### Fogel family stabbed to death in Itamar

From the Israeli Ministry of Foreign Affairs

**11 Mar 2011**

At least one terrorist infiltrated the West Bank settlement of Itamar, southeast of Nablus, late Friday night (11 March) and **stabbed to death Udi (36) and Ruth (35) Fogel, and their children Yoav, 11, Elad, 4, and 3-month-old Hadas.**

The killings occurred shortly after 10 p.m., when one or two attackers jumped the fence that surrounds Itamar and broke into the home of Ruth and Udi Fogel. The attackers went from room to room, first stabbing the parents and their 3-month-old baby girl, Hadas. They proceeded to the next room where they killed the two sleeping boys, Elad, 4, and Yoav, 11.
Two other boys - Ro'ie, 8 and Yishai, 2 - were sleeping in another room and were not attacked. The family's oldest child, 12- year-old Tamar, was out of the house at the time and alerted neighbors when no one opened the door for her.The IDF continues to search for the terrorists who carried out the murder of the Fogel family.

**From Israel Matzav blog**

**Why the Itamar terror attack happened**

**Why was there a terror attack in Itamar on Friday night? Why were five innocent Jews - three of them children - murdered? Why now?** This **may have something to do with it:**

In the period prior to the murders of Ruth and Udi Fogel and their three children in the Israeli town Itamar, **the Palestinian Authority continued to encourage terror by glorifying terrorists as heroes and role models and through calls for violence**. **In addition, in an act that sent a clear message of support for terror, PA Chairman Mahmoud Abbas awarded $2000 to the family of a terrorist who attacked and tried to kill Israeli soldiers - just 2 months ago.**

The following are some examples of terror promotion in the period leading up to the terror attack in Itamar on the West Bank two days ago in which terrorist(s) murdered five members of an Israeli family:

**Abbas awards $2000 to family of terrorist**

In December, a Palestinian terrorist carrying two pipe bombs ran towards the soldiers at an Israeli checkpoint, screaming "Allahu Akbar" - "Allah is Greater". The soldiers shot him before he could detonate the bombs.

**A day before the terror attack in Itamar:**

**"Advisor to President Mahmoud Abbas... The weapons must be turned towards the main enemy [Israel]"**

"Advisor to President Mahmoud Abbas and under-secretary of the Fatah Revolutionary Council, Sabri Saidam, delivered a speech... He emphasized that the weapons must be turned towards the main enemy [Israel] and that internal differences of opinion must be set

aside. Saidam noted the awful living conditions of the families of *Shahids* [Martyrs], in the country and outside of it, and as proof he said that the allowance to the family of *Shahida* [Martyr] Dalal Mughrabi [leader of the bus hijacking in 1978 in which 37 civilians were murdered] is a mere $123. He demanded of the Palestinian people to treat the problems of the families of these *Shahids* seriously, and emphasized that the anniversary of Dalal's Martyrdom-seeking (i.e., her terror attack) should be amplified by inaugurating a square in her name in the city of El-Bireh." [*Al-Ayyam*, March 10, 2011]

**During the week of the terror attack in Itamar:**
PA newspaper advertizes football tournament named after the first female suicide bomber"The administration of the Al-Amari youth center [in Ramallah] has announced its plans to launch a youth tournament (for 19-year-olds) to be named 'Shahida (Martyr) of Honor, Wafa Idris [tournament].' The Al-Am'ari administration is maintaining contacts with the Palestinian Football Association for permission." [*Al-Hayat Al-Jadida*, March 6, 2011, p. 1]

*Note: Wafa Idris was the first Palestinian female suicide bomber. She blew herself up in Jerusalem, killing one and injuring more than 150 on Jan. 27, 2002. As a volunteer for the Palestinian Red Crescent, she was able to bypass Israeli security and enter Jerusalem in a Palestinian ambulance.*

