# THE SOON-COMING NUCLEAR WAR
## NO FLESH SAVED BUT A REMNANT

**Isaiah 13:6-13**: "Howl, for the day of Yahuweh is near! It comes as destruction from the Almighty! Therefore, all hands go limp, every man's heart melts…Behold, the day of Yahuweh is coming, fierce, with wrath and the heat of displeasure, to lay the earth waste and destroy the sinners from it. And the stars of the heavens and their constellations do not give off their light. The sun shall be dark at its rising, and the moon not send out its light. And I will punish the world for its evil and the wicked for their crookedness, and shall put an end to the arrogance of the proud and lay low the pride of the ruthless. I will make mortal man scarcer than fine gold…so I will make the heavens tremble and the earth shall shake from her place, in the wrath of Yahuweh of hosts…"

**Isaiah 24:1-6, 19-23**: "Behold, I am making the earth empty and making it waste, and shall overturn its surface and shall scatter abroad its inhabitants…the earth is completely emptied and utterly plundered, for Yahuweh has spoken this word. The earth shall mourn and wither…the haughty people of the earth shall languish. The earth has been defiled under its inhabitants because they have transgressed the Torot (*teachings*), changed the law, broken the everlasting covenant. Therefore a curse shall consume the earth and those that dwell in it be punished. Therefore the inhabitants be burned and few men shall be left…The earth shall be utterly broken, the earth shall be completely shattered, the earth shall be fiercely shaken. The earth shall stagger like a drunkard, and it shall totter like a hut, and its transgression shall be heavy upon it, and it shall fall and not rise again…And the moon shall blush, and the sun be ashamed, for Yahuweh of hosts shall reign on Mt. Zion and in Jerusalem before His elders, in esteem!"

**Nahum 1:5-7:** "Mountains have shaken before Him, and the hills have melted. And the earth is lifted up at His Presence…Who stands before His rage? And who rises up in the heat of His displeasure? His wrath is poured out like fire…Yahuweh is good, as a stronghold in the day of distress. And He knows those who take refuge in Him".

**Zephaniah 1:2-4, 18**: "`I shall snatch away all from the face of the earth' declares Yahuweh…`I snatch away man and beast, I snatch away the birds

of the heavens, I snatch away the fish of the sea, and the stumbling blocks with the wicked, when I cut off man from the face of the earth', declares Yahuweh…Neither their silver or their gold shall be able to deliver them in the day of the wrath of Yahuweh. **For by the fire of His jealousy all the earth shall be consumed** (melted)**, for He makes a sudden end of all those who dwell on the earth".** Also see: (**Ezekiel 22:17-21--**His promise to melt His people who are disobedient)

**Zechariah 14:5b, 12**: "And Yahuweh my Elohim shall come—and all the set-apart ones with You…And this is the plague with which Yahuweh plagues all the people who fought against Jerusalem: their flesh shall consume away (*melt*) while they stand on their feet, and their eyes consume away (*melt*) in their sockets, and their tongues consume away (*melt*) in their mouths."

**II Peter 3:8-14**: "But, beloved ones, let not this one thing be hidden from you: that with Yahuweh one day is as a thousand years, and a thousand years as one day. Yahuweh is not slow in regards to the promise as some count slowness, but is patient towards us, not wishing that any should perish but that all should come to repentance! But, the day of Yahuweh shall come as a thief in the night, in which the heavens shall pass away with great noise, and the elements shall melt with intense heat, and the earth and the works that are in them shall be burned up. Seeing all these things are to be destroyed in this way, what kind of people ought you to be in set-apart behavior and reverence, looking for and hastening the coming of the day of Elohim, through which the heavens shall be destroyed, being set on fire, and the elements melt with intense heat! But according to His promise, we wait for a renewed heavens and a renewed earth in which righteousness dwells".

**NOTE**: Pastor John Hagee of Cornerstone Church in San Antonio, Texas, remarked regarding **Zechariah 14:12**: "I believe this is Zechariah's description of a nuclear blast, which can generate 150 million degrees Fahrenheit in one-millionth of a second. That's how your tongue and your eyes can dissolve in their sockets, before your corpse hits the ground".

