

# BRACHOT OF YAHUWAH

A Prayer to Baruch our  
Souls (Psalm 103)

We are the most baruk (most favored) of **Abba Yahuwah**. The sword of **Abba Yahuwah** is drawn against those that seek after our souls. The spear of **Abba Yahuwah** (Hab. 3:11 and Joshua 8:18, 26) is aimed against those the evil one has sent to persecute us. No evil communication shall be successful against us because we are **Mar (master) YAH's servants**. No curses that are spoken against us, released towards us, or sent our way by the wicked or the religious will be successful against us this day or any day! They will not light/land upon us but slide down to the ground, sterile and non-effective.

We are under **Abba Yahuwah** His authority. We are under **MessiYah Yahushua** His blood, and we are under the whole panoply of the armor of **Yahuwah**. Every weapon formed against us will misfire today or any day. We declare that we are

**Mar YAH's** darling (Psalm 35:17). We are the favored of **Yahuwah** (Exodus 19:5)

**WE** declare that a mighty **Yoseph** mantle is upon us. We are set apart for such a time as this. In the spirit world of **Yetzirah**, we walk with a **Tallit of many colors**. We have the divine council and prudent understanding of **Abba Yahuwah** to prevail and solve mysteries, we have the strength to persevere, and the mind to excel and succeed.

Now, we baruch our whole being and declare that our:

- **Blood flow right!**
- **Heart beat right!**
- **Bones are strong!**
- **mind is clear and sound!**
- **Healthy Muscles carry us where we need to go!**
- **Healthy Skin insulate, protect and seal us!**
- **Healthy Organs and all within us function the way **Yahuwah** intended when He put us in our mother's womb!**
- **Youth is renewed like the eagles' now!**

Yes, we ask **Abba Yahuwah** to baruch us for length of days. We will live a baruched life today with a crown of righteousness on our head, a garment of **Praise** above us, and a **Tallit** across our shoulders to do what we are called to do. Mighty messengers of **Yahuwah** are all around us keeping our steps and prospering our way. We have great stamina. A wall of **Ruach** (Spirit of **Yahuwah**) fire is about us, and a canopy of **Ruach** fire is over us. The banner of **Yahuwah** is over our heads like a personal rainbow. We ask **Abba** to baruch us this day for an encounter with **Yahuwah**. We baruch our countenance to draw in from that encounter and our face to glow with **Yahuwah's** beauties, esteem and honor. His beauties, esteem and honor shall be seen upon us and it shall influence all who come in contact with us this day or any day.

We ask **Abba** to baruch us to be in the right place at the right time and to walk with a right spirit before our fellow man and family. We will walk right into destiny and divine appointments from **Yahuwah** today. If there is catastrophe today, we shall not be there when it happens. We shall be hidden in **Yahuwah's** pavilion.

**If there is violence today, we will not be there; the celestial mighty messengers of **Yahuwah** shall direct us away from the path of the violent. We will hear of it, but it will not come near to us. We are not under the circumstances, under the weather, or under fire. We are mounting up, and we have a broad wingspan. We will rise above it all. HalleluYah.**

**Even though our enemies may spread their nets for our feet, but we will see their pit and step around their trap. We shall escape; yet they shall fall into the very hole they prepared for us. This day, **Abba Yahuwah** is in the process of frustrating the tokens of the liars. He is bringing great controversy to our enemies' camps. Confusion totally drowns those that would dare to tamper with **Abba Yahuwah's** purposes for our life.**

**We also declare that we do not just believe we are baruched; we walk it out. We will demonstrate it. We decree it to be so. We speak that the mountains be brought down, our valleys be brought up, and the path of **Abba Yahuwah** be made straight in our lives. Our way is not hard nor the path difficult.**

We are alive by Abba **Yahuwah's** decree. We will stay alive and be active and productive. Our life will be full of **excellent deeds** and miracles so that when **Abba Yahuwah** decrees our time is up we will not linger nor languish, but have treasures to lay at our Master's feet. It will be a life well lived! We baruch ourselves in **HaShem /the Name Yahushua ha Mossiach ! Omein!**

We further declare and decree that **Abba Yahuwah's** barukot rest upon us this day and stay on forever. We are pleasing to **Abba Yahuwah** and He enjoys our fellowship. We are well-favored and more than able to receive His abundant provision. **Yahuwah's** messengers accompany us on our right hand and on our left. They shall guide us! **Abba Yahuwah's** **tovness/** loving kindness and deep caring and compassion of **Yahuwah** shall follow close behind us and be the guardians between us and our past.

**Abba Yahuwah** has determined that we shall have great success because we move in **Emunah/the believe** of **Aloahiym** and in strong courage. Our eyes shall see

the salvation of **Yahuwah**. He shall keep us safely under His wings and pinions. I declare this day that we are protected and delivered from the evil of the day for the rest of our lives. We shall not stumble nor fall, for **Ruach ha Qodesh / The SPIRIT of Yahuwah** has anointed our eyes with eye salve to see clearly and has given us ears of the **Ruach** to hear precisely. We will be called **Chokhmah** /highly intelligent/excellent in our generation.

Our soul will rest in **Yahuwah's shalom**. **Abba Yahuwah** has declared us to be strong and pleasing in His sight. We will eat the fruit of His promises in the land of the living and will enjoy long life and length of days because we have wholly trusted in **Yahuwah** our **Abba**. Our habitation shall be a place where we will rest in His love, find **tikvah** /positive great expectations for tomorrow, and delights/jubilee that shall strengthen us as we rest upon our bed. He shall restore our soul and give us **shalom**/rest in the stillness and quietness of our home.

In our prayer chamber, the **Ruach ha Qodesh / the Spirit of Yahuwah** shall birth a creative and powerful mind and give us sound ideas that will bring us great favor. He shall give us fresh anointings and baruch our ministry with great results. **HalleluYAH! Abba**

**Yahuwah** is pleased with us and has placed His Name upon our foreheads. We will call upon Him and He will show us great and mighty things we know not of.

In **HaShem /the Name Yahushua ha Mossiach** we pray! Omein!
