## Part C: Discussion of the Deep State

**Opening Prayer:** Father YAHUWAH-YAHUSHUA, we thank you for this opportunity to share this information as You have given it us. We ask that you open the hearts, eyes, ears, mindsets, perception, and discernment of those people who read this message as You emphasize in **Eph 1:17-2:10**, giving them understanding according to your perfect will for each and every reader. Amein.

**Question:** What is the greatest problem facing the nation (America)?

**Answer:** The spiritual condition of this country's population and its overall leadership.

**Joh 4:23** But the hour cometh, and now is, when the true worshippers shall worship the Father in spirit and in truth: for the Father seeketh such to worship him.

**Joh 4:24** God (YAHUWAH) is a Spirit: and they that worship him must worship *him* in spirit and in truth.

If one is truly worshiping the Father in "spirit and in truth", then the other problems within this country (and those pertaining to the outside world) will be resolved and/or disappear, for He answers the cries of His people who are calling out to Him for deliverance. The delivery of those that truly belong to YAHUWAH is just one of YAHUWAH's covenant promises [**Exod 2:23-25; 3:7-10; 22:23; 1 Sam 7:8; 2 Sam 22:7-21; 2 Chron 6:19; Psalm 17: 1-3; others**].

### What is the Deep State?

The Deep State, a term made popular by President Trump, is a centralized mechanism that constitutes an unlawful grab for power, influence, and control over religion, economics, and politics, by gaining control of the money supply with wicked, evil intent. This control is the seat of Satan's power over the masses as is easily seen throughout the whole of **Rev Chapter 17**. [**See also Rev 13:7**]. The great whore identified **Rev 17:5** is the head of Babylon, referred to herein as the Babylonian Systems. The woman riding the beast is NOT the same as the woman identified in **Rev 12:1-17**. **Rev 12: 1-17** refers to the Remnant. More on this later in this post.

As believers strive to maintain the satisfaction of the rigid standards of today's various institutional bureaucracies formed in support of these Babylonian Systems controlled by the Deep State, their sustained focus inevitably is removed off of true worship and trust of YAHUWAH-YAHUSHUA due to the time spent working or creating an environment that supports the maintenance of a lifestyle,

standard of living, healthcare maintenance, etc. Standard employment work weeks have grown to such an extent that both parties to a marriage or household are required to work to pay bills and make ends meet resulting in far less qualitative time spent in worshipping YAHUWAH-YAHUSHUA, let alone trusting in His provision in direct contrast to **Phil 4:19; Psalm 23:1; Prov 3:5-6; others.**

The reason for this is the carnal nature **[Rom 8: 6-7]** begins to second-guess YAHUWAH's covenant promises and these people are now running their respective lives according to their flesh instead of YAHUWAH's Ruach ha Qodesh. **[Rom 8:1-10; 2 Cor 10: 3-6; 7:1; Gal 5:17-25; others].** **The result is that these people become friends of the world wherein they become an enemy of YAHUWAH Eloah because of their personal and professional lifestyle [James 4:4].** This condition if allowed to perpetuate becomes a death sentence **[the whole of Rom Chap 8]** with the end result that they are NOT prepared for the encounter of the Great Tribulation soon to arrive. *[Example: Reactions worldwide to the COVID pandemic scare. How many actually received any or more of the COVID vaccinations rather than trust in YAHUWAH to keep them safe].* **[See Joel 2:32; the whole of Psalm 107 and Psalm 91].**

There is hope for these people, however. **John 6:37** declares if one turns to YAHUSHUA exclusively and with a repentant heart and seek forgiveness for doubting Him, then He will not cast you out.

In 1694, the Bank of England was formed by act of English parliament for the purpose backed by the Rothchild family. England had borrowed money from the Rothchilds to finance its wars in Europe and against France and Spain in North America, and had no way to satisfy the interest on the debt. The English Crown headed by King George III, began to tax the American Colonies and prohibited them from issuing and circulating their own currency, forcing them to use the English currency of the day. The Colonies subsequently rebelled against King George, declaring their independence from the Crown (Declaration of Independence signed July 4, 1776) as independent states and their allegiance to YAHUWAH, our Creator, the Most High.

The Rothchild Banking Cartel subsequently loaned the independent states money, thereby financing both sides of the Revolutionary War.