## HOW DOES THIS MAKE YOU FEEL?

Two years ago I was in Itamar. It is near Shechem (Nablus to the Arabs). Itamar is a lovely agricultral community--the largest settlement in Israel. It has a college there, schools, farms, and a lovely synagogue. The wife of the synagogue's rabbi came on the bus to talk to us, who were with Sandra Baras' Sukkot day-tour of Samaria. She looked about 25 years of age. She had moved to Itamar from New York because "the Redemption" is soon to come. She spoke of why the "settlers" in Ephraim southern Manasseh (ancient Samaria/Shomron) are coming, building homes, having families, raising crops, and settling the land--all because of their fierce belief in the soon coming of the Messiah--the Redemption. As she spoke, the anointing of the Spirit of Yahuweh was so strong that many of us cried. This is why there are so many young families in the settlements. They believe that He is coming soon, and they are there to prepare the way.

But, even now, forces of evil are at work to dismantle the settlements and do to the thousands of families as was done in Gaza in 2005—giving their land to the enemies of the Jewish people and of Yahuweh. I think of **Isaiah 17:1-7**, which says that the destruction will go all the way from Damscus to "the stronghold" of Ephraim. That is Ramallah! One evening some IDF young men got lost and ended up at the gate of Ramallah, where they were captured and horriblly murdered, and their dead bodies drug through the streets of Ramallah to the cheers of the Palestinians. I remember the day when some friends of mine and I got lost, and ended up at the gate of Ramallah, facing very angry guards with big guns. Our Israeli license plate didn't help. We made a hasty retreat. I was in a beautiful settlement/town just above Ramallah one year, hearing constant gun fire below in Ramallah. The Christian Friends of Israeli Communities, led by Sandra Baras, helped buy bullet proof bus stops and buses for the children, for as you know, these murders love to target and kill Jewish children. **The PA (Palestinian Authority) and its terrorist arm, Fatah, is what America supports with money and weapons**. Now Fatah has made a pact with Hamas, the inside Israel arm of the Muslim Brotherhood, to bring about statehood within Israel, going back to the pre-1967 borders--leaving Israel totally defenseless against those of the mentality you read about above. America is demanding that Israel give Yahuweh's land to these people. These people are now all over America and in top government positions, thanks to our Muslim President who is a "calaph" for the Muslim Brotherhood inside the US – he "owes them" – they funded his college education. Now, how does that make you feel?
Personally I am numb, sick all over, and horrible angry.

I hope you're keeping tuned to Israeli news, and praying a lot. I hope you're gathering people in your home at least once or twice a week for prayer, praise, proclamation, and preparation planning. I made several pleas in articles for people to open their homes for early morning prayer--not to pray for personal needs, but for Israel, for lost souls, for people to prepare and so die in faith, to repent for the sins that have caused us to lose contact with our Abba for so long, for His people to wake up to reality before its too late. We're facing life and death issues, and praying for sister Susie's ingrown toenail is a foolish waste of time. Joel 1 is a mandate for us – to weep and pray.

Now lets look at the current news and bring things up to date this

Memorial Day. Today Israel mourns its fallen soldiers in battle to defend Yahuweh's Land, and our land. It is also a day to mourn for the martrys of terrorist attacks, who gave their lives to defend their belief that this is their land. **The greatest theme of the entire Word is the restoration of a remnant of the whole House of Ya'cob to Himself, and to His land.** Judah has returned first to prepare the way. Judah always led out in battle. Judah is the sceptre holder of all the tribes, the leader, the law giver, the one who preserves His commandments until "Shiloh" (Messiah) comes. (**Genesis 49:9-10; Zechariah 12:7**)

**Jeremiah 4:31**: "For I have heard the voice of a woman in labor, the distress as of her who brings forth her first child, the voice of the daughter of Zion! She bewails, she spread out her hands saying:`**Woe to me, for my soul faints beause of the murderers**' ".

