

Power of YAHUWAH's Word

26-4-12 YAHUSHUA ha Moshiach's Message to the World: Part A

Matt 12:29 Or else how can one enter into a strong man's house, and spoil his goods, except he first bind the strong man? and then he will spoil his house.

Matt 12:30 He that is not with Me is **against** me; and he that gathereth not with Me scattereth abroad.

As the world watches what is happening in Iran, Israel, the rest of the of Middle East, and the Ukraine-Russia war, it is also witnessing the total rejection of Truth as defined in **John 14:6** which states: **Yahushua saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.**

Truth is absolute; Truth never changes [**Mal 3:6; Heb 13:8**]. Fact is relative . . . what is fact today may not be fact tomorrow. But Truth supersedes fact. YAHUSHUA never changes; He is the same forever as well [**Heb 13:8**] and the Word of YAHUWAH-YAHUSHUA never changes; it is also eternal [**Mark 13:31; Matt 24:35; others**].

Question: Why is this simple truth lost on the US population and its allies?

Answer: Are they of the world, or are they of YAHUSHUA? [**See John 15:18-27**]. This is a battle between YAHUWAH's Light because YAHUWAH is pure, perfect divine Light [**1 John 1:5; James 1:17**] and the evil darkness of Satan and there is no middle ground. One is either in YAHUWAH's Light or in the darkness of Satan (god of this world) [**Matt 12:30; others**]. YAHUWAH created the darkness (absence of light) [**Isa 45:7**] for His purposes: to test man. If the proclivity of a person is to live in darkness having been often reprov'd [**Prov 29:1**], then he or she necessarily becomes an enemy of YAHUWAH which is a death sentence [**Matt 8:12; 22:13; 25:30; others**].

Certain NATO countries and other allies were given an invitation to join President Trump's call to join the US in this battle against Iran to help prevent likely nuclear war.

Many of these countries ultimately responded belatedly with a litany of excuses weeks later after President Trump labeled them as ungrateful cowards, yet many of these countries' populations profess to be Christian or self-declared Believers, ostensibly having some knowledge of Scripture.

These countries' response was guided by domestic and international politics, fear of US economic retaliation, and fear of Iran, all elements of the flesh . . . **not by the Word of YAHUWAH nor their love for YAHUWAH and His Messiah, Yahushua.** Any true believer

will necessarily read and keep YAHUWAH's Word, making sure that he or she is obedient to His Word **[John 8:12; 14:15, 23]**, making every effort to live their respective life in the Realm of YAHUWAH's pure, perfect Light (the Realm of the Ruach ha Kodesh = YAHUWAH's Righteousness) and NOT the flesh.

President Trump has been anointed to lead this country, to become an example for the world to follow, and to reverse the catastrophic evil that was brought upon this country through both the Obama and Biden administrations, and the far-left radical Democrats in office at the state and federal level. President Trump was absolutely correct in labeling these Democrats as enemies of the USA. **Matt 24: 6-8,14** is on full display before us.

When any person, domestic or international, whether a private citizen or government spokesperson, makes a public statement and acts against YAHUWAH's anointed, they pay a huge price **[See Psalms 105:15; Luke 10:16; 19:27; others]**.

What is an anointing? It is NOT just someone who had some anointing oil poured over their heads, as some authors on the subject represent. An anointing is a **supernatural** enabling and empowerment to accomplish a specific purpose of YAHUWAH **[John 14:13-14; 15:16, 7, in that order]**.

It is YAHUWAH Who chooses that person and gives that anointing, NOT man. As Scripture provides when any person or a country leader comes against YAHUWAH's anointed, they are coming against YAHUWAH Himself **[Luke 10:16]**, and is by definition rebellion (regarded as "witchcraft") **[See 1 Sam 12:15; 15:23; Psalms 107:10-11; Job 34:37; Rev 21:8; 22:15; others]**. Thus, the citizens of these allied countries, as well as certain members of the US population, whether they are officials holding office or not, but whose hearts, thoughts, words, and actions are evil will be judged and pay the price of allowing Satan to control them **[Prov 1:7; 2 Cor 11: 14-15; 2 Pet 2: 12-22; 2 Thes 2: 10-12; others]**.