This debt was the beginning of the control over the money supply that was subsequently weaponized in 1863 when then President Lincoln signed the National Banking Act creating a parallel monetary system in order to preserve the Union at all costs. One side used debt free Greenbacks issued directly by the US Treasury and the other side used debt instruments (US Bank Notes) issued by chartered US National Banks. This was the beginning of the Deep State debt money system in the United States.

In the words of Mayer Amschel Rothchild (1744–1812) on May 1, 1776: “Give me the power to control a nation’s currency. I care not who makes its laws.”

## 1.0 Deep State 250-Year Timeline

A) Declaration of Independence: July 4, 1776 Revolutionary War of Independence

B) U.S Constitution proposed on Sept 17, 1787, and was ratified by 9 of the 13 independent states creating a central government that guaranteed the debts **owed to the Rothchild banks** by the 13 independent States.

C) Treaty of Paris signed Sept 3, 1783 effectively ending the American Revolutionary War.

D) December 1792, the US Congress passed the legislation that chartered the First Bank of the United States, and signed into law by President George Washington. This legislation did not create the Federal Reserve and was a 20-year revocable charter that had the power to loan money to the US Treasury, creating a debt relationship by law between the US Government and the First Bank of the United States. -This legislation would automatically have expired at the end of this 20-year period.

E) War of 1812 started by England when the US Congress refused to renew the Banking charter with the First Bank of the United States for an additional 20-years.

F) The War effectively ended with the Treaty of Ghent signed 12-24-1814 with the Senate ratifying the Treaty of Ghent in 1815. As a result, the Second Bank of the United States was chartered by the US Congress in 1816 for 20 years.

G) President Andrew Jackson effectively destroyed the Second Bank of the United States through a series of decisive actions between 1832 and 1836, beginning with his veto of the bank’s recharter bill on July 10, 1832, despite its charter not expiring until 1836. In his veto message, Jackson condemned the bank as a corrupt, unconstitutional monopoly that threatened liberty and served elite interests over those of the common people.

In September 1833, Jackson delivered the critical blow by ordering the removal of all federal deposits from the Second Bank, redirecting them to state-chartered banks known as "**pet banks.**" This move crippled the bank’s financial power and influence. The bank’s president, Nicholas Biddle, retaliated by tightening credit, but the damage was irreversible. The bank’s federal charter expired in 1836, and it ceased to operate as a national institution, marking the end of America’s second Central Bank.

H) President Lincoln authorized the first “Greenbacks” Debt Free Money under the legal Tender Act of Feb 25, 1862 to finance the enormous costs of the Civil War when the U.S was facing bankruptcy and a shortage of gold and silver to pay troops.

I) National Banking Act of 1863-64 set the stage for the legislation in 1913 that created the Federal Reserve, a private “*Central Bank*” but with the power to control our Nation’s Money Supply.

J) The legislation known as the Crime of 1873 demonetized silver and set the stage for the repeal of the Coinage Act of 1792 which had made silver and gold coin based on weight denominated in U.S dollars (called “*species currency*”) as the legal tender currency of the United States, allowing the species currency to be converted to gold or silver coin by weight. (Article 1, Section 10 of the US Constitution declares that nothing, but gold and silver shall be payment of all debts, both public and private). This law is still on the books today, but the Federal Reserve Act of 1913 set it aside without using the Article 5 Due Process of Law to amend the Constitution.

Gold could be converted to silver at a 1:15 ratio (1 oz of gold to 15 oz of silver). This action effectively removed the power away from the people to control the money supply, and gave this control to a Central Banking facility, paving the way for the formation of the Federal Reserve System. The Federal Reserve Act of 1913 removed the Constitutional power away from Congress over the control of the currency and money supply to a private Central Bank powered by the international banking cartel controlled by the Rothchild banking interests consisting of 5 European central banks.

K) The Emergency Banking Act of March 9, 1933, forced citizens to turn in their gold valued at \$20.87 per ounce, receiving irredeemable paper currency in exchange as legal tender for their gold. If there were any attempts to retain their respective gold, these respective citizens were subject to 10 years in jail and a \$10,000 fine, or both. One year later the official price of gold was set by the US Treasury at \$35.00 per ounce and U.S. citizens were prohibited from owning gold, and subject to the same penalties of fines and imprisonment.