**Psalm 12:1-4**: "Save Yahuweh! For the loving kind one is no more! For the trustworthy have ceased among the sons of men. They speak falsehood with each other; they speak with flattering lips and a double heart…who have said, `With our tongue we do mightily; our lips are our won, who is master over us?' "

**II Timothy 3:1-5, 7**: "But know this, that in the last days grievious times shall come. ["*fierce, dangerous*"] For men shall be lovers of self, lovers of money, boasters, proud, blasphemers, disobedient to parents, unthankful, wicked, unloving, unforgiving, slanderers, without self-control, fierce, haters of good, betrayers, reckless, puffed up, lovers of pleasure rather than lovers of Elohim, having a form of reverence but denying its power…turn away from these!…always learning and never able to come to the knowledge of the truth".

**THE AIR RAID SIRENS JUST WENT OFF – FOR A MINUTE OF STOPPING EVERYTHING TO REFLECT ON THE HIGH PRICE OF LIVING IN ISRAEL, FOR BELIEIVING IN THE COMING OF THE REDEMPTION. Cars pull over, people stop on the streets, people stop what they're doing and stand silent. I sat here sobbing and sobbing … will you take time to weep with me? Will you cry with me for mercy for the settlers, like the Fogel family? Pray for these settlements by name. Bet El is in danger, Shilo is in danger – all of these ancient Biblical sites that have been restored and built by young families who believe in Messiah's coming, and guard the Torah of Yahuweh. Pray for mercy, and pray for their salvation through the blood of the Lamb of Elohim, even before Zechariah 12:10-13:1.**

Osama: Dead for 10 years, rotting in his crypt in his family vault. He died of kidney disease, maybe helped along a little, just after 9/11, and had nothing to do with 9/11. The notorious Al Qaeda is no more than an CIA database for mercenaries who do their dirty work. The Taliban is a creation of Jimmy Carter, and on and on – America's doing to set up scenarios for their own purposes, while at the same time under the table selling out Israel to their enemies, creating the third part of the Mazzini/Pike Plan of 1871 – preparing for World War III to take out Israel and a lot of the Arab nations.

Osama was a business partner with the Bush family and the Queen of England, in the Carlyle Group. His family built many of the American military bases in the Middle East, and he and his family and George W. and his family were vacation buddies. Osama was dying, so was usable to create the illusion that we had an enemy, thus making the American people accept "Homeland Security" and all the laws that have been passed taking away our freedoms and rights, in the name of protecting us from the bad guys. The woman who was running for the office of president of Pakistan after Osama's death in 2001, was interviewed by David Frost, and told him that he had been assassinated. Last he was heard of he was in Dubai with a kidney disease. She was assassinated shortly after that. So, all of a sudden Obama is a great hero, and the mindless dead are celebrating his great achievement. He is a hero. Hum…strange isn't it, just at the time of his campaigning for re-election. **In fact, the news media is saying Obama might be undefeatable**. As the news media predicts, so it is, for the powers that be that control it know the future, because they plan it.

And against Muslim law, Osama was dumped in the ocean – quickly. Suspicious…yes. It was against Islamic law. The Pakistani government is very upset at what we did on their soil. Hamas and its mother the Muslim Brotherhood are very upset, calling Osama a hero, a sheik, a warrior, a holy man, and other lauding titles.

Who was killed? Even the Muslims are scratching their heads at Osama's supposed change of lifestyle--he was found living the good life. Was he a look-a-like or a clone? He was certainly not Osama. And if anyone squawks they'll be killed too.

Osama was usable. This is par for the course for the world elite. Example: General Swartzkoff, who led America's troops in 1991 against Saddam Hussein in Gulf War I, had a weapon that would have shut down all of the communications devices, and allowed them to take Saddam easily. He had Saddam cornered. He phoned the then President George Bush, Sr., who told him not to kill Saddam. Reason: He was usable as a reason for Gulf War II and the takeover of Iraq.

