

Composite Summary of Ministry of Aloahiym

This ministry has no name and/or identification deliberately apart from YAHUWAH Aloahiym and His Son, the resurrected Yahushua the Messiah [John 17: 11, 21-23]. Eyd and Yahn EL do not seek attention or identify themselves as a prophet and/or apostle, but rather as emissaries of YAHUWAH [Matt 11: 13-15; Luke 16:16]. They manage their lives while here on the earth such that YAHUWAH can and does operate through them, manifesting Himself as He wills to do so [John 14:10, 12]. This is a function of the aligning the soul subserviently to the spirit, and their spirit becoming aligned subserviently with the Ruach ha Qodesh of YAHUWAH Aloahiym. The alignment process is NOT complete for them either; and has been and continues to be a work in progress for them as well.

Together, the couple's ministerial calling is NOT to empower, impart, or otherwise deliver something that is clearly NOT theirs or in their power to do so. ***How can anyone impart something of Aloahiym to another believer who also carries the same infinite power, authority, esteem and honor, and tangible substantive Presence of YAHUWAH, Yahushua the Messiah, and the Ruach ha Qodesh of YAHUWAH Aloahiym within them [Col 2: 9-10; 2 Pet 1:4; Phil 4:13], and wherein YAHUWAH Aloahiym is seeking to manifest through that same person if they would allow Him, and all true believers as well? Does that believer NOT belong to Him also, and is NOT Aloahiym all powerful? Does NOT Aloahiym request and require this ability of His freedom to operate in all of His people through their respective emunah, if they would simply obey His instructions and trust Him [Gal 5:16-17, 25; 2 Cor 3:6; Rom 8: 4-5]?***

It is YAHUWAH Whom accomplishes the impartation, not man, although many believers simply are not cognizant of His very self-existent and tangible Presence, nor do they perceive His Presence in real, quantitative terms. Thus, this is a function of the believer coming into the position and forward movement of the material (tangible) perception of the revelation of Who and What Aloahiym is in them, and who and what they are individually relative to Him. However, the relationship is more than just symbiotic; it is believer coming into the consummate and complete certainty and understanding in their spirits and souls, that YAHUWAH Aloahiym is NOT separate from him or her, but rather the core of the fiber of their being; the essence of their very existence [Gen 1:26-27; 2:7].

Once this is accomplished, then the election to become a member of the Man Child Company, a corporate group of believers synonymous with the Bride, the Overcomers, the Brethren, the Two Witnesses, the 144,000, etc. that is to be caught up in Rev 12:5, and that is unconditionally surrendered, sold-out, and otherwise subservient to YAHUWAH, is simplified. Each and every believer who wishes to be a part of the Man Child Company is eligible if and only if, they are willing to pay the price [Matt 6: 19-21, 33; Luke 11:9-13; 1 John 5: 14-15]. Thus, the focus of the Ministry of Aloahiym is to bring each and every believer into the very real perception of this oracle, and to further instill the determination in each and every person to become qualified members so that they

individually prepare themselves for this event. ***The mission of the Man Child is literally to usher in the New Millennium and the return of our Messiah/Savior/Redeemer Yahushua.***

As the countdown continues regarding the beginning of the Great Tribulation Period, members of this group will experience those days that are rapidly coming upon us far differently than other believers that refused to pay the price. Furthermore, each and every so-called believer will be called upon to account why they were unwilling to make the sacrifice of the flesh, which is required for entry into this group of set apart believers . . . ***set apart*** from the world systems, the religious community, their respective soulish desires, etc., such that there is no mixture of light and darkness.

What is that price? ***It is the price of absolute and total surrender of the carnal nature and lusts of the flesh which houses the carnal nature.*** Yahushua made it quite clear that if one loves YAHUWAH enough, then they must follow His commands [John 14:15; 21-24]. Those that do not love Him enough . . . simply won't follow them completely or at all. This is not difficult to understand. Furthermore, to those individuals who do love Him and prove it through their obedience, for obedience yields righteousness [Rom 5:19], then and only then does Yahushua promise to reveal Himself tangibly [John 14:21]. Thus, the love of Yahushua and YAHUWAH is the cornerstone, not love of one's carnal self and/or its sensual desires, that forms the basis of the *Shema* in Deut 6:4 and again in Mark 12: 29-30, being identified by the Messiah as the chief of all commandments.

Therefore, for purposes of inclusion in the Man Child Company, the *Shema* is a litmus test as to the extent to which one is surrendered; similar to a pregnancy test: a woman is either pregnant, or she is not. Those individuals who, in substance, are *part-time* virgins simply don't qualify!

Given that many profess to believe in the Messiah, the onus is upon each individual to gain the witness of YAHUWAH [John 5:36-37; 8:18] in order to be certain within the heart (spirit) and mind (soul) of the respective individual. An opinion born out of the soulish nature, or an opinionated commentary by other individuals is academic. When one has the witness of the Father in their spirit, then that person is advancing steadily forward, and *they will know it without any uncertainty* or doubt. ***Can this be achieved by any and all believers? Absolutely yes*** . . . because perfect love cast out all fear, which is NOT of YAHUWAH [2 Tim 1:7], and as Yahushua is, so are we in the present tense [1 John 4:17], ***“if”*** and as long as the Ruach ha Qodesh dwells within us. The ***“if”*** in Rom 8: 9-10 is a major qualifier, and if the Ruach ha Qodesh does not dwell within somebody, then unless they turn to Aloahiyim, and accept the gift of salvation that Yahushua died for so that we may receive it, then that person is dead where they stand.