L) In 1944, the U.S. controlled the world’s supply of gold bullion. The Bretton Woods Agreement was passed requiring a 25% gold bullion Reserve for every U.S Dollar (USD). The gold bullion was held on deposit with the Federal Reserve at the Gold Bullion Depository located at Fort Knox, KY.

This action gave rise to two decades of world monetary stability and unparalleled economic growth resulting in the US Dollar becoming the Reserve currency of the World Banking System. In 1971, the US abandoned the gold standard and created an irredeemable currency called Federal Reserve Notes (FRN) becoming the legal tender of the United States backed by oil traded

worldwide (in US Dollars) and US Federal Reserve manufactured debt guaranteed by the Full Faith and Credit of the United States Government.

The Deep State in their master plan, was (is) to destroy the United States in order to create a one-world government with a one world currency and a one-world religion under the control of the Deep State (a recorded historical event on May 1, 1776). Their strategy was (is) to use their control of the money supply and the currency both, to manipulate and control the politicians, the legal system, the world economies, and the churches (organized religion, sectarian conflicts) by financing never ending wars, including the Cold War and regional wars beginning with the Korean conflict (which ended in a truce with a nation controlled by bellicose dictators that eventually got control of nuclear weapons capable of threatening the whole world; i.e., North Korea and Iran, but also including the War on Poverty, War on Drugs, War on Terror following 9-11, 2001, War on Climate Change, various insurrections, general civil unrest, financial panics through the control and manipulation of the money supply (i.e., COVID) and otherwise fomenting rebellion against the lawful government of the United States, i.e., the riots in the United States and elsewhere centered around the Oct 7, 2023 invasion of Israel, and the War in Ukraine, among others. At some point, the Deep State would (will) call the debt due and payable by demanding hard assets resulting in the accomplishment of this control, thereby resulting in the inability of any country to satisfy this debt, including the United States. Thus, the United States would lose its status as the Reserve Currency of the World Banking System, becoming a third world nation.

M) The Vietnam conflict which almost bankrupted the U.S and causing civil unrest and a recession with an unparalleled misery index of stagflation (hyperinflation and high unemployment), from this war until today, the Deep State controlled U.S. has been unable to maintain the required Gold reserves as required by the Bretton Woods Agreement, and delinked gold in 1971 from the US Dollar, ushering in the advent of the Petro Dollar which quadrupled the price of gas in 1972-1974 by OPEC.

N) The Monetary Control Act of 1980 set the stage for the monetization of debt through the Federal Reserve to finance ever increasing budget deficits, thus further increasing total debt. This action had the effect of turning the National Debt into currency Reserves.

O) In 2001, the US Debt was \$5.8 Trillion with a budget surplus and 32% National Debt to GDP ratio. With the Deep State being in control of our nation's money supply, the National Debt rose to the current amount of \$39 Trillion (expected to exceed \$40 Trillion) with 124% National Debt to GDP and projected to hit \$2.0 Trillion current National Budget Deficit in 2026.

Thus, the use of debt to finance the growing budget deficit has created an unsustainable monetary policy since the National Debt is now rising faster than the Gross Domestic Product (GDP), giving rise to misery index that exceeds anything in recent history. As a result, the financial

health of this nation is at risk, and the country faces an unparalleled tangible threat for its very existence.

In the United States, as of early 2026, there were (are) approximately 133.68 million to 134.79 million households. With a National Debt of soon to be \$40 Trillion, this equates to almost \$300,000 of National Debt liability per household. As a result, visualize adding \$300,000 and the interest on that debt to every single mortgage or housing rental agreement with this additional cost being borne out through higher taxes, higher costs of goods, higher transportation costs; virtually every aspect of life. Thus, assume a house is valued at \$400,000 securing a mortgage loan of \$300,000. The real debt against this house is \$600,000 placing the homeowner in an upside-down position in terms of market value and liability exposure.

**Who controls this debt?** -The federal government.- **Who controls the federal government?** To a certain extent consistent with the influence & power of money, the Deep State. **-Who controls the Deep State?** -Satan and his minions. -Satan is using the Deep State as a platform to propagate his lies and keep the people enslaved to the bondage of the Babylonian debt money system.