**Psalm 111:10**: "The fear of Yahuweh is the beginning of wisdom".
**Matthew 10:28:** "And do not fear those who kill the body but are unable to kill the soul. But rather fear Him who is able to destroy both soul and body in Hell".
**Matthew 24:21-22**, read in context: "For then there shall be great distress, such as has not been since the beginning of the world until this time, no, nor ever shall be. And if those days were not shortened, no flesh would be saved…"

**Luke 21:22, 23b, 25-26**: "Because these are days of vengeance, to fulfill all that has been written…for there shall be great distress in the earth and wrath upon this people...And there shall be signs in the sun, and moon, and stars, and on earth anxiety of nations, in bewilderment at the roaring of the seas, and agitation, men fainting from fear and the expectation of what is coming on the earth, for the powers of the heavens shall be shaken".

Just those few Scriptures out of many throughout the Word, tell of our day, and what we should do to prepare for it. Make sure you are repentant, humble, that you fear Him, and tremble at His Word (**Isaiah 66:1-2**)
Yes, these Scriptures pertain to the day the wrath of Yahuweh will be poured out as Messiah Yahushua descends (**Isaiah 63:1-6; Revelation 19**).
It is He who will release the weapons of His armory, like the ones that destroyed Sodom and Gomorrah and the cities of the plain, burning them to fine ash. But, these verses also intermesh with the planned World War III that will bring the Beast, son of Lucifer, Apollyon, to world power. This fits the description of the four horses of **Revelation 6:1-11**, especially of the pale horse – death. This interlocks with **Ezekiel 38-39**. [Refer to: "Ezekiel 38 and 39", August 2009, for details]

**Ezekiel 38:16, 19-23**: "And you shall come up against My people Israel like a cloud to cover the land--in the latter days it shall be. And I shall bring you against My land in order that the nations know Me, when I am set apart in you, O Gog, before their eyes…And it shall be on that day when God comes against the land of Israel, declares the Master Yahushua, that My wrath shall come up in My face. For in My jealousy and in the fire of My wrath I have spoken. On that day there shall be a great shaking in the land of Israel…and all men who are on the face of the earth shall shake at My Presence. And the mountains shall be thrown down…And I shall exalt Myself and set Myself apart, and I shall be known in the eyes of many nations. And they shall know that I am Yahuweh!' "
As we read in the book of Enoch I, Lucifer stole technology principles from Yahuweh, and his fallen ones brought this knowledge to give to the wicked ones on earth. From this technology we have had some good, but the evil one has turned most of it for evil purposes. All world knowledge doubled every two months in 2010. That is impossible without "outside help". But, the evil ones have been, and are, giving mankind outside help, and it is increasing to prepare the way for the arrival of the One/Beast with his entourage of fallen angels. Before the flood, mankind's DNA was so altered, and knowledge of weaponry causing violence so prevalent, that all Yahuweh could do was destroy the earth to preserve the pure seed of Seth. (Refer to:

The Preservation of the Royal Seed"]
Adam and Eve after giving in to the beguiling of Lucifer, gave mankind "the tree of good and evil". Weapons, medicine, electronic media (TV, computers, satellites, knowledge of plants, science, technology, knowledge of the universe, physics, and etcetera, can be used for both good, and evil. Yahuweh only wanted to show us the way of good. The power of the atoms and nuclear fission, electromagnetic pulse waves, space bending, and anti-gravity technology has been, and is being, used to create weapons that will destroy mankind. HARRP, scalar technology, can be used for good. It can prevent deadly storms, it can turn away hurricanes, it can be used to preserve life, but it is being used in the hands of evil men to destroy.