Saddam was a communist. But, he was also a personal friend of George Bush, Sr., just as Osama was a personal friend of George W. Bush. This stuff is OLD HISTORY. I wrote about this back when it happened.
George W. Bush was not allowed to capture, or kill, Osama, but it was awarded to Obama to do this bold and glorious heroic act that delights the American people so greatly, because it is for Obama's promotion by the world elite. Next election: awful close to 12/21/12 don't you think? As is public news, America has been the world ruler since the end of WW II. What America says, the world is forced to accept.
All we hear now are deceptions and lies coming from the world Government, which was formed in May of 1999 (I heard it, others heard it, BBC and CNN reported it) … but Americans did not hear it.
From The Jerusalem Post, May 6, 2011: "The assassination of bin Laden was a watershed movement, when the president decided to realize the international role of authority that the US has assumed since World War II…now the president has resumed the use of hard power…How will the new Obama act? **He could become intoxicated by his own power and its use, resulting in an America that will intervene more frequently in the international arena**". "President Obama's order to kill Osama bin Lauden demonstrates that this president is prepared to act unilaterally, aggressively and decisively when US core national security is on the line. It suggests that if all peaceful measures are exhausted, and Iran is close to the nuclear red line, this president may surprise everyone with bold and decisive action". If you read "The Counterfeit", you read about the analysis of his character by one of the world's leading authorities on narcissism, who warned that he is a very dangerous narcissist, and the American people should be very concerned. He said that if Israel does not do as he says, Israel could be in deep trouble.
From the article "Is Osama Unbeatable?" by Chris Cillizza, May 2, 2010 on Fast Fix: "While the killing of Osama took a decade and involved three presidents and thousands of people, **it was Obama who gave the order that ultimately led to the terrorist's death**. It was Obama who announced the news last night. **And it will be Obama who benefits most from a sense that he did what he said he would do**. **This is a significant moment in the Obama presidency -- perhaps the biggest moment. Amidst the celebrations and renewed patriotism, it's easy to assume that bin Laden's death will be a significant issue in 2012"**.
Scriptures of the prophetic Word should be jumping around in your head right now. I have followed this counterfeit since 2008, and yes,

he will be unbeatable in 2012. Abba continues to plead with idolatrous Ephraim, "Flee out of Babel". [Refer to the study: "End Time Babylon"] We have a world ruler now, and he is well aware of his power. He has used it to force Mubarak out, now working on Gaddafi. Have you noticed that the battering of Libya has taken a back stage, and all the slaughter reports out of Bahrain are too? Did you hear reported that Hezbollah pulled off a coup in January and now rules Lebanon? Obama, and the CIA agents who work for him among the Arabs on the street, have created protests all over the Arab world, surrounding Israel. He is determined to fulfill Part III of the Mazzini/Pike Plan, and the UN and all the world elite back him.
The Pakistanis are in a rage, as many other Muslim groups. But, Hamas is the one who came out with open defiance against the U.S.'s killing of Osama. From The Jerusalem Post, page 14, May 6, 2011: "A close ideological link exists between the Muslim Brotherhood and al-Qaida. The two organizations aspire to the similar goal of establishing an Islamic caliphate and imposing Islam on the entire world via jihad. Therefore it should come as no surprise that the Muslim Brotherhood and it s affiliates in Jordan and the Palestinian territories openly condemn Osama bin Lauden's assassination.

Lets look at the Fatah-Hamas alliance, signed last Wednesday, May 4, 2011. The PLO runs Fatah, or vice versa – but Fatah is a noted terrorist organization supported by American tax dollars with weapons and money, and luxuries for those on their payroll. It certainly doesn't go to help the Palestinian people. Hamas is a vicious terrorist organization. So, now even England, France and other nations are wondering what to do. Yet they are very weak-kneed. Can they accept this unity pact since Hamas refuses to accept Israel's right to exist, and in their own charter call for the extinction of Israel? They can if the UN says to do it. Can peace be brought about on that foundation? Of course not, but somehow the peace will be forced, and we get "when they say `peace and safety, then sudden destruction will come upon them' ". (**I Thessalonians 5:3; Jeremiah 6:14; 8:11**)
The rider on the white horse rides – the United Nations going forth to overcome—making the way for the other three horses of Revelation 6, who take earth of peace, bring famine, destroy world economy, and finally bring death to over six billion people. The UN sides with Yahuweh's enemies. They look benign with no arrow in their quiver, but they don't need any arrows, they are the masterminds behind those with arrows, the one who gives orders, at the Vatican's nod of approval. They work for the leadership of the Illuminati – the Vatican,