**American Citizens' Accountability to YAHUSHUA for Choosing Man's praise over the Praise of YAHUWAH [See Isa 29:13; Matt 15:8; Mark 7:6; John 12:42-43].**

It is no accident that the federal deficit continues to grow given the desires and motives of the Democrats and RINO Republicans in Congress, compounding the National Debt for the past few decades, by adding the annual deficits and the unpaid annual interest to the existing National Debt, causing this National Debt balance to compound with each passing year.

Couple this action with the massive fraud and waste uncovered by the Trump administration (Example: incidents of fraud in the states of Minnesota, California, and other states funded by the US taxpayer; the massive federal financial aid given to California, New York, and other states, and foreign aid, all at taxpayer expense).

YAHUWAH will hold the constituents of these states accountable for their actions to keep these politicians in office who practice the evil supported by the Deep State **[Rev 2:2, 5, 9, 13, 19, 23; 3:1-2, 8, 15; 20: 12-13; others]** knowing that there is a day of reckoning coming where evil shall slay the wicked **[Psalm 34:21]**.

The Deep State and its influence are **NOT** of YAHUWAH's righteousness. It is the Deep State that supports the radical left agenda in this country and worldwide. When each and every person faces YAHUSHUA **[1 Cor 3: 11-15; 4:5]**, it is simply too late for personal excuses for actions, or lack thereof, as to why YAHUWAH's righteousness was NOT exercised when that person had been given the opportunity to do so. This responsibility is incumbent on each citizen as well as the politician.

### Scriptural Relevance of the Deep State:

The use of the evil of the Deep State can be traced back to **Gen 3: 1-15** where the serpent deceived Eve (*Heb: Hawah*) with evil manipulation and the intent to influence and control her actions in contrast to YAHUWAH's instructions (the beginning of the Battle of Good versus Evil). Most (but not all books in the Scriptures), depict this same scenario in one form or another. How did the serpent get into the Garden of Eden in the first place? YAHUWAH put him there to test Adam and Eve, and subsequently all of mankind throughout the world. That is precisely why YAHUWAH kicked all three to the earth, rather than just Adam and Eve.

The Deep State, growing in power and influence, is analogous to the serpent and is controlled by Satan. While the Deep State through the Rothchilds was created in the 1760s, the Deep State existed in other forms throughout Scripture. **Gen 11: 1-9** paints a picture similar to **Gen 3: 1-15** only with different actors. Nimrod, son of Cush, led the descendants of Noah to build the Tower of Babel in an attempt to reach and become like YAHUWAH wherein YAHUWAH broke apart the effort by changing their languages and scattering them over the known world. Nimrod attempted to grab something that was not his to be received, like the Deep State of today through pride, arrogance, and total disregard for YAHUWAH's rules, instructions, ordinances, and righteousness [**Prov 8:13, 36; 5:12; Matt 6:24; Heb 10:29; James 4:4; 1 John 2: 15-17; others**].

Before the Rothchild Banking Cartel, the various kingdoms of men were the ruling class holding absolute power through their financial grip over their armies and citizens until YAHUWAH would bring another stronger kingdom against them that would destroy them and absorb their riches and property. The **Book of Daniel**, and several chapters in **Isaiah** and **Ezekiel** portray the forces that all of these naviim were up against as YAHUWAH used them to confront the Deep State of their day who had embraced the darkness of Satan that was embedded in Jerusalem, Babylon, Assyria, and even Judah. These kingdoms of men had enshrined the Deep State to such an extent that YAHUWAH intervened supernaturally to eliminate this darkness. [Example: **Isa Chapters 36 and 37**, where YAHUWAH sent a messenger to eliminate (kill without collateral damage) 185,000 battle trained warriors that had threatened Hezekiah and insulted YAHUWAH].

The Rothchilds, who were reported to be Ashkenazi Jews that descended from the Kazarian Jews who said they were Jews but were not: [**Rev 2.9; 3:9**], knew this and preyed upon the money systems that the kingdoms of men had established in their day. The Rothchild banking cartel spread throughout Europe and into Israel, and throughout the entire world by lending money only to governments and other parties where the debt was guaranteed by these various governments. That practice is still in operation today, only the level of sophistication has grown immensely.

The entire **chapter 18 of Revelation** is a command to come out of the Babylonian Systems or face the judgements identified in the whole of **Chapters 50 and 51 of Jeremiah**.

