# ACCELERATING PLANS FOR ISRAEL'S DESTRUCTION

Vatican body asks UN to 'end Israeli occupation'

**From Reuters News Agency, published: 10.23.10**

In final statement of two-week conference, bishops' synod urges international community to take 'necessary legal steps to put an end to the occupation of the different Arab territories'

Israel cannot use the Biblical concept of a promised land or a chosen people to justify new "settlements" in Jerusalem or territorial claims, a Vatican synod on the Middle East said on Saturday. In its concluding message after two weeks of meetings, the synod of bishops from the Middle East also said it hoped a two-state solution for peace between Israel and the Palestinians could be lifted from dream to reality and called for peaceful conditions that would stop a Christian exodus from the region.

"We have meditated on the situation of the holy city of Jerusalem. We are anxious about the unilateral initiatives that threaten its composition and risk to change its demographic balance," the message said.

US-brokered peace talks have stalled since Israel rejected appeals to extend a temporary moratorium on settlement construction in the West Bank that expired last month. Since the freeze expired, Israel has announced plans to build another 238 homes in two east Jerusalem neighborhoods, drawing the condemnation of Palestinians and world leaders. In a separate part of the document -- a section on cooperation with Jews -- the synod fathers also took issue with Jews who use the Bible to justify settlements in the West Bank, which Israel captured in 1967.

"Recourse to theological and biblical positions which use the Word of God to wrongly justify injustices is not acceptable," the document said. Many Jewish settlers and right-wing Israelis claim

a biblical birthright to the West Bank, which they call Judea and Samaria and regard as a part of historical, ancient Israel given to the Jews by God.
Asked about the passage at a news conference, Greek-Melchite Archbishop Cyrille Salim Bustros, said:

*"We Christians cannot speak about the promised land for the Jewish people. There is no longer a chosen people. All men and women of all countries have become the chosen people.*

**"The concept of the promised land cannot be used as a base for the justification of the return of Jews to Israel and the displacement of Palestinians," he added. "The justification of Israel's occupation of the land of Palestine cannot be based on sacred scriptures."**

**Jerusalem remains a key issue of dispute. Palestinians want east Jerusalem for capital of a future state. Israel has annexed the area, a move never recognized internationally, and has declared Jerusalem to be its "united and eternal" capital.**

Israel did not include east Jerusalem as part of its 10-month building freeze, though most plans there were put on hold in March, when the U.S. protested reports of a new housing project leaked during a visit by Vice President Joe Biden…"

---

MY NOTES: I just sent a very exciting study/article out entitled "East Jerusalem", regarding what is to soon happen there. **What happens there will determine the destiny of every human being on planet earth!**

In the article "Hated For My Name's Sake", I tell how the Vatican has banned the Name of Yahuweh from their churches and the homes of their over one billion members worldwide. But, also, the whole international community has not only banned His Name, but also the Bible, calling it a hate-crime book, and the belief in the return of Messiah (not the rapture, which is a Jesuit-originated doctrine)--sighting belief in these things to be potentially dangerous to the government of the world. I know about all of this personally from my years of living in southern Jordan.

I have an article from the Jerusalem Post, October 22, 2010, recently saying that Abbas is threatening Israel that the PA will make unilateral moves if Israel doesn't stop building in East Jerusalem. Of course, America funds the PA and supplies weapons to this terrorist organization, while Russia, North Korea and China, supply money and weapons to Hamas, Hezbollah, Syria, and Iran. The U.N. is pressing for East Jerusalem to be the capitol of the "Palestinians", as well as the "West Bank" (Judea/Samaria) and other places to be put totally under PA controls, aligning to the U.N. 1947 partition of Israel and the pre-1967 borders.

Israel says that if the PA makes unilateral moves, Israel will also. That means war. The U.S. has freaked out at this, so the act appears on the surface, but… they are scared of losing control in the Middle East is all it amounts to. The all-pervading plan--the Mazzini/Pike plan—is going forth full throttle. To facilitate its implementation for World War II, the world rulers--basically stemming from three others ruling groups under the Illuminati's umbrella--the Masons, the Vatican, and the "Black Royalty" of Europe (all under Lucifer)--are preparing for and provoking the chaos needed in this region to break forth so that the U.N. can secure Jerusalem's East part for the anti-messiah's throne. Luke 21:20 is close—the dividing of Jerusalem is close, and woe to that nation that is pushing for it – which is primarily America.