In order to lay the foundation for the return of Messiah in the wrath of Yahuweh (**Isaiah 63:1-6; Revelation 19**), Yahuweh will allow man to use His weapons of war, nuclear power, to do His work of purging the earth. As Messiah descends the earth will only be held in place by His power alone, for it will totter and reel, and the whole solar system will be affected.
Speaking of Messiah, Sha'ul says in **Colossians 1:17**: "And He is before all, and **in Him all things hold together**". It is by Yahushua's power that we have not disintegrated, and neither will we. He had the authority to hold the nails in His wrists and feet, or to come off the stake without dying. His choices were for us!
The Elohim of Israel is in total control, and the victory is assured! Therefore, we must confront as many as possible with choices: Yahuweh and Yahushua and Their Word of salvation, or Lucifer and his fallen ones and their destruction. Are you busy partnering with His Spirit to change lives for eternal good!
We are on the verge of the beginning of His "end-game". Man, under Lucifer's orders, has thrown the gauntlet in Yahuweh's face. Man, as an agent for Satan/Lucifer wants Him off the planet, out of the second heaven, along with His Torah and the people who are in His likeness and image that obey His Torah and worship Him. Even one of the Vatican's chief astronomers, Guy Consolmagno, mocks "intelligent design" in the universe, at the same time believing that since aliens, according to him, have "souls", they should be baptized into the Catholic church when they come, if they want to be. The world has gone mad!
For foundational understanding of the launching of this final war, refer to "Launching the Chaos" (2011), in which I report on the planned chaos that will bring WWIII and "the order" that will come out of it--planned since 1871 by man, planned since eternity past by Satan. I explain the 1871

Mazzini/Pike plan in this article as related to what is happening now. Everyone must understand the foundation for what is about to happen, so that they can be clear-headed as they research truthful news. To get truthful news one must turn off the public news media in the West. It has become a worldwide joke at how ignorant the American people are being kept by the news media.

Of course, all of this was recorded in the Scriptures between 2500-1900 years ago. I am numb and sickened that so few so-called "believers" read His Word, yet they want to spend eternity with its Author. Fewer ask the Author to teach them what it says.

These prophecies are now being rapidly fulfilled. The radical set-apartness required for enduring through it was written by the Essenes of Qumran in their "War Scroll". [Refer to my article on that: "A Radical View of Set-Apartness"]

All who have read the Word of Yahuweh, Elohim of Israel, have seen the many portions of Scripture describing in detail nuclear destruction of the earth. But, several years ago the Illuminati and their multitudes of agents took their mask off as to their real intent – the removal of over six billion people from planet earth. It's open information now. To understand this, please read: "Eugenics: The Planned End of Mankind". Well, now everything is slotting to begin the big kill-off.

I am in Israel. I see and hear reality daily. On Fridays I love to get the weekend *Jerusalem Post*. This last Friday, November 11, 2011, was most overwhelming. Almost the entire paper is dedicated to findings of the IAEA regarding Iran's nuclear program, released on Wednesday November 9th. Of course Israel has been trying to warn the world on this for years, and has aided the IAEA with information. You can go to *The Jerusalem Post* website and pull up articles.

Iranians are not Arabs--they are Persians. They do not speak Arabic--they speak Farsi. They scare the Arab world with their craziness. Iran is backed by Russia and China, and North Korea, and Pakistan – all major nuclear-weapon countries. Iran backs Syria and Hezbollah in Lebanon.

Israel only has enough gas masks for ½ the population at this point. The very real possibility of heavy civilian losses are openly reported in Israel.

I suggest you daily look at **israelnationalnews.com** or **kol-Israel.com** to read up on the latest. A sane solider knows the plans of the enemy, as well as the orders of his Captain.

**II Timothy 2:3-5** relates us to "soldiers". Are you a sane soldier or not a soldier at all? If you are a sane one, you're also a trained one, a disciplined one, a prepared one.

In Abba's army we're back to the Gideon 300 (**Judges 7**), the few against the many that went out singing under King Jehoshaphat (**II Chronicles 20**) [Refer to: "The Gideon 300"] **Today, His remnant is a few thousand against billions.**
Here I quote from one of the articles in the Friday edition of *The Jerusalem Post Magazine*, titled "Deterrence is irrelevant", by Israel Kasnett, which puts it in prospective as to why Iran is so crazy.