the beyond 33 degree Masons, and the "black royalty" of Europe – the ancient bloodline of Lucifer's children.
Like Hamas in Gaza, the Muslim Brotherhood has become a "political party" in Egypt--it is the granddaddy of all the terrorist organizations, being mother to Hamas. The word "Hamas" in Hebrew means "violence, cruel, injustice, damage, oppressor". Doesn't that describe them well? We are in the "days of Noah". **Genesis 6:11**: "The earth also was corrupt before Yahuweh and the earth was filled with violence".
The Muslim Brotherhood is headquartered in Damascus, as are all the terrorist organizations. Is it any wonder that Abba allows Damascus to be "a ruinous heap"? (**Isaiah 17:1**)
The Muslim Brotherhood is moving into all nations of unrest in the Middle East that surround Israel, to call for world jihad (holy war), moving especially into countries that have lost their stable leadership. [For foundational understanding refer to: "Launching the Chaos"]
But, also, they are moving into nations of the west, like France, the UK, and America, and taking over. When jihad is declared worldwide under this strong organization, then Jews and Christians will be targeted for slaughter. Any friend of Israel will be targeted. Right now, America is being set up by open invitation of the President.

Look at the pictures of those dead members of the Fogel family again. Let the impact hit your spirit. Now let me quote now from The Jerusalem Post front page, May 8, 2011. The headline reads: "**Top US Senators call on Obama to halt funding PA: …Days after Fatah-Hamas unity deal, EU transfers 85 million euros to Ramallah**".
"Twenty seven US Senators appealed on Friday to President Barak Obama to halt funding to a unified Fatah-Hamas government that refuses to renounce terrorism to recognize Israel." They made it clear to Obama: "It is imperative for you to make clear to President Abbas that Palestinian Authority participation in a unity government with an unreformed Hamas will jeopardize its relationship with the United States, including its receipt of US aid". The article goes on to say: "**Meanwhile, the United Nations and the European Union say that until more is known about the nature of the PA government to be formed, funding should continue as usual**".
The UN knows the nature of the terrorist "government". They even provided jihad schools in Gaza, and helped Hezbollah with the 2006 war with Israel, giving them Israel's positions, so that Israel would fail. We're talking about Lucifer's world headquarters, under the Vatican.

America, from the 1600s, has been controlled by the Vatican, the Luciferic Scottish Rite Masons, and leaders of the Illuminati. So it is no wonder that the United Nations is the mouthpiece for that demonic union.

Continuing with the Post article: "On Friday, Finance Minister Yuval Steinitz told Israel radio that the government had no intension of handing over money to Hamas, saying `It is important to send a clear warning to the Palestinian Authority and also to the world that we cannot countenance a terrorist government that on one hand talks about peace, and on the other hands continue, **with the money we transfer to it**, to buy missiles and rearm' ".

Good words Mr. Steintz! However your government is part of the EU, and in the face all the evidence, the EU is sending 85 million euros to Fatah/PA.

British Prime Minister David Cameron said similar words. From the May 6th post under "Befuddled Britain": "Cameron did say that the Palestinians must accept the principles of the Middle East Quartet--the US, UN, Russia and the EU…Cameron said that any new Palestinian government must reject violence, recognize Israel's right to exist, and encourage the peace process…However…Hamas repeatedly and outspokenly rejects Israel's right to exist. And just a few days ago…Hamas continues to engage in lethal terror attacks. A Hamas missile attack on a clearly marked school bus on April 7—which resulted in the death 10 days later of Daniel Viflic, 16, from head wounds…" For all the "peace" rhetoric, sudden destruction is coming closer!