While out walking in East Jerusalem recently, I was near the palace area of King David. I looked up and saw black olives at the top of the tree, and some on lower branches in clusters. I wrote in the article "Fall 2010" about the timing between the grape harvest (Elul—August/September) and the end of Heshvan (October/November). All of the end time battles and outbreaks of nations occur in this time period, as the Flood, which began on Heshvan 17 – Genesis 7. I took a lovely picture of the full moon over the Sea of Galilee on Heshvan 15. Then I realized that this was the week in which Noah was sealed in the ark with his family and the animals for preservation. (Isaiah 17:5-6, 11) Jerry Golden has been reporting on the fighter jets roaring overhead once again towards Syria—as in the last three October/November months – and I have been hearing them also in the last few days.

To enhance the outbreak of war, Syria is now being called upon as a negotiator between Israel, Hamas, Hezbollah, Iran, and now Saudi Arabia – Jerusalem Post October 22, 2010. Now Assad is playing "good cop". Of course, in the negotiations, Syria expects to be given the Golan Heights.

The U.N. has been slowly taking over Israel since 1947, and now the process is speeding up really fast. Yesterday I went along the Lebanon border and saw the U.N. headquarters on the Lebanese side--their "peacekeepers" being from either Arab nations, or from other nations that hate Israel. I also have seen two

U.N. headquarters on the Syrian side – one close to Mt. Hermon and one down further along the Golan Heights bordering Syria. They stay with the Arabs mostly. During the 2006 war with Hezbollah, they gave Israel's military positions on the Lebanese border to allow Hezbollah to "win" that war.

Now, according to the Jerusalem Post the U.N. wants to put new international schools into Gaza right next to Hamas military bases. The last time they did that, Hamas used the children as human shields in their fight with Israel. Israel has said a firm "NO" to their putting the schools there--of course Hamas has given the UN the permission and funding to do so.

Their main objective, submitted to their god Lucifer/Satan whom they serve, is to get rid of Yahuweh, His Torah, and His people off the earth completely. They are the ones that will secure the Temple Mount, in cooperation with the Vatican, to put the beast in power over the world. If you'll look at the two little Scriptures studies, "All Flesh" and "No Flesh Saved But A Remnant"—you will see lots of passages of Scripture that tell what is about to happen. Just before Messiah comes, the earth's population will have been reduced to a few hundred thousand. At His return, the earth's living population will go down to almost no one left alive, except His marked remnant, and the hiding remnant in the tunnels under East Jerusalem and the UN refugee camp at Petra.

Things are moving faster than ever before, as some of you have also noted in your correspondence to me. Those who hear the heart of Abba realize that His wrath is soon to come, and that Messiah is now mounting His white horse, dressed in the robes of the High Priest (Isaiah 59:14-17) ready to bring the wrath of Yahuweh on a very wicked world. And all the time, His people are trying to get rid of Him too – for He demands more than they are willing to commit to, and His plans often cross their having fun.

It can be said of our world today: "**Every man did what was right in his own eyes**". The world's people are being demonized to the point where they have no almost no will to stand for truth. I was talking to Abba one day recently about the mind programming that is so horrendous in America. He said this: "It is not mind programming that is taking over the people, but they are being systematically demonized".

People are at different stages of the process of demonizing—coming under the control of demons--which ends in demon possession. Yet, even the most sincere-sounding Messianics I know make excuses for their demonized family members, friends, children or spouse—relegating their behavior to "problems" or "issues" they need to "deal with". Their weak response is "please pray for …" Fallen angels are not "problems" or "issues" to be dealt with--they are tangible beings that will take a soul into the lake of fire with them. To condone such defilement is to open a wide door for ones' own demonizing.