"On Tuesday the International Atomic Energy Agency (IAEA) released its much awaited report on the progress of Iran's nuclear weapons program. Unsurprisingly, it affirmed what Israel has long been clamoring about: Iran is definitely on the road to producing nuclear weapons. Unfortunately, we live n a world that slumbers and has little understanding of the realities we face today…Nuclear deterrence will not help prevent Iran's pursuit of nuclear weapons since **the Iranian regime has religious motives to bring about the return of the Mahdi and it prepared to die for it**…Iran is led by a group of irrational men who believe they can hurry the arrival of the Mahdi—the 12th Imam, who, according to Shi'ite Islamic tradition went missing in 874 CE and will return under conditions of global chaos. In 2006, the Islamic Republic of Iran Broadcasting website said in a program called "The World Towards Illumination" that the Mahdi will reappear in Mecca and form an army to defeat Islam's enemies in a series of apocalyptic battles in which the Mahdi will overcome his arch enemy in Jerusalem. President Mahmoud Ahmadinejad is a member of the Hojatieh Society, a group which believes it can and should hasten the arrival of the Maudi. **According to Islamic tradition, the Mahdi's arrival will be accompanied or followed by near destruction of nations**. This group appears to maintain a deep desire to create the necessary global chaos. And Ahmadinejad has publicly called for the Mahdi's speedy return".
He even prayed at the end of his address to the United Nations in 2005, and 2007, for the return of the Mahdi. "Clearly Ahmadinejad has one objective on his mind—to bring back the 12th Imam." "It is not difficult to arrive at the conclusion that the Iranian regime has a dangerous plan cooking in its enrichment facilities around the country. The IAEA report is too little, too late. What may be news for some is old news for others. Israel already knows what the IAEA report has now confirmed. Defense Minister, Ehud Barak, said in an interview with Israel Radio Tuesday (November 8, 2011): `We've known these things for years. We know more about Iran than the Washington Post knows and we know more than the IAEA knows'.
"One of the main points the world has failed to understand is that Israel is simply the first in line in Iran's crosshairs. **The chaos Iran wants to**

**create has less to do with Israel than it does with the west**".
"As long as the preset Iranian leadership with Ayatollah Ali Khamenei at its helm remains in power, the threat of nuclear warfare is very real. In his book The Rise of Nuclear Iran, former ambassador to the UN Dore Gold…writes, `Mahdi Khaliji, an Iranian Shi'ite scholar…has noted that there are apocalyptic hadiths [received Shi'ite traditions] that the Mahdi will not return unless one-third of the world population is killed and another third die. But, Ahmadinejad and his followers believe man can actively create the conditions for the Mahdi's arrival in the here and now…' So, ultimately, how does the world confront a country like Iran, hell-bent on a religious mission to bring about the return of Islam's lost Mahdi? … Today, players in the real war game of nuclear capability are not all rational. Iran has clearly stated its intention to attack Israel and the West. … The world has failed to understand who Iran's leaders are and that they intend to carry out their threats to destroy Western nations, as they have consistently declared for years…At the end of the day, Israel and the West need to ensure that the only reminders existing for other nations who believe they can threaten the free world with nuclear weapons, are the obliterated remains of Iran's nuclear facilities".

This writer puts the whole thing in a more clear understanding. However, the world's elite, the ones who follow the Illuminati think tank's conclusions, know full well what they're doing. The elimination of Israel is a prime goal of the world's Lucifer-obeying leadership, but also the elimination of the multi-millions in America, in Europe, in the UK, is their prime goal--all but them, of course. In process, they also want to eliminate the Muslim world totally, all poor nations, and anyone who won't align to their leadership.
Enter the Beast out of the sea! Leaders like Ahmadinejad may, or may not, understand they are working for the fulfillment of the plans of 1871, but they are. The use of the word "Illumination" in a national Iranian broadcast says a lot. This is a common New Age term referring to the coming "Golden Age" of light, when their gods return. Their desire to create chaos also aligns with Illuminati goals. It is very possible that Iran, like America, the EU, Russia and China, like the Arab leaders, is a player on the Illuminati's team, not a rogue. It is very possible, and more than likely, that we have a "good cop/bad cop" routine going on here, when they're all really on the same side.

