

Description of Perfect Gift Ambassadors, Inc. (PGA)

Perfect Gift Ambassadors, Inc. (PGA) is a WY Corp. providing technical assistance and expertise to PGO Members interested in participating in the **PBF**. **PGA is also a ministry** working in tandem with PGO.

PGA Ambassadors are individual parties and/or companies that have already joined **PGO** as an active PGO Member, and that are charged with introducing and coordinating potential candidates for PGO Membership and to participate in the **PBF** for the myriad of financial programs that it offers. Remuneration is not due and payable to the PGA Ambassador until and unless the respective **PBF** candidates place funds or other assets on deposit with the PBF, thereby becoming a **PBF Participant**.

Additionally, the **PGA Ambassador** is required to diligently maintain an active, working knowledge of the particular **PBF** program so as to properly inform and/or advise his or her respective referral **PBF** participant. To that extent, PBF Ambassadors must undergo LIMITED training by the **PBF** in order to be proficient and accurate in what they relate to the referral PBF candidate.

Once the referral potential candidate becomes a **PBF Participant**, then the **PBF** subsequently assumes all liability for information and/or advice to the **PBF Participant** as a part of the fiduciary responsibilities associated therewith, as well as overall **PBF** performance. The Ambassador however is required to operate as a bridge for information and/or ease of competent understanding between the **PBF** and the **PBF Participant**, if required, as may the case involving language difficulties. This avoids unnecessary confusion and delay on the part of all parties. At **no** time is the PGA Ambassador responsible for the information and/or actions of the **PBF** concerning any and all referrals, or subsequent performance on the part of the **PBF**.

Ambassador Remuneration

PGA Ambassadors are not paid for any candidate becoming a PGO active Member. PGA Ambassadors are paid remuneration (one time only) based only upon their respective referral candidate's **PBF** participation in certain select programs. Such remuneration may be rolled into assorted **PBF** financial time draft deposits offered through the **PBF Wealth Building Program (WBP)**. The Ambassadors are free to decide how much of their remuneration, if any, is to be placed into and within the **PBF** at large and/or the **WBP**.

PGA Ambassadors are paid as an independent contractor pursuant to filing Form 1099 with the PGA'S administrative staff. Any and all amounts of remuneration are paid by the **PBF** and not charged to the potential candidates account. Thus, the entire gross amount of the candidate's transfer of funds or other assets into the PBF is a net deposit, and not subject to shrinkage due **PBF** payment obligations to the coordinating PGA Ambassador.

Who May Become a PGA Ambassador?

Anyone, over the age of 18, who has a heart for YAHUWAH Aloahiym and who is interested in submitting an application. PGA Ambassadors would ideally know of certain parties that would benefit from participation in the **PBF**. PGA Ambassadors may also work with other services affiliated with PGO that work in tandem with the **PBF** such as the **PGO affiliated Immigration Services** offered through **PGLAA**. Once the condition of the heart is ascertained, then the requisite technical proficiencies of the **PBF** can be taught to the **PGA Ambassador** in most instances.
