**We want to hear Netanyahu ay he's willing to negotiate on the basis of Obama's speech and that he'll discuss borders based on the 1967 lines with land swaps**".
"The White House has been upping the pressure on Netanyahu. On Friday, Steve Simon, who heads the US National Security Council's Middle East desk, told American Jewish leader that Netanyahu needs to reply within a month to the US proposal for restarting talks"…"**On Tuesday, German Foreign Minister Guido Westerwelle will meet with Netanyahu to <u>warn</u> that while Berlin also opposes unilateral statehood, <u>if the diplomatic impasse continues, it will sponsor a UN Security Council resolution, together with Britain and France, that calls on the council to endorse Obama's speech as the basis for the</u> <u>talks</u>**".
From "Ha'aretz", June 19, 2011: "White House waiting for Netanyahu to accept Obama's peace talk principles" by Natasha Mozgovaya:
Steve Simon with the UN said: "**Our European partners, and we in Washington, are waiting to see whether the parties are actually going to sign up to the President's principles as a basis for negotiations. The time frame is kind of compressed**, because UN rules basically say that the Palestinians have to submit all the paperwork before the Security Council actually meets in September. That really pushes us back into July, so **we've got basically a month to see if we can work something out with the Israelis and Palestinians on accepting these principals as a basis for negotiations**.
"The Jerusalem Post" June 18, 2011: "Vatican calls for Independent

Palestinian State": The Vatican on Friday called **urgently** for a just and lasting peace…Abbas, who was in Italy, exchanged gifts with the Pope, with whom he also discussed the situation of Christians in the Palestinian territories…

Are you hearing the word of the hour: "**URGENTLY**"? Are you living with this knowledge, staying in prayer, staying in the Word, hearing the Spirit, obeying what He says, reaching out to the lost and dying, and preparing to get out of a country that Yahuweh is about to destroy? Are you seriously seeking Him with all your heart? [Refer to Abba's warning in: "Too Busy To Hear"]

But, we're also faced with the trumpet judgments, with famine, with world economic collapse, and massive death--an escalating of the first five seal judgments is already in motion.

Another war front looms for America – war with Syria. Turkey has wanted to go to war with Syria for some time, but held off. Now American warships are off the coast of Syria provoking war. Behind Syria stand the pacts with Russia, North Korea, China and Iran. America goes against Syria, and **Isaiah 17:1** takes place, and then the destruction all the way to Ephraim above Jerusalem, to Amman all the way south to the fords of Arnon (Wadi Majib) on the Dead Sea. Read all of Isaiah 17 – it's all about to happen.

From Paul Joseph Watson, Web News, June 16, 2011: "the Obama administration is simultaneously considering opening up yet another front, by moving the USS Bataan amphibian air carrier strike vessel along with 2000 marines, 6 war planes and 15 attack helicopters on US war ships off the coast of Syria. This plan was designed by one of the Illuminati's largest think tanks "The Bilderberger Group". The article says that one indicator that the US intends to attack Syria is that Hezbollah has moved its rockets into the interior of Lebanon, out or range, to protect them.

And one more piece of the puzzle: June 14, 2011: "Saudi Israelia: Israel Poised to Become Oil Superpower", Lawrence Solomon, writing for "The Jerusalem Post": "One of the largest deposits--250 billion barrels of oil in Israel's Shfela basin, comparable to Saudi Arabia's entire reserves of 260 billion barrels of oil--has until now been unexploited, partly because the technology required has been expensive, mostly because the multinational oil companies that have the technology fear offending Muslims. Most of the major oil companies are willing to do business with Israel because they don't want to be cut off from the Mideast supply of oil, explains Howard Jones. `We believe that under Israel is more oil than under Saudi Arabia. There may be as much as half a trillion barrels' ". Jones is CEO

of IDT, the US company that owns the Shfela concession through its subsidiary, Israel Energy Initiatives.
This makes **Ezekiel 38:11-13** more understandable – that Israel is attacked by a monstrous Islamic force under Russia for the oil, as well as the tremendous other valuables, including a mighty arsenal of nuclear weapons.
Between now and the end of 2011, we will see some powerful upheavals, but the kickback of the forcing of Israel to break Yahuweh's covenant with His people and His land, will backlash on the country of the one who forces it – America. There is major evidence of the splitting of America along the New Madrid fault line.
Yahuweh has said "flee" – He is not saying anymore. He is not saying, "wait 'til your house sells", "wait for your retirement pension"--"wait for money", "wait for family"--He is warning YOU. The ball is in YOUR court! The order is to die to self-will and submit to the Master. Stop reasoning His Word away. That will backfire on you. Begin to show Him your faith by action. Begin somewhere – downsize, simplify your life, get out of the enslaving Babylonian system. Yes, put your house up for sale, rent. But, never think that because it doesn't sell, Yahuweh's Word has changed! He expects obedience. There's a big world out there--and almost all of its people will burn in an eternal lake of fire. They are crying out for help. The time of the gathering of the "guests" is at hand (**Matthew 22**). The western world has Bibles galore – 350 different translations in England alone. There are billions of people who have no Bible. Will you go to them with the Good News of salvation? This is the time of the division of the "wise" and the "foolish" virgins. Just because you have a belief system, and are doing some religious things, does not mean you have eternal life guaranteed. The days ahead will prove who you really are. We never know ourselves until we are tested. The only way you can be tested is to get out of your comfort zone, and learn to know Him. He is sooooo awesome!
Shalom, Yedidah