From "Launching the Chaos" (2011): From "The Last Trumpet Newsletter", January 2009, written by the late, and very missed brother, David Myers: "**According to Islamic tradition, there was an Islamic Imam who was**

**the Prophet Mohammed's cousin and son-in-law. His name was Ali Ibn Abi-Talib. This man gave the following prophecy: `At the end of times, and just before the return of the Mahdi, a tall black man will assume the reins of government in the West; commanding the strongest army on earth. The new ruler in the West will carry a clear sign from the third Imam, whose name was Hussein Ibn Ali.' Strangely enough, the name Obama in the Persian language means `He is with us.' "** Also, strangely enough, Obama's middle name is Hussein.

In many of my articles, like "End-Time Babylon", I clearly show the total destruction of America, and tell why, as in "America's Secret Destiny". America has been the breeding laboratory for the whole plan for world rule since its inception. Once the plan is set in motion the laboratory is no longer needed, neither are the guinea pigs and lab rats. A illusionary fantasy world has been created for Americans, and those in the UK and Europe, to keep people ignorant and content, not knowing what's about to happen. But, very soon the fantasy will turn to the worst horror. We are looking at nuclear holocaust in the face.
Israel knows that if they hit Iran's nuclear facilities, it just may set off WWIII. They are aware of the alliances of Ezekiel 38 – Russia with Iran as #1 alliance. America wants to whack Iran's knuckles with sanctions. But, even with that limp plan, Russia and China will veto it in the U.N. Security Council.
It has been proven that Russia, China, and North Korea have made pacts with Iran to back them. If a strike is made against Iran, it's won't just be Iran that Israel and the world have to deal with—but the three mighty nuclear powers that back Iran. Iran is Russia's number one ally in rallying the Muslim world against Israel (Ezekiel 38-39). Also, it is a proven fact that Russia and China sit off all the borders of America in nuclear armed submarines, with fighter jets, and missiles pointed at key cities. China even has its own base in California and is acquiring land for base operations in western Canada. Russia and China are even doing maneuvers on the Texas-Mexico border. America is not only surrounded, but has been infiltrated.
Do I want to disrupt your security? Yes! To save your life!
As we've moved into the fourth year of the final seven years before the return of Yahushua, the ground work for the coming of the Beast "prince of peace" is certainly being laid firmly.
If Israel does not strike Iran soon, they may be soon be hit by Iran, and by the thousands of rockets from Hezbollah on the Lebanese border, and by Hamas from Gaza, and by the PA from inside the country. Daily Israel has

rockets launched into its southern areas by Hamas. The IDF is training for multiple strikes. Right now the Galilee regiment is training for an attack by Hezbollah along the Lebanese border. I hear the military action. Israel is doing military exercises in other nations close by, too. The IAF is gearing up with their planes and weapons. This is no fantasy!
Russia has funded and given weapons to Syria, to Hezbollah, and to Hamas. America has funded and given weapons to the PA – and its Fatah – a very terrorist organization.
Therefore, the handwriting is on the wall – the enemies of Israel are being funded inside Israel, and surrounding Israel. **Israel is the dynamite that will set off WW III. Iran is the one who lights the fuse**. Why is America and the EU funding terrorists within Israel? You figure that out!