The regime in Iran is evil and the actions thereof are evil with thousands of years of having practiced evil due to the principality of that country (Persia) manipulating and controlling vast segments of that country's population. **[See Dan 10:12-21]**. Therefore, how can populations of people (in any country) who profess to have accepted YAHUSHUA as their Redeemer, Savior, and Messiah, refuse to align and ally themselves with YAHUSHUA when His Word clearly states the obvious in **Matt 12: 29-30**? These particular country leaders who have delayed their decisions have already cursed their own people through their disobedience and ignorance of the Truth is no excuse **[John 3: 18-21]**. They are only in power because YAHUWAH, Who is in control of all things, at all times, has allowed them to hold office **[Dan 2:21-22; Palms 24:1; Isa 40:12; 45: 1-12, 18; Jer 27:5; others]** and the respective populations of those countries will be held accountable as well who support and promote the evil that these leaders practice.

President Trump, having focused on US military objectives has called for total annihilation of certain sectors of the Iranian infrastructure if the Iranian Revolutionary Guard Corp does not allow passage through the Strait of Hormuz.

Personally, I don't see this as feasible since the remaining remnant of the earlier Iranian regime hides behind the civilian population using civilians as a shield for cover. Efforts to take out civilian targets would necessarily cause massive collateral damage. Therefore, a surgical strike that removes the evil participants of the regime only, while preserving the innocent civilians addresses the cause and leaves the innocent out of harm's way.

There is a means to accomplish the military goals which in this case are righteous according to YAHUWAH's standards with 100% certainty. YAHUWAH orchestrated this very same action during the same time of the year "Purim". Feb 28, 2026, the first day of US and Israeli airstrikes, was the beginning of the observance of Purim and the Shabbat ("Sabbath").

The **Book of Esther, Chapters 9 and 10** provides a depiction of when the Jews of her day were targeted by for death by Haman. Haman, who was the type and shadow of Satan, hated the Jews just as the Iranian regime hates the Jews and the US today. Purim was the period of time when the Jews were to be exterminated by Haman's order as the Number 2 highest in office official. However, pursuant to prayer and 3 days of fasting by order of Esther, YAHUWAH gave Esther favor with the King, Number 1 highest in office, and Haman and his sons were hung on the very gallows that he intended for the Jews.

Article published by Revelation Road and sent to my wife, Yahn EL Stephenson: The power of YAHUWAH's Word:

Every language separates words from things. In English, a word is something you say. A thing is something that exists. One is abstract. The other is concrete. They live in completely different categories.

Hebrew disagrees. Dabar (דָּבָר) Pronounced: dah-VAHR

Dabar means **word**. It also means thing, matter, event, reality. Not as a coincidence. Not as a quirk of ancient vocabulary because Hebrew understands something that Western thinking has lost.

Words are not separate from reality. Words create reality. When **Gen 1** says, "And Elohim said, let there be light," the text uses Dabar. YaHuWaH spoke a word and a thing appeared. Same root. Because in the Hebrew mind, the word and the thing it produces are not two separate events. They are one. This is not poetry. This is theology with teeth.

The Ten Commandments are not called the Ten Commandments in Hebrew. They are called the Aseret HaD'varim, the Ten Words. Not rules. Not laws. Words. Because YaHuWaH's words

do not describe reality. They construct it. When He speaks, substance follows. There is no gap between what He says and what exists.

Now here is where it gets uncomfortable. You are made in His image. And YahUshua said you would give an account for every idle word (Dabar) you speak **[Matt 12:36]**. Not because YaHuWaH is keeping score like a strict teacher. But because your words are not idle. They are not floating harmlessly into the air and dissolving. Every Dabar you speak is constructing something.

Think about what you have been saying this week. "I will never get out of this situation." That is a Dabar. And it is building something. "My family will never change." That is a Dabar. And it is building something. "I am not good enough." That is a Dabar. And it is building something. You have been treating your mouth like a vent. A place to release pressure. A place to express frustration. But Hebrew says your mouth is a construction site. Every sentence is a brick. And you have been building materials you would never choose if you could see the structure taking shape.

Prov 18:21 says death and life are in the power of the tongue. In Hebrew, the word for power there is yad, which literally means hand. Death and life are in the hand of the tongue. Your tongue has a grip on outcomes you have not even seen yet. This does not mean you fake positivity. YaHuWaH does not want you performing happiness while your Lev (heart; the center of a person's being -the seat of thoughts, emotions, will, decisions, and spiritual life) is breaking.

What it means is that you become intentional about the Dabar you release. You speak what YaHuWaH says about your situation instead of what your fear says about it. Not because you are denying reality, but because you are choosing which reality to build. YaHuWaH's Dabar over your life says you are chosen. You are provided for. You are not abandoned. You are being refined, not destroyed. That is the Dabar you build with.