The article concludes: "Like its Gordon-Brown led Labor predecessor, its unhelpful actions peak louder than its reassuring words…Now Cameron's Britain fails to condemn Abbas' partnership with the murderer Hamas. In the Britain of 2011, Israeli officers and politicians whose `crime' is defending their country, still face being treated like war criminals. But proven killers, avowedly bent on the destruction of Israel, are given the benefit of the doubt".

The leaders of Britain, France, and all others in the G-8 are subject to their superiors, like the EU, and the UN, and the US. Perhaps some of them would want to do right, but they are cowards and won't uphold right, because if they do, they know they'll be dead men.

The towns and cities of Israel near Gaza are continually bombarded with missiles, with the approval of Hamas. What if such a terrorist organization was firing missiles on American citizens inside America, year in, and year out, and the whole international community told America to be patient and kind and make peace? **Insane!!!**

For 63 years, Israel has lived under this kind of continual attacks, while the news media says it is Israel's fault. Israel is "occupying" Palestinian land, they say, and most people believe it.
Pray for Daniel Viflic's family. So many families in Israel grieve for the loss of their children, yet the world elite stand by and do not even invite Israel to be a member of their "war on terror".
Regarding the alliance of these two terrorist organizations--Fatah and Hamas (Muslim Brotherhood inside Israel--I will quote again from The Jerusalem Post, "The PLO's desperate defenders" by Caroline B Glick: "By most accounts, the Fatah-Hamas unity deal signing ceremony Wednesday (May 4th, 2011) was a grand affair. The ceremony was held under the auspices of the newly Muslim Brotherhood-friendly Egyptian intelligence services…UN representatives and Israeli Arab members of the Knesset were on hand to witness the historic accord, which officially put the PLO in bed with Hamas, the Palestinian branch of the Muslim Brotherhood…In an op-ed in The Washington Post on Wednesday, Jimmy Carter similarly praised the deal as a step forward. Never mentioning the fact that Hamas is a terrorist organization, Carter claimed that the deal will enhance Palestinian democracy". Can you believe that? I can, Carter is a devil. Carolyn goes on to say: "The point is not that Fatah and Hamas like each other. The point is that they are terrorists."
America funds Fatan/PA, and the money goes into weapons and into the bank account of Abbas and his cronies. Russia and Iran fund Hamas, and provide weapons to them, and to Egypt. It is all being set up for the destruction of Israel. **They have not figured the Yahwueh factor--Ezkekiel 38. Surprise, surprise!!! "The world will know that I am Yahuweh".**

What about Syria? Obama's the director of the Middle East show – telling leaders of nations to get out, or else…but not Syria. Is it because Syria is usable in the coming war? Iran backs Syria, and China and Russia and North Korea back Iran. So, are they waiting for WW III to begin before doing something about the headquarters of all of the terrorist organizations--Damascus? Probably …
**Isaiah 17:1**, the total wipe out of Damascus is in the making, but read on … it also involves Israel clear down to Ephraim, above Jerusalem, as well as the north part of Jordan, past Amman, clear down to the Wadi Majib (Fords of Arnon) on the Dead Sea--border of Moab and Ammon. Go to the Word—it's all in there! Syria is being set up for the destruction--Obama's looking the other way.

April 30th through May 2nd there was a six-planet alignment. During that time four things happened of significance: 1) The Royal Wedding, 2) The Beatification of Pope John Paul II, 3) The killing of Osama and 4) Prince Charles' historic meeting with Obama in the White House. What other things happened while people were being distracted by entertainment, illusion, and deceptions?