No, I don't see everything as a conspiracy, but come on … The leaders of these powerful nations know exactly what they are doing, and they are moving together to accomplish their mutual goals – **Revelation 13**. Read Revelation – its happening!
The chaos needed to bring in the Beast/Maudi or whatever he's called, is the means of the Illuminati to bring in "the order". The motto of the Illuminati is: "Out of chaos, order" – the new world order under one of their own. Under the Illuminati is the Vatican, as the major world player, then the Free Masons, and the "Black Royalty" of Europe—the old ruling families that are into deep satanic plans. It is interesting that the Papal line is the oldest monarchy of them all.
So, Americans, Europeans, you're sitting in the bull's eye of the target. I'm in Israel. I'd sure rather be here, because Yahuweh only promises to defend one land and one city. He has already pronounced the doom on America and all its associates 2500 and 1900 years ago.
The use of the words by Iran "chaos, and Illumine" tell a lot … this is not just a religious war, but using this old Shi'ite legend of a Maudi is certainly playing into the hands of the tricksters.
Nowhere does Abba warn the captives in Babylon for 70 years to flee Babylon. The captivity went on into the reign of Darius the Mede and Koresh the Persian. These rulers did not harm the captives in Babylon, but rather they prospered. When Darius the Mede captured Babylon, no one was killed except Belteshazar the King. Today Babylon is ruins. So, **Jeremiah 50 and 51, and Isaiah 13 and 47, and Revelation 18**, etc., is talking about modern Babylon, who carries the nature and characteristics of ancient Babylon from Nimrod—America. The Koresh the Persian helped the Jews return to Jerusalem. Only 10% wanted to go back—life was good under the Babylonians, the Medes and the Persians.

**Isaiah 13:17-22** tells us that in the end days Yahuweh will send the Medes to end-time Babylon. Modern Iran falls in their ancient territory, but also extends north. If you're in America--that's you! The buildup of Islam in America is incredible.
There are training camps going on all over America for radical jihad in what they call "the great Satan". But of course, we have a Muslim collaborator in the White House. He knows full well that it is Islam that will bring down the laboratory, and allow the world ruler to take his place. The Temple Mount, when the world ruler comes to power, will still be owned by the Vatican, and overseen by Jordan. These two friendly cohorts are now working together to make East Jerusalem the capitol of the new Palestinian State. [Go over **Psalm 83**, it's about to happen]
This is why Obama started the chaos this last February by demanding that Mubarek, Israel's peace partner, step down. All those dictators that have been forced to step down had no reason to attack Israel, but the ones replacing them, like the Muslim Brotherhood in Egypt and their counterpart in Gaza (Hamas), want to destroy Israel. The whole thing boils down to: create the chaos by igniting the Arab world, and use Iran as an excuse to attack Israel, starting WW III. Out of WWIII will come the "order".

So, how does this affect you? **If you are still sitting on "your duff", going about life as usual…you're nuttier than Ahmadinejad. At least he has a plan! Amazing how the enemy and his people have such detailed plans and are working so diligently to carry them out, while those who claim to be on Yahuweh's side and Israel's side have no plans except for dinner. I'm sure glad Yahuweh has a remnant who is busy now about His plans-- implementing what is on His heart, and doing His will daily!**

Abba has warned and warned His people with direction, but love of security and fears have stopped almost everyone from taking His wise council.
So, only a small remnant, now on the move for Him, will survive to overcome and endure to the end, to the coming of Messiah—all else will die.
I've written and written over and over on how to prepare and what to do spiritually, and also naturally, and I've exposed the naive minds who tell people to survive right in the middle of the target. Abba says for His people to move out of the bull's eye. But, then almost no one in the West understands discipleship!
It is those that are disciplined by the Word, obedient faithful servants, who know their Master <u>and are trusted and known by the Master</u>. It is those who

are set-apart from the world, who are pure of heart, who know His Word as taught by Him alone, who are on the move to do His will—the passions of His heart—right now, whom He will make sure stay alive to continue their work. Multitudes will reject Elohim because they are tortured, they see loved ones killed, and their head is literally on the chopping block. The return also of the Nephilim is at hand---the onslaught of the spirits of the pit which will take bodies once again. We are in the "days of Noah".

