

## Man Child Financial Trust (MCFT) Goals and Targeted Funding

The stated goals of the **Man Child Financial Trust (MCFT)** are to be used by YAHUWAH Aloahiyim to bring forth the manifestation of the Father's Light, specifically money and resources, to those areas of financial need where they are needed most, consistent with scriptural mandates.

The Father is not insensitive to man's needs, but man must also comply with Aloahiyim's requisite demands in order to receive His favor **[Matt 6:8, 33; James 4:3]**. Receipt of all funds by the recipient must be viewed as a gift from YAHUWAH Aloahiyim out of His *Light* **[James 1:17]**, and nothing else. YAHUWAH owns it all, and despite the appearances in the natural, the funds released by the **MCFT** are from Him. The **MCFT** only gives as it is instructed by Aloahiyim.

No funding will be released to any causes or activities where the purposes of darkness would be served and/or advanced as determined by YAHUWAH Aloahiyim. In addition, and in absolutely all cases, no money shall be given to any charitable cause or activity where such provision would violate US law, or where such funding could be used to finance an illegal activity under US law.

### Types of Charitable Giving and/or Missionary Causes

The **MCFT** is only interested in giving where all recognition, acknowledgement, credit and reverence is given to YAHUWAH Aloahiyim, and where pursuant to such giving, the recipient would be expected to follow the directives of YAHUWAH Aloahiyim. Truth recognizes Truth, and Truth also recognizes the counterfeit.

Examples of Approved **MCFT** causes: serving the needs of children worldwide, including education; food banks, water, clothing, housing & shelter, and supply of other basic needs worldwide; certain medical, dental, and other health needs worldwide; and certain capital intensive programs and various missionary causes where the **MCFT** is led by the Ruach has Qodesh to act; etc.

This would necessarily rule out certain social and/or religious causes where giving would be inconsistent with scriptural authority and/or where the activity, cause, or agenda is or would constitute, an abomination to YAHUWAH Aloahiyim. YAHUWAH is not mocked; that which is sown . . . is that which is reaped **[Gal 6:7-8]**.