**What are these Babylonian Systems?** It is a cabal of special interest groups that serve the Deep State. These special interest groups consist of the Banking, Insurance, Medical and Health Care, Agricultural, Legal, Financial and Economic, Military, Political, Judicial, the Energy Sector, etc. in place all over of the planet in every country. These mini-cartels supported by the Deep State of today control these industries, which comprise the Babylonian Systems. The Babylonian Debt Money System constitutes the power of the Deep State (extortion).

These industries thrive and prosper pursuant to the funding provided by the United States as well as Europe, the Middle East, Asia, Africa, and parts of South and Central America. These mini-cartels are under and subordinate to a much larger cartel: The Deep State . . . controlled by Satan through the control of the currency and the money supply, and its use thereof. The love of money is the root of all evil [**1 Tim 6:10; Jude 1:11; Prov 1:31**].

The Rothchild Banking interests through the international banking cartel has controlled the money supply historically in Europe, and efforts to form the Federal Reserve culminating in 1913 legislation, spearheaded the fundamentals of that control in the United States. Control of the currency and the money supply and use thereof by governments worldwide through the Federal Reserve, is the single source of power keeping the Babylonian Systems in place, resulting in a concentration of wealth in the hands of a few, in direct in opposition to YAHUWAH's purposes [**Rev Chap 18**]. The Deep State is what preserves and promotes these various Babylonian Systems in the form of these mini-cartels.

YAHUWAH declares in **Rev 18:11, 17** that these Babylonian Systems will be destroyed in 1 hour in one day, and further describes the desolation and suffering in connection with this event in **Ezek 27: 27-36**.

### **Some of the Epoch Points regarding the Evolution of the Deep State**

There are many epoch points pertaining to the Deep State in virtually every book in the Scriptures with a very small sample listed below:

- 1) **Gen Chapters 3, 6, and 11:** The tower of Babel [**Gen chap 11**] was an attempt to steal YAHUWAH's esteem and honor.
- 2) **Exod Chapter 3:** YAHUWAH declaring that He has heard the cries of His people and subsequently sent Moses to deliver them from the bondage of Egypt. At that time, Egypt was the epicenter of the evil of the Deep State, subsequently spreading to other countries.
- 3) **Ezek Chapter 28:** Prophecy Against the Prince of Tyre, where the leader of Tyre was once again attempting to steal YAHUWAH's esteem and honor
- 4) **Isa Chapter 14:** Satan boasting that he is like YAHUWAH

5) In a later epoch statement declared on May 1, 1776, the master plan was espoused by Mayer Amschel Rothchild: “Give me the power to control a nation’s currency. I care not who makes its laws.”

**Prophetic (Hebrew: *Nevu’a*) Statement:**

YAHUWAH’s Word heard April 2019 by Eyd Stephenson at 4:00 am on the morning of the day of an attendance of a meeting in Washington DC with the Wyoming US Congressional delegation:

***This day is the beginning of the fulfillment of Rev 11:15.***

Later that afternoon at the end of the meeting, the Chief of Staff for US Senator John Barrasso, unknowingly and unwittingly set the stage for the beginning of preparations for a new Monetary Reserve System with the Wyoming Banking Commission and the Wyoming Dept. of Insurance resulting in the escape route that will be used to fund the exodus out of the Babylonian Systems, for those who are willing to come out.

The Deep State is revealed in the **Book of Revelation** to last until the Second Coming of Messiah. Example: Only the people who have accepted Satan’s control and by taking the mark of the beast will be able to buy and sell **[Rev 13:16-17]**. However, when and if YAHUWAH’s people come out of the Babylonian Systems, then the Deep State will no longer have any power over them. Those whose names were written in the Book of Life will not have taken the mark of the beast **[Rev 13:8; 17:8; 20:15]**.

For those people who overcome the beast (*overcomers*), see **Rev 2:11, 17, 25; 15: 1-4; others.**

**Coming Out of Babylon [Rev 18:4-5]**

**Question:** How does any person trapped in the bondage of Babylon come out of Babylon?

**Answer:** 1) They are led by YAHUWAH to come out pursuant to a paradigm shift in their hearts, minds, and souls; and 2) He provides an escape route out of the Babylonian Systems, for those who are willing to escape, just as He did for the Israelites in the **Books of Exodus** through **Joshua**. However, each and every person alive must be willing to participate in their own respective deliverance.

