***For any law firm, this is a significant challenge!*** However, for any party working in affiliation with the **PBF**, YAHUWAH demands excellence and the motives of the heart are at the top of the list [2 Chron 16:9; Prov 24:12]. The **PBF** affiliated Law Firm is no exception, pride and humility notwithstanding. The **PBF** affiliated Law Firm does not determine the success of the EB5 application process; YAHUWAH Aloahiyim does since He alone is in control of all things. YAHUWAH is the Sovereign of Sovereigns, and recognition of the validity of Truth and this reality has to be more than just lip service, despite any party's list of credentials and accomplishments [Deut 30:14; Isa 29:12-14; Ezek 33: 31-33], knowing that it is YAHUWAH'S unmerited favor out of His Light that yields success.

Because of PGO's affiliated **Private Banking Facility (PBF)** the Law Firm is able to serve **PGO** Members in a very unique way. In terms of financial & investment risk management in connection with the EB5 application process and federally mandated financial requirements, the **PBF** is able to provide the Law Firm's clients opportunities that are simply not available anywhere else. For this reason, the EB5 application process is made considerably safer from a financial standpoint. Financial and investment risk aside, there is still the issue of competent management with integrity in any related project.