One who is demonized CANNOT "change" – it is impossible – since beings are in control of their mind, emotions and will. They can mask the demonic activity by a fake spirituality, and fool most of the people—but they can't fool Yahuweh and they can't fool those who are His true servants, who have keen discernment of spirits. Thus they try to eliminate their "competition" by lies, slander, cruelty, sadism, and even death. A demonized person has to be delivered by one who has the authority to do so – or by their own proclamation if they have any will left. And, they have to want to be delivered, otherwise no one, not even Yahuweh, can deliver them. He will not cross the human will. Most tragically, many do not want to be delivered for they will lose their identity if the demons were gone, and their powers to control people.

I am well aware of what is happening to the majority of Christians, especially Messianics, because of the plans of the evil one. The DNA of the House of Israel/Ephraim is waking up and calling them back to the Torah—yet most are embracing Torah, for the most part, without the Spirit of Yahuweh and the nature of Yahuweh—for they are submitting to the teachings of man, and rejecting the instructions of the Spirit. So as a movement, the Messianics, like all religions, is fast becoming just another dead, lifeless religion, broken into many divisions and facets depending on what human people follow as their guru. Many Ephramites want to be "Jews", for they do not understand who they are, and they do not know how evil Judaism is as a religion. [Refer to: "Exposing the Roots of Rabbinic Judaism and its Links to Rome"] So few are truly born of the Spirit, filled with the Spirit, walking in the Spirit, led by the Spirit, and taught by the Spirit of Yahuweh! The "few" will enter the narrow gate. The masks are coming off the pretenders, and what is underneath is hideous. I'm out in the world among all types who call themselves "believers", and I see reality in the face. I've gone from being grieved, to being very sick. Thus when the anti-messiah comes with his entourage of fallen ones to the Temple Mount, the majority of the religious will bow to the new ruler-god who demands their worship. The story in Daniel 3 will be enacted by a few.

I am now watching these things up close, and seeing once again, for myself, how close we are to the final things that will separate a person either closer to Yahuweh and Yahushua, or seal their doom in the lake of fire. But with most, as the ship sinks, the band plays on … and they have no concept of the reality to come.

Keep up with the news in Israel … for **as Israel goes, so goes the world**. Anti-Semitism has risen dramatically of late in Europe, and is beginning to spread like cancer in the U.S., and all over the world.

Do not stick your head in the sand—look at what is happening all around you—the great falling away (apostasy) is in process. The great battle of the ages is

here.  The warriors know it very well.

In my dream of the woman with the machine gun, she said: "things are not as they appear", and then I was shown a mall scene in which the nice-looking people there transformed into monsters and evil beasts. People are morphing into one of two types—refer to "Morphing into Two Types of Humans"…  But, the masks ones are the most dangerous – II Corinthians 11:13-15.

We must have clear discernment of spirits, and know the nature of Abba Yahuweh, His ways and thinking, in order to steer clear of deception. When it all comes down to it, it is relationship with Him that counts more than anything else. It's not what we know, it's Who we know that counts!  You can have a head full of knowledge and still be damned—such it was with a great majority of Torah-guarding people in the Tenach.  He will take to Himself in the resurrection, millions who have never read a Bible because they've never had a Bible, yet have believed in the Savior who died for them, and rose for them, and embraced eternal life. Such are the Revelation 20:6 people who rule and reign with Him. They are so teachable—thus, correct knowledge will be given and received without hesitation when Messiah comes. He says to a multitude of people "depart from Me, I never knew you". Yes, it is because of their rejection of Messiah and Abba's Covenant, but also because they did not take the time to know Him, and for Him to know them. They played religious games but held on to other gods. So, it is now very hard to find anyone who is pure of heart, set-apart, without hidden agendas, goals, ambitions, and natures.  Beware… the times are closing in on us for the battle of the truly righteous and the truly wicked.

Why do I constantly call out the sins of His people, share my grief, shed light on what's behind masks, and call for repentance in almost every article? -- Because part of my calling is Isaiah 58:1 – it is the sins of His people that cause them to be estranged from Him and not know Him—that will send them to the lake of fire in His coming wrath. I want to warn as many as I can!  His standards are so much higher than anything religion teaches, yet people shun Him for the shallowness of man. There is "no fear of Yahuweh before their eyes".

Israel is facing its purging, but, the purging of the world will soon commence!

Shalom always, with love,

Yedidah, October 27, 2010