Those people who come out of Babylon, where do they escape to? Those who escape will be running for their lives and have no other safe place than the **Bozrah Communities** since the world will be experiencing the result of Satan having been thrown out of the heavens and confined to the surface of the earth **[Rev 12:7-10]**.

This group of individuals is represented by the woman of **Rev 12: 1-6, 13-14**, the complete opposite of the woman identified in **Rev 17** as the great whore of Babylon and her harlots.

The woman of **Rev 12** gives birth the Man Child **[Rev 12:5]**, and after having given birth flees to the Bozrah Communities for her refuge. In reality, this is a great number of people who are surrendered to YAHUWAH-YAHUSHUA, but not enough to be a part of the Man Child that is caught up **[Rev 12:5]**. Those people who refuse to come out of Babylon will not be a part of the woman (who represents the Remnant), and therefore have no chance of being a participating member of the Man Child.

### **How is this Escape Managed and Executed?**

1) YAHUWAH has revealed to Edward A. Young and Eyd Stephenson, two of YAHUWAH's naviim, through deep prayer and direct revelation from the Father (YAHUWAH), the design, structure, and process of a new Monetary Reserve System ("System") that transfers control of the money supply and use thereof, to the people participating in this new System that is open to the public without destroying the currency and the Federal Reserve.

The revelation of this System was divinely revealed by YAHUWAH-YAHUSHUA and divinely received by these men. Therefore, all credit and thanks goes to YAHUWAH-YAHUSHUA unconditionally without compromise, knowing that YAHUWAH-YAHUSHUA is in control of all things at all times.

There is no other such System or similar structure on the planet anywhere and YAHUWAH has revealed that this System will transcend into the New Millenium.

2) Key elements:

A. Operate the System with **federal government involvement, oversight, and accountability, but with, and in, the Righteousness of YAHUWAH without compromise**, meaning money generated through the System cannot be used for nefarious purposes, or spent on sinful activities such as abortions, sexual transgender practices, or other activities that are clearly identified in Scripture as being evil.

This System is extremely complex but involves a Private Membership organization open the public, as well as four other key components. The System is a result of a Ministry Led Venture (MLV) that places Ministry first, serving YAHUWAH and His Son, the Messiah, and the Venture second.

The System will be automated, protected, and defended against Cyber warfare using military grade advanced Cyber Security measures and Active Cyber Defense, staffed with highly experienced IT personnel. The System will operate first in the United States, and then worldwide.

B. Enforcement of the rules for participation in the System but **not** with punitive financial measures against participating Members, but limited to loss of opportunity in the event of default on the part of the participant.

Ambassadors (essentially evangelists) are assigned to each participating Member that serve to remind the participating Member of their respective accountability to YAHUWAH-YAHUSHUA, and their financial and other personal success within the System is directly attributable to YAHUWAH-YAHUSHUA [**Psalm 24:1; Hag 2:8; Deut 8: 17; 1 Cor 4:7; others**]. This reminder by the System's Ambassadors is deeply personal but affects each and every participating Member.

C. The System is designed to push capital up from the bottom, benefiting the lower 80% of society first, with the remaining 20% to receive the benefits secondarily. This is in direct contrast to the theory of Trickle-Down Economics that benefit the top 10% or less of society first, before it flows down to the rest of society, if at all.

D. The net result of participation allows each Member to come out of the debt bondage of the Babylonian Systems created by personal debt to its various parts of these mini-cartels as outlined above.

E. The System will not be identified in more specific terms without the express written consent of the federal government through a fully executed Public-Private Partnership Agreement.

This concludes Part C of the 4-part series: Message to the World. Part D will focus on the development and construction of the *Bozrah Communities* that will be funded through the Man Child Financial Trust (MCFT) using the System referred to above.

The Bozrah Communities are worldwide and constitute the place of refuge where the woman of **Rev 12:6** flees to after the catching up of the Man Child in **Rev 12:5**.

All thanks and credit goes to YAHUWAH-YAHUSHUA for this article. Amein.

May each and every reader seriously contemplate this message. This Ministry Led Venture (MLV) is the single greatest evangelistic tool ever given to mankind.

-- **End.**