Prayer for today: YaHuWaH, Forgive me for the careless words I have spoken over my life, my family, and my future. I did not know I was building with every sentence. Teach me to speak Your Dabar over my circumstances instead of my fear. Let my mouth become a place where life is constructed, not demolished. Align my words with Yours, because Yours never return empty. In the name of YahUshua, Amien/Ahmin. Your mouth has been busy this week. The question is not whether you have been.

End of Article.

Words have power when they are aligned with YAHUWAH's purposes **[1 John 5:14-15]**.

Matt 22:29 And יהושע answering, said to them, "You go astray, not knowing the Scriptures nor the power of YAHUWAH Eloah Aloahiym". The converse of this is true also. When a person

comes to know the Scriptures, then they come to know and experience the power of YAHUWAH Eloah Aloahiym.

The Scriptures contain many examples where YAHUWAH intervened supernaturally to save His people. ***Answered prayer is the intersection point between the supernatural and the natural (this dimension).*** Visualize touching the left forefinger with the right forefinger on a person's hand. Where they touch is that intersection point pursuant to prayer [Jer 29: 12-13; Matt 7: 7-11; 21:22; John 14:13-14; 15:7; 16:24; 1 John 5: 14-15; others].

The Challenge to King Hezekiah

Isaiah, Chapters 36 and **37** describe what took place when Rabshakeh, a battlefield commander leading a massive army, invaded Judah and came against Hezekiah, the king in Jerusalem. Hezekiah was vastly outnumbered and outgunned, so he called out to YAHUWAH for divine help. The nabi Isaiah was commanded by YAHUWAH to go to Hezekiah and deliver a message. That night, 185,000 hard-core battle seasoned warriors were killed in their sleep without a shot being fired. The Assyrians had come against YAHUWAH's anointed and insulted and threatened not only Hezekiah, but also openly challenged YAHUWAH, the Most High.

No person can negotiate with the devil. He is a pathological liar from the beginning, a murderer, and the father of all lies because there is no truth in him [John 8:44]. However, Hezekiah had earlier stolen gold and silver from the Temple and paid it to Sennecherib, King of Assyria [2 Kings 18:14-16] in an effort to placate him for the sake of peace, despite his track history of following and obeying YAHUWAH's instructions for most of his life.

The Challenge of Iran

The Iranian regime has mocked, insulted, and acted on those threats to both Israel and the US in much the same manner. When the Iranian regime, evil as it is, mocks, insults, and challenges either the US or Israel, then they are mocking, insulting, and challenging the Sovereign power of YAHUWAH as well. YAHUWAH is quite capable of surgically removing this same evil regime in Iran, including the IRGC and all its cronies, from the rest of the population and will hasten to do it [Deut 32:35; Jer 1:10,12; Isa 10:12, 33; 30: 1-3, 30-33; 31: 1-3, 5-9; Luke 19: 27; others]. This is precisely what YAHUWAH did after Hezekiah petitioned YAHUWAH to come to his aid.

Isaiah was used to deliver the message that YAHUWAH will prevent the Assyrian army from coming through the gates of Jerusalem. In this depiction, a divine messenger was dispatched for this purpose. YAHUWAH is saying that He will do the same thing for President Trump.

However, YAHUWAH says that President Trump must lead the effort by doing the same thing that King Hezekiah did. He must cry out to YAHUWAH directly and humbly USING

YAHUWAH's NAME [See Prov 30:4; Joel 2:32; Palms 91:14-16; 2 Chron 7:14; others] and request His divine intervention in full, uncompromised trust and reliance in YAHUWAH.

This must be performed with EXPECTANCY because our confidence is in YAHUWAH, **not** man [See Isa 30: 1-3; 31:1-3; Psalms 20: 6-7; Mark 11: 22-24].

In this effort by President Trump, he is to acknowledge the sovereignty of YAHUWAH, the Most High, and request that YAHUWAH send a messenger to address the Iran issue and take out those individuals that are evil, and have been practicing evil . . . in the natural and supernaturally. This will save innocent lives, as well as billions of dollars and bring peace to the Middle East. This is symbolized by that intersection point of the supernatural with the natural. The two dimensions co-exist simultaneously.

The United States is an anointed, Covenant nation with YAHUWAH-YAHUSHUA as is Israel. This same approach can be used to rid the US of the evil that has penetrated our society and government. It can also be used to fight the evil that is taking place in Russia, Ukraine, China, and North Korea and the evil that is present in Israel's society. [See Matt 24:14; 28:18; Luke 24:47; Mark 16:15-17].

To YAHUWAH-YAHUSHUA, goes all the praise, all the credit, and all the esteem and honor and NOT man. Amen.