However, talk is cheap and statements, vain arguments, and various qualifying conditions justifying contrary reasoning simply presents itself as lip service born out of spiritual blindness, delusion, religion, arrogance, pride, and carnal mindsets constituting nothing more than an excuse . . . if one is serious about his or her survival, let alone their respective membership in the Man Child Company.

As for each every believer in reference to themselves and for other individuals, pray therefore, that: (1) each person first receive their respective **salvation [Phil 2:12]**, since **this is the first step and rather critical for the believer**; (2) that each person would then press into the Realm of the Ruach (and not just the “spirit realm” which is dangerously deceptive); and (3) move to actively and aggressively (NOT passively) regulate their lives such that each and every believer attain the **oneness** that Yahushua prayed for in **John 17: 11, 21-23**. Yahushua never said a prayer that wasn’t answered.

The Man Child (aka: Bride) is both **for** the Messiah and **of** YAHUWAH and Yahushua. Therefore, this **oneness** is critical to becoming a qualified candidate. How can a person be one with Aloahiym if they are not one with His Ruach? **[See 1 Cor 6:17]**. Without the attaining of this **oneness** prayed for by Yahushua **[John 17: 11, 21-23]**, then a divorce would be all but inevitable as is described throughout the First Covenant. The Bride of the Renewed Covenant is to be without spot or blemish **[Eph 5:27]**.

Thus, **each believer must conform to the standards set before them by YAHUWAH Aloahiym (and not by man)** such that each believer who qualifies will become a member of the Man Child Company, and therefore be *caught up* to the Throne Room of YAHUWAH in Shamayim **[Rev 12:5]**. The catching up of the Man Child is an event that is soon to happen; occurring before the mass catching up as described in **1 Thes 4** and **1 Cor 15:52**.

Therefore, let each reader who reads the message of this ministry so named for Aloahiym (since it belongs to Aloahiym) receive the instructions of YAHUWAH into their respective spirit and soul with a resolute and determined heart and an attitude and disposition of earnest desire and humility to satisfy **His** requirements (and not that of man), so as NOT to be filtered (“sifted”) and removed from the goal pursuant to anger and resentment on the part of the respective individual **[Luke 22:31]**.

1 John 2:5 (KJV) But whoso keepeth his Word, in him verily is the love of Aloahiym perfected: hereby know we that we are in Him.

Aloahiym is love **[1 John 4:8]** and love itself in its purest form is of Aloahiym **[1 John 4:7]**. The love of Aloahiym in our hearts is that which YAHUWAH has given to each one of us and is poured out so as to be gushing forth with abundance by and through the Ruach ha Qodesh; providing us all with the expedient expectation of fulfillment of Aloahiym’s plans and purposes for each of us respectively **[Rom 5:5]**; which is accomplished by YAHUWAH Himself in and through each of us as we complete the surrender process of the divinely ordered alignment of our respective souls to our spirits, and our spirits to the Ruach ha Qodesh of YAHUWAH **[See Isa 44:2-8; 43: 10-12; 65: 16; 2 Cor 1:20; Rom 11:36; others]**.

Shalom,

Eyd and Yahn EL Stephenson, *Ministry of Aloahiym*

Personal Background Information

This information is made available only because the many inquiries of who we are, where we come, and where were we when each of us answered the call of YAHUWAH on our lives. ***It is the Ruach ha Qodesh of YAHUWAH Aloahiyim that quickens, and there is nothing of the flesh that can profit a man or woman anything [John 6:63].*** Scripture expressly declares that we must decrease so that YAHUWAH may increase in our lives **[John 3:30]**; and that YAHUWAH'S strength is perfected in our weaknesses **[2 Cor 12:9]**. There is nothing in our backgrounds that lends anything to the ministry that Aloahiyim has called us to. Many are called, but few are chosen **[Matt 22:14; 1 Cor 1:26]**, and it is not the ones who delight in their own qualifications that are chosen **[1 Tim 6:3-11; 2 Tim: 2:19-21]**.

For our part, we are the least qualified of anyone that we know of personally, or have read about in the Scriptures. The amazing part is that if Aloahiyim would use us, then we believe that He would probably use anybody who is truly, genuinely, and sincerely willing to serve Him and Him alone. YAHUWAH is very, very cool and awesome; infinite and unlimited in every aspect of His self-existent *Shem* (Name and Character of Being), and we truly love Him with all of our heart, soul, mind and strength **[Mark 12:29-30]**. This is probably why He chose us for our mission, and we are more than just ecstatic about it. We are consumed with His Presence; YAHUWAH'S consuming fire **[Heb 12:29]**.