Am I a conspiracy theorist? DEFINITELY NOT!!! Abba just leads me to facts and report. He watches His enemies conspiring--plotting and planning--to destroy His people, to wipe out His Torah, to eliminate Him and destroy His creation. He lets me know what is misinformation and what is real, and what the enemy is doing. You can know what is coming also, by tapping into the mind of the Spirit of Yahuweh. He is very willing and able to teach, and show you things to come.
**Psalm 83:2-5**: "Do not be still, oh El! Look, Your enemies make an uproar and those hating You have lifted up their head. They craftily plot against Your people, and **conspire** against Your treasured ones…for they have **conspired** together with one heart—they have made covenant against You". Also see **Psalm 2:1-5**. The word "conspiracy" is used at least 32 times, plus related words, in the Tenach alone. The only people who throw out glib phrases to label others are those who are those trying to cover up their own ignorance and laziness. Unfortunately, many teachers and leaders of "believers" cover up their ignorance and laziness with bold, prideful self-righteousness, and pompous declarations. It sure fools the fools.
No, I do not listen to those who rant and rave about what the devil's doing. I want to know what Yahuweh is doing, and what He thinks. He is the only source of absolute Truth! He tells me what the devil's doing, giving His prospective, so I know more than what the devil's people know. You can too if you let Him teach you!

The economy: Yes, the little horn is working on plucking up the original three. Refer to "NAFTA and the Ten Toes" (July 2006)--it'll surprise many of you. The world is divided into ten economic regions, which the UN originally titled "the ten kingdoms"--as in **Daniel 7** and **Revelation 17**. The major three are known as the Trilateral Commission – the U.S. (North American Union), the E.U. (European Union), and Japan. Three people from each group control the economy of the world. These three most powerful blocks have to be brought down in order for world economy to collapse, causing more chaos to bring the order – the new world order – and so it begins with the big three. That's what the Japan earthquake/tsunami was all about, along

with the now falling of the euro and the dollar. The dollar is really falling on the world market. A Jerusalem Post headline reads: "Dollar's Nosedive has experts worried". Prices are rising, as the world's food supply is purposely and methodically being destroyed, as per the edicts of the elite "think tanks". Most people are slaves to their jobs to pay many times more than they should be paying for a house, a car, property, or possessions, even food. Isn't it time to re-evaluate what is really important in life, and get free? **Isaiah 2:5-22; Ezekiel 7, and Revelation 18** is not far off.

Yes, the nations as a whole are turning against Israel, and the churches too, at a rapid pace! **Zechariah 12:1-3** is being fulfilled. All embassies of nations are out of Jerusalem. Refer to the study: "East Jerusalem", for its coming down fast.
I have a friend whose ministry is to go to churches in nations of Europe to show them that they stand with Israel if their nation is to be a sheep nation, and acceptable in the Kingdom. She is finding that more and more Christians in Europe are believing the lies of the Arab-controlled news media lying propaganda machines, and Christians are their leaders are openly turning against Israel, calling themselves 'pro-Palestinian". There is no such thing as a Palestinian people – but they don't know that. So, my friend is showing them from Scripture the dangers of turning against Israel--cursing Israel--for themselves personally, and for their nation. It is a mighty work she's doing! But, why are there so few warning people not to curse Israel. We all know **Genesis 12:3**. Abba anoints those servants who are willing to do anything to serve Him. But, most want to serve themselves, and those they choose to serve--i.e. family, employer, social club, religious leader, or friends. There's a world out there in confusion and distress – you have the words of eternal life. I read about Brother Yun's mother in China, who never had a Bible but memorized three verses from a Bible someone else had, which she used to evangelize the lost. She gathered people in her home daily for prayer, all the time risking her life in doing so. Yet supposedly free people in the "free world" won't even cross the street to share the Good News with a neighbor, or gather anyone into their home for prayer. **So I ask: WHO'S FREE?**

