

Description of *PBF* Ambassadors LLC

PBF Ambassadors are individual parties providing technical assistance and expertise to *PGO* Members interested in participating in the *PBF*. *PBF Ambassadors* also constitute an individual *ministry* working in tandem with *PGO*, operating as an instrument of Aloahiyim to manifest His good and perfect gifts [James 1:17] in and through each Ambassador. As with the case of all believers, Scripture declares that each *PBF* Ambassador is held accountable for what and how they present and/or otherwise speak the Word of Aloahiyim to any listener [Mal 3:16; Psalm 66:16; Rom 13: 1-2; Rev 15:4; others]. The Ambassador first as an Ambassador of Aloahiyim, and secondarily that of the *PBF*.

PBF Ambassadors are individual parties and/or companies that have already joined *PGO* as an active *PGO* Member, and that are charged with introducing and coordinating potential candidates within *PGO* to participate in the *Private Banking Facility (PBF)* for one or more of the myriad of financial programs offered through the *PBF*.

The *Private Banking Facility (PBF)* is a compositum of affiliated companies essentially providing to *PGO* Members exclusively, an unparalleled means to attain significant solid, tangible wealth measured in US Dollars with liquidity. The *PBF* operates under its WY administrative organization called *Freedom Capital PBF LLC ("Freedom Capital")*, and is responsible for payment to all *PBF Ambassadors*.

Additionally, the *PBF Ambassador* is required to diligently maintain an active, working knowledge of the particular *PBF* programs so as to properly inform and/or advise his or her respective referral *PBF* Candidate before becoming *PBF* Participants. To that extent, *PBF Ambassadors*, subject to the submission of an application and approval by *Freedom Capital PBF LLC*, must undergo limited, but sufficient training by the *PBF* in order to be proficient and accurate in what they relate to the referral *PBF* candidate. One referral fees are earned and have become due and payable, then *Freedom Capital PBF LLC* pays *PBF Ambassadors* directly

Once the referral of the potential *PBF* Candidate becomes an active *PBF Participant*, then the *PBF* works with the Candidate as he or she manages his or her respective assets as their own Co-Trustee of their respective Trust. The *PBF Ambassador* however is encouraged to operate as a bridge for information and/or ease of competent understanding between the *PBF* and the *PBF Participant*, if required, as may the case involving language difficulties. This avoids unnecessary confusion and delay on the part of all parties. At no time is the *PBF Ambassador* responsible for the information and/or actions of the *PBF* concerning any and all referrals, or subsequent performance on the part of the *PBF*.

PBF Ambassador Remuneration

PBF Ambassadors are not paid for any candidate becoming a *PGO* active Member. *PBF Ambassadors* are paid remuneration for up to one year following a respective Candidate's participation in the various *PBF* programs. Compensation can be a combination of both cash and credit funding their respective Credit Reserve Account within their own Trust. Within prescribed limits, such remuneration may be

rolled into one or more of the assorted **PBF** Wealth Building *Programs* offered to all **PGO** Members exclusively. Depending upon the program, remuneration can be increased substantially in a very short time. Moreover certain financial programs may be combined with others so as to maximize leverage without risk. The Ambassadors are free to decide how much of their cash remuneration, if any, is to be placed into and within the **PBF** at large and/or the **WBP**.

In the case of cash disbursements, **PBF Ambassadors** are paid as an independent contractor pursuant to filing Form 1099 with the **PBF'S** administrative staff. Otherwise, they are paid within their respective trusts tailored to maximize tax savings. Any and all amounts of Ambassador remuneration are paid by the **PBF** and are not charged to the potential candidates account. Thus, the entire gross amount of the candidate's transfer of funds or other assets into the **PBF** is a net deposit, and not subject to shrinkage due to **PBF** payment obligations to the coordinating **PBF Ambassador**.

Once the condition of the heart is ascertained, then the requisite technical proficiencies of the **PBF** can be taught to the **PBF Ambassador** in most instances [2 Chron 16:9; Prov 24:12; James 4:3; others].