**Psalm 91:1** gives the requirements for those entering the ark of safety, but most people are too busy with their goals and ambitions to meet the requirements, and few even want to enter the ark because **entering that ark, as with Noah and family, means leaving everything they've ever known**.

Noah was privileged to be able to take his family, though his wife died shortly after the trip. But, as **Ezekiel 14:13-23** tells us, "if Noah, and Job and Daniel were in it, they would not save son or daughter, but only their own lives by their righteousness". Messiah's salvation imputes to us His righteousness, so that we are declared righteous by Yahuweh. But, we must also establish our own blameless righteousness in order for Him to trust us, and deliver us. He wants to see our faith in action!

So, my friends – every day, reach out to the lost around you with the Good News of salvation, the lost to the Torah among you, the lost to Truth among you, and get about His business--the time is very, very short. Get out of yourself, and into His will. Let Him crush "self" out of you--get tough--let the Spirit teach you and lead you, and be quick to obey. After writing like this for so many years, I feel like I'm talking to a brick wall, but there are the few who are listening. I wrote a manual entitled "Faith Walk", but it is a walk, and it has to be lived out. Those who are living it out are now doing exploits for the Kingdom.

Blessings in His peace and joy, and love,

Yedidah

## NO FLESH SAVED BUT A REMNANT

In the Scriptures there are hundreds of verses regarding the days in which we live--many using expressions such as: the "latter days", the "last days", the "day of **Yah**uweh"--the Father's Name, "in that day", "the end of days", "the latter years", "in that day and at that time" (a Messianic-period expression), and other such phrases. In fact there are over 220 prophecies regarding the time-period in which we live now, the 3½ years of great tribulation under a world ruler, the return of Messiah **Yah**ushua (Hebrew: Yahuweh is Salvation) to earth, the time of the Kingdom of Messiah for 1,000 years, and the time of the Kingdom of the Father **on earth** forever. In the days of Noah, Father judged the wicked world by flooding it with water—only eight of earth's people remained alive. In the destruction of Sodom and Gomorrah, Elohim (God) gave us a sample of His own nuclear firepower, and said it was an example for us in our day, for the judgment to come will be by fire. It will be so intense that Yahushua says that unless He shortens the days, "NO FLESH WILL BE SAVED". Yahuweh will judge the world by fire this time. Refer to: "The Spirit of Burning" (2011).

## A FEW SCRIPTURE REFERENCES REGARDING WORLDWIDE NUCLEAR HOLOCAUST

**II Peter 2:6**: "…having reduced to ashes the cities of Sodom and Gomorrah condemned them to destruction—having made them **an example** to those who afterward would live wickedly".
**Jude 1:7**: "Even as Sodom and Gomorrah and the cities around them in a similar way to these, having given themselves over to whoring and gone after strange flesh, are set forth **as an example**, undergoing judicial punishment of everlasting fire".
According to Scripture, one fourth of the world will experience the "seal judgments" before they spread all over the earth. These were released September 29, 2000, and are already happening in Africa, various parts of Asia, and the Middle East. One third of the earth and seas will experience the "trumpet judgments"--this will also be spread over different parts of the earth. Two thirds of the people in Israel will be destroyed—the 1/3—the remnant—will be preserved. But, one nation is promised that 100% of it will be destroyed—end-time Babylon—America. The Scriptures are explicit about these things! This is why end-time Babel is the only end-time nation that gets the warning: "Come out of her My People…" "Flee for your lives"…
Focus on the coming King and His Kingdom—"at the last trumpet" (Revelation 11:15-17): **"And the seventh angel sounded ["*the last trumpet"]* and there came to be loud voices in the heaven saying: `The Kingdoms of this world have become the kingdoms of Yahuweh and of His Messiah, and He shall reign forever and ever!' And the twenty-four elders sitting before Elohim on their thrones fell on their faces and worshipped Elohim, saying: `We give you thanks, O Yahuweh El Shaddai, the One who is and who was and who is coming, because You have taken Your great power and reigned'" HalleluYah!** In Him we have great peace! -- **Isaiah 26:3!**