Let me conclude about Israel by quoting from the editor of The Jerusalem Post, David Horowitz, May 6, 2011, "Out of the ashes…": "As Israel turns 63, it can sometimes feel as though the Jewish nation is back, not in 1948, without a friend in the neighborhood, but a few

years earlier still, with barely a friend in the world." "But, as the 63rd anniversary of our independence arrives, even as Gallup's global pollsters find our people to be the seventh-most contented on the planet, the threats to Israel are multiplying, in a region where, given the whirlwinds of turmoil, utter instability has become the norm." "Thus to take the most recent glaring example of such immoral discrimination, the free world this week rejoices, understandable, at the elimination of mass-murdering Islam terror chieftain Osama bin Landen, while, simultaneously, the free world legitimizes incomprehensibly, the Palestinian Authority's partnership with the mass-murdering Islam terrorism of Hamas…Tiny, vulnerable besieged Israel is first castigated by the UN and purportedly responsible world powers for the `unlawful' `extra-judicial' execution of suicide-bomb patron Sheikh Ahmed Yassin, and now encouraged to learn to live with Hamas." Referring to Obama's speech announcing the elimination of Osama: "**The President said: `As a country, we will never tolerate our security being threatened nor stand idly by when our people have been killed. We will be relentless in defense of our citizens and our friends and allies**…' ".
Talk about hypocrisy! All the while he is forcing the dividing of the land of Israel to her enemies, and setting up a scenario for Israel's total destruction.
Horowitz speaks of the appointment of the son of a Holocaust survivor, Benny Gantz, as Chief of Staff over the Israeli military. He seems like a really good choice. Horowitz says: "For Gantz and the IDF, the immediate practical consequence is that Egypt is `in play'. Remote from a collapsed central control, Sinai is becoming an anarchic zone of arms smuggling and terror planning…An open Egypt-Gaza border might free Israel from some of its obligations to the people of Gaza, but it would also fatally undermine the IDF's efforts to prevent arms smuggling into the strip". Pray for Benny Gantz. He has a huge job that neither he, nor any other human can successfully fulfill--the defense of Israel. Soon all of Israel will have to rely on the promises of **Ezekiel 38:18-23!**

OK--I will end with comments on the birth certificate joke: Obama's Hawaiian birth certificate. His grandmother, who was conveniently silenced the day before elections, even Michelle Obama, and the lead Kenya Newspaper when Obama was a Senator, all said he was born in Kenya. Even Obama admitted he was born in Kenya, back when he was a Senator. His birth certificate was challenged back then, and he made the joke that it didn't matter because he wasn't running for

President. Now this latest "official" birth certificate has been proven without a doubt to be a fake. I have lists of findings that prove it is a fake. This fake is sure obvious … pitiful actually. But, Donald Trump forced the White House to finally "release it", after all this time of people questioning the legitimacy of his presidency. Now, they're saying that those concerned about his birth certificate are racists. Ho hum … boring! The issue is that he is not the President of the United States, and even the military knows it, and many are angry at having to obey his orders. There is growing chaos between the branches of the US military.

Even as I write, there is more compounding to fulfill more prophecy. There's a big world out there that is soon to be devoid of people, and most of those people will go into the lake of fire, because so few cared enough to share with them about salvation. Who will get the more severe judgment—those who are lost, or the ones who wouldn't go tell them the truth? If you are born of the Spirit and have a Bible, you know more than most of the world's people about truth. **If His people don't get out of their comfort zone and get into the battle, the battle will find them and conquer them on their own turf.**
Are you grieved for the lost? Are you grieved and anguished for the lukewarm attitudes and rebellion of His people? We are in the time of the assembly of Laodicia. He will vomit out the "lukewarm".
It is time for action to reach the lost and dying all around us, and to prepare as many as possible for the coming of The Redemption.
Tomorrow, May 10th is Independence Day in Israel. I will be a part of Israel's celebration on their calendar tomorrow.
Get a map of Israel that has the towns and villages, and lay hands on it as you pray … pray for the settlers who are considered a liability, even by the Israeli secular government, since now they are forced to defend themselves against terrorists. The IDF pulled out of the "West Bank" – Samaria -- a few years ago, and now they are on their own. Obama and the western hierarchy says they have no right to build on, or live on their own land. But, we know that Yahuweh is soon to rise in anger and give His opinion.
Let us now put on spiritual sackcloth and put ashes on our heads, and weep and pray in anguish for the mercy of Yahuweh for His people—for the whole House of Ya'cob.
Shalom, with love,
Yedidah
